AGGIES TAPERED OFF FOR CLUBMEN

Crack Corvallis Eleven Will Be Here for Saturday Game.

Captain Stump Stott has been driving his Multnomah club warriors at high speed in preparation for their game next Saturday with the Oregon Agricultural college eleven.

There is no doubt but that the game will be one of the best seen on the local checkerboard this year provided the field is dry and the day clear. The Aggies like a dry field in order that they may put their forward pass and trick plays into operation. A solid field is also welcome to the "Winged M" players, for it gives an opportunity for some fast work on the part of the backfield and ends.

The Aggies are scheduled to arrive in Portland Friday, giving a day for preparation for the week-end struggle. Coach Norcross has been driving them at a high rate since their return to Corvallis from the Washington game and they are in excellent condition. Most of the sprains and bruises have disappeared and the players are showing the best form of the season. Their defense has been strengthened during the week and the offense shaped up.

Speed has been the element pumped into the clubmen. They have been worked harder during the past week than for any game of the season, not excluding the Oregon game Thanksgiving. The clubmen feel that they must retrieve themselves by defeating the Oregon Aggies. They have lost only the Oregon game this season, which is a better record than that established last year, when several games were dropped to opposing clubs.

The game will be called at 3 o'clock, and while the crowd is not expected to approach the Thanksgiving turnout or that for the Oregon-O. A. C. game, it will no doubt be unusually large for a Saturday contest.

LEADER CAPTAINS EAST SIDE ELEVEN

Ed Leader, right tackle of the East Side high school football team this season, was chosen captain of the team for next year at an informal meeting of the team after the Eugene-East Side game at Eugene Thanksgiving day. A more popular or deserving choice could not have been made.

Leader, with Captain Ans Cornell, was the backbone of the East Side team and it was largely through the spectacular playing of these two men that East Side made such a fine showing this year. Both men were rewarded by being unanimously picked for the all-star team.

Leader is 18 years old, about 5 feet 10 inches in height and weighs 156 pounds. His position this year was at right tackle on offense and defensive fullback. Next season probably will see him playing full both on offense and defense. Although light beside some of the other tackles in the league Leader is as strong as an ox and has learned the use of his hands so that there was not a tackle in the league who had anything on him at playing his position. He carried the ball well, too, and made considerable yardage for his team in this way.

To Plowden Stott, who coached East Side in 1907, belongs the credit for getting Leader into a footbal suit. Before Stott took hold of him at East Side last fall he had never seen a football game. Stott was strictly up against it for heavy material for his team and as a last resort someone suggested that the Leader boys, Ed and Elmer, twin brothers, be tried. They were coaxed into football suits and under careful coaching developed into splendid players. Previous to last fall they had been at West Side high school and although West Side was that year extremely short of good line material the Leaders were never thought of. Elmer Leader is very nearly as good a player as is his brother but was handicaped through injuries all season.

This Date in Sport Annals.

1895—At Maspeth, L. I., George Lavigne, the "Saginaw Kid," won from Joe Walcott in 15 rounds.

1898—At Philadelphia, Tommy Ryan and Tommy West fought six rounds, with honors even.

1902—At Hot Springs, Battling Nelson defeated Elmer Mayfield in 10 rounds.

1906—At Philadelphia, Jack Johnson and Joe Jeannette fought six rounds, no decision.

1907—At Chicago, Jake Schaefer defeated George Sutton, 500 to 486, and retained the title to the 18.1 billiard championship.

TRACK FOLLOWERS TO MAKE ONE LAST STAND

San Rafael, Cal., Dec. 1.—Race track followers in Sausalito and the sporting element are preparing their last defense against the attempts to stop their operations there following the decision of Judge George W. Bush, yesterday which swept away the technicalities behind which they were taking refuge.

Suit was begun more than a year ago by District Attorney Thomas F. Boyd to have two houses operated by Frank Daroux declared nuisances. After various technicalities had been entered the defense ordered a special defense that the poolrooms were licensed by the town trustees of Sausalito and therefore could not be considered illegal. The gamblers also claimed that the question had been formerly adjudicated.

Judge Bush decided that neither of the technicalities were sufficient answers to the complaint. He therefore overruled the demurrer and the case will proceed to trial on its merits.

Americans Are Beaten.

Melbourne, Australia, Dec. 1.—F. B. Alexander and Beals C. Wright, the American challengers in the contest for the Davis international tennis cup, were defeated yesterday in the final play, their Australian rivals, Norman Brooks and A. F. Wilding, proving too much for them. The closing struggle was marked by a brilliant exhibition of tennis.

HARRIMAN DECRIES IDLE CAPITAL

(Special Dispatch to The Journal.)

New York, Dec. 1.—E. H. Harriman delivered a short speech before the Economic club last night. He said in part:

"Some things that have been said here tonight are not right and some day you will know they're not right. Surely you'll know it. I've tried to do things satisfactorily in a lasting way, and to give right transportation. I've held many confabs with representatives of the government, and I've heard some of them agree that what they proposed was not right. I told the president of the United States three years ago that in passing the present Interstate Commerce act without changing the Sherman act he was inviting a great deal of trouble. Now he will probably recommend—at least I think that he will recommend—the very thing which I suggested.

"There are two things that menace the prosperity of the county—idle money and idle labor. The one is as mischievous as the other. It should be the object of the government to create a condition whereby each may be used both properly and fairly."

"The outlook for prosperity," was the general topic for discussion at the dinner, Paul Morton, ex-secretary of the navy; Cyrus H. McCormick, the well known manufacturer, and President Nicholas Murray Butler, of Columbia University, being among the guests and speakers.

ANNUAL REPORT OF ESPEE COMPANY

(Salem Bureau of The Journal.)

Salem, Or., Dec. 1.—The gross income to the Southern Pacific from its Oregon and California division between Ashland and Portland during the year ending June 30, 1908, according to the report filed with the Oregon railroad commission, was $2,714,600.25. Salaries and maintenance amounted to $5,968.81; accrued taxes, $188,770.34; net income $2,519,861.10. From this amount current expenses are deducted, making what is called the net corporate income in Oregon the past year, $949,813.76.

The report also shows that receipts from the sale of lands held by the Southern Pacific in Oregon amounted to but $12,963.87.

MORE MURDER TO AVENGE A MURDER

(United Press Leased Wire.)

Oroville, Cal., Dec. 1.—The officers of Butte and Plumas counties are seeking a lone Italian who killed one and wounded another of his countrymen yesterday in a camp of laborers just beyond the Plumas line. The fugitive is believed to be making his way in this direction. The affray was a continuation of a bloody vendetta that has already cost two lives of Italians. Adolph Guillo, who killed two Italians at a Western Pacific camp some time ago, is now under life sentence for his crime. The victims of yesterday's tragedy are believed to have been witnesses of that former deed.

DIVIDE ON JAMISON AS SECOND TACKLE

In only one instance did The Journal's selection of an All-Northwest football eleven diverge from that of the composite eleven chosen by seven coaches of the northwest, including Arthur Reuber of Whitworth, which college is outside the conference. The separate case was that of two Oregon Agricultural college tackles. Jamison was the choice of three coaches, including Reuber, who named him because he could not select Deaner, the W. S. C. ineligible. The Journal selected Pendergrass, his mate, for the tackle.

There were two votes for Grimm, the University of Washington end, and the same number for McQuillen of Whitworth. The Journal took no cognizance of teams outside the conference in its selection. It believes that Grimm is a better man at the new game than McQuillen and since they broke on the votes, the honor can just as well go to Grimm.

When the coaches made their selections, no player on their respective teams was named for any position and it was on this basis that the composite team was named. Coach Forbes of Oregon did not understand the instructions when he was requested to turn in his team, and named several of his own men, who, of course, were eliminated.

WHITE MAN DIES OF WOUNDS JAPS GAVE

(United Press Leased Wire.)

San Jose, Cal., Dec. 1.—The Santa Clara county authorities will proceed to the trial of J. Kimyji, a Japanese laborer, who, with three of his countrymen, attacked John Kyne, a Southern Pacific section foreman, two months ago and so wounded him that he died last night. This will be the first case in this county of a Japanese being tried for a white man's murder.

The attack on Kyne occurred on October 3, when the quartet of intoxicated and revengeful Japanese struck him down with hammers and hatchets and left him for dead at a lonely station three miles south of Gilroy. The orientals fled on a hand car into San Benito county. Kimyji was caught at Morgan Hill while attempting to reach the oriental settlement at San Jose.

HEINRICH COMES IN OVER WEIGHT

O'Connell's Gameness Carries Him Onto Mat With a Heavier Opponent.

When Joe Heinrich, the "Terrible Dutchman" of Spokane, goes on the mat against Eddie O'Connell, the Multnomah club instructor, Thursday night, he will weigh in the neighborhood of 170 pounds. This fact became public yesterday in a message addressed to one of the club members from Spokane as a warning of what might be expected when O'Connell and Heinrich meet.

If O'Connell comes in at 170 pounds it means that he must forfeit $100, which was put up to make 160 pounds or less. However, since the winner takes all the gate receipts, there is some method in Heinrich's madness. He figures that the $100 will not amount to much when it is taken into consideration that the gate will be large.

O'Connell has the privilege of calling off the match but he is too game for that. "I've met bigger men than Heinrich on equal terms," said O'Connell this morning, "and I am not afraid to give him 10 pounds more. I know what I am capable of doing and I don't think that Heinrich's big handicap will beat me. However, I don't want my friends to wager on my chances for there might be some slip.

Countrymen on Hand.

The advance sale for the big meeting has been rather large for so early, indicating that there is widespread interest in the event. Heinrich's fellow countrymen will be at the ringside in a body to cheer for him. Joe is a product of the local Turn Verein and the Germans will be on hand to cheer him on his way.

While the preliminary has not been arranged, it will probably be between Herman Newman and Billy Schroeder. Newman has considerable of a local reputation as a wrestler and has not yet been defeated in any of the preliminaries. Schroeder is a rising young wrestler who trained Strangler Smith for his recent match with O'Connell. He is a strong fellow and will undoubtedly give Newman, if they meet, a hard tussle, if not being able to beat the Cuban wonder. Both are ambitious to become stellar grapplers.

Wrestling Seats for Sale.

Reserved ringside seats for O'Connell-Heinrich bout Thursday night at Merrill's hall are on sale at Schiller's.

GREAT EMERGENCY PIANO SALE WILL CLOSE THIS WEEK

Yesterday Saw Sixteen Instruments Leave the Store—Fifty of the Finest and Ten of the $250 Styles, Reduced to $168, Now Remain—All Will Go If These Low Prices and Easy Payments Are an Object.

One of the greatest sales that the greatest piano-selling house in the West has ever conducted is fast drawing to a close. Out of the 300 fine, new, high-grade pianos secured just before the election from overstocked Eastern makers, 236 have been purchased by careful and discriminating people of Portland and vicinity. Only 64 remain to be disposed of before the great sale closes Saturday night.

If the rate at which pianos were taken yesterday can be kept up, this big piano-selling undertaking will have been concluded in a very few days. There is no reason why we should not sell more pianos today and tomorrow than we did yesterday.

All day yesterday groups of interested buyers anxious to secure a favorite instrument filled the store. Our sales force had been nearly doubled for this last great effort, and, unlike last week, when many callers could not be waited upon, every one yesterday was shown most careful and painstaking attention.

If you have no piano you cannot afford to overlook this emergency sale. You should not delay coming at once. As stated before we secured these pianos at a most extraordinary concession, and if we can sell them off quickly we are perfectly willing to pass our advantage on to you at the low prices we now quote.

The terms of payment really should be cash, but to sell this surplus stock quickly we are not going to refuse any reasonable offer. If you cannot bring $50.00 or $100.00 for a part payment, bring $20.00 or $15.00 for a first payment down. Arrange to make small payments as best suits your convenience each week or each month, and you will own a piano before you know it.

ALL ARE NEW AND HIGH GRADE.

Think of being able to secure the choicest of strictly brand new, highest grade and best-known makes at bone fide savings of $110, $148—yes, $163 at this time.

In this emergency sale you can now secure pianos that always bring $375 and $425 each at $304 and $263.

Reliable, strictly brand new, well-known New York makes are offered in this emergency sale at $193. The plainer styles go now at $168.

Or you can select from a vast assortment of the very finest and fanciest exhibition styles—in Hungarian ash, mottled mahogany and genuine quarter-sawed oak—take your choice—emergency sale prices are $387 and $346.

Many other fine new pianos—never sold for less than $325 and $250, even in the East, are offered in this emergency sale at $226 and $244.

THESE PIANOS WITH PLAYERS FREE.

To make this sale more interesting and to give music-loving people—particularly those not able to play—a chance to participate, we have added a short list of combination players and pianos, taken in exchange for Pianola Pianos, at prices that should fill several musicless homes with sweetest melodies.

A Marshall & Wendell Piano, with Cecilian Piano Player, in oak case, at $265; a Steinway piano, good as new, and an Angelus Player, in mahogany finish—latest type—now only $296; a Hardman Piano, in fine condition, with Angelus Player containing complete organ attachment, mahogany finish, at $265, and a new Winterroth Piano with Pianola, in ebony case, at $262.

In connection with the extraordinary bargain features offered above we have inaugurated also one of the most drastic clearance sales of used pianos in the history of the our store.

These instruments have, with few exceptions, been taken in exchange as part payment toward Pianola Pianos, Weber and Chickering Grands and Hazelton Art Pianos in our line of highest quality. In our Piano Exchange and Bargain Room now will be found pianos in wide range of styles, from which any music lover may be sure of selecting to unusual advantage. The price in every instance represents a genuine money-saving opportunity and rings clear with the prevailing Ellers sentiment, "A little more than your money's worth."

Remember this clearance sale is now in progress and closes Saturday, so be on hand early for best choice.

Among the pianos included are some of the country's best-known makes, including a beautiful Hardman now only $235.00; a fine Mission-Case Schumann, almost as good as new, at $350; a Fancy Mahogany Fischer in splendid condition for only $218, and another, smaller size, $182; a Jacob Doll at $240; an excellent Everett, used only a few months, at $240; a Kimball, now only $350; a superb Steinway, nearly new, at $276; a magnificent Rosewood Chickering, surely worth $600, for less than half; a Bailey, dark mahogany, $168, and another at $180; a Kingsbury at $135, and about a score of others at prices that will actually surprise you.

No matter what your income may be, we can make suitable terms. Bring in $10 or $15 for first payment and arrange to pay the balance a little at a time—each week or month or whenever you are in receipt of funds. We are determined to get rid of these pianos and we will not refuse any reasonable offer.

We mean business and it's to your interest to take advantage of the extraordinary offers made above. Come right away—this afternoon if possible, and make your selection. ELLERS PIANO HOUSE, BIGGEST, BUSIEST and BEST DEALERS, 353 Washington st., Corner of Park.

I CURE MEN

"I claim to know a great deal about a few ailments, rather than a little of all human ills."

DR. TAYLOR, The Leading Specialist.

Different doctors have different ideas in regard to cures. Some call a suppression of symptoms a cure. They dose for drug effects and claim that nothing more can be done. But the real ailment remains and will bring the real symptoms back again, perhaps the same as before, but very likely leave the patient in a much worse condition. I claim that nothing less than complete eradication of disease can be a real cure. I treat to remove the disease, and not merely the symptoms. I search out every root and fiber of the ailment, and I cure to stay cured.

I not only cure all weak conditions promptly, but I employ the only treatment that can possibly cure such disorder permanently. It is a system of local treatment entirely original with me, and is employed by no physician other than myself. This may seem a broad assertion, but it is just as substantial as it is broad.

I Cure the Cases That Others Cannot Cure

A bold statement, but just as true as it is bold. Not all cases that others fail to cure are curable by my methds, but fully 90 per cent of them are. The way to learn whether your case is curable is to consult me. I know exactly what can be done in every instance. I ought to know this, for I have done nothing else other than treat men's diseases for twenty-five years. If your case is curable I will treat you. If it isn't I will not. If I treat you, and if you so desire,

MY CURES ARE PERMANENT

In all my work I am thorough, painstaking and careful to give just the right treatment required in each individual case. For 25 years I have been proving my ability and my business methods have always been strictly reliable. My unqualified success is due to a thorough medical education, supplemented by years of experience in men's special diseases only. My treatment is as correct as modern science can make it. Others may offer inducements such as cheap treatment or quick treatment, but my foremost claim is for thoroughness, which in the long run—in EVERY CASE—means the cheapest and the best.

What Weakness Is and How I Cure It

"Weakness" is merely a symptom of chronic inflammation in the prostate gland, brought on by the improper treatment of some contracted disease. A complete and radical cure is, therefore, a question of restoring the prostate gland to its normal state, and this I accomplish promptly and completely without the use of internal remedies. My treatment is a local one entirely. It is original and scientific and has been proven absolutely effective by thousands of tests. I am convinced that by no other methods can full and permanent restoration of strength and vigor be accomplished.

You Pay When Well

Varicocele

A thorough cure without pain or cutting. Every case of Varicocele I treat proves the superiority of my mild and harmless method, and the folly of resorting to surgery. In most instances it is even unnecessary to detain the patient a single day from his business. The treatment I employ is distinctively my own, and can be had at my office only. Do not submit to the knife and hospital expenses, when a complete and permanent cure can be had without the loss of time, and without pain or cutting.

Specific Blood Poison

Others dose the system with mineral poisons scarcely less dangerous than the disease itself. The best they hope to do by this treatment is to keep the disease from manifesting its presence upon the surface of the body. Under my treatment the entire system is cleansed. The last taint vanishes to appear no more. I employ harmless blood-cleansing remedies. They are remedies heretofore unknown in the treatment of this disease. They cure by neutralizing and absolutely destroying the poison in the system. Such cures cannot be other than complete and permanent.

I state nothing in my announcements but the straight, square truth. It will cost you nothing to call and talk over your case. You can find out all about your trouble and you can later arrange to begin treatment any time you like. My offices, comprising ten rooms, are the largest, most elegant and best equipped in the west.
