Finding that the action of the board of directors of the Woodstock band in issuing 15 shares of unsubscribed stock to C. F. Spaulding, one of their number, was unauthorized and was taken as a step in a factional fight within the organization, Judge Bronaugh in the circuit court yesterday afternoon ruled that the issue of the shares should be cancelled. He said the illegal purpose was shown by the circumstances as well as by the testimony of Spaulding, who explained that the shares were issued to him to give the directors control of the corporation. There were other complaints by J. E. Gilstrap, the plaintiff in the action, but the court dismissed the other causes of action, because fraudulent intent of the directors was not conclusively shown.

NORDICA WELCOMED IN WASHINGTON

When Mme. Nordica appeared in Washington, D. C., October 16 last, the Herald of that city said:

"Mme. Nordica's concert last night at the new Masonic temple auditorium was an event of more than ordinary interest. It marked the real opening of the season for Washington music lovers, and it was the dedication in melody and song of a handsome concert room that is bound to be a distinct addition to the local world of music."

"Every song was received with rapture, and at the end of each number during the evening a perching sparrow ran the length of the hall bearing in his arms tributes of flowers."

Nordica and her company will appear here on Thursday, December 10 at the Heilig under the direction of Lois Steers-Wynn Coman. Seat sale opens next Tuesday morning.

Building contracts providing for the expenditure of over \$500,000 were let yesterday by the Union Meat company for six of the new buildings to go up on the lower peninsula. Bligham & McClelland are the fortunate contractors who secured this work. The largest building on which work is to be started in a short time is the main slaughtering and packing house. This is to be six stories high, 120 by 220 feet. It also will have a four story wing 75 by 180 feet. The tank house will be four stories high and 45 by 65 feet. Included in this contract are four buildings, 75 by 100 feet each, two stories high.

Only the brick work is included in the contract of Bligham & McClelland. The carpenter work, plumbing and other classes of construction will be let in a few days, the company's supervising architect being now at work on the details connected with the letting of these contracts.

LIQUOR MEN IN CHURCH DEBATE

President Hoffmann Before White Temple Men's Club.

Legislation intended to prohibit the sale of liquor to women in saloons, cafes and other public places, was the topic discussed last night at one of the most remarkable meetings ever held in a Portland church. The White Temple was the scene of the gathering, which was an open session of the Men's Club of the First Baptist church, called by the pastor, Dr. J. Whitcomb Brounger, for the purpose of giving both the liquor dealers and the reformers a hearing.

The cellar ordinance, which was recently passed by the council, was the central point around which the debate centered. Brief speeches against and in defense of the ordinance were made.

Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows: "When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J. "I have been using Danderine regularly. When I first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other one preparation regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

FREE To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the KNOWLTON DANDERINE CO., CHICAGO, ILL., with their name and address and 10c in silver or stamps to pay postage.

Frank Hoffmann, president of the Retail Liquor Dealers' association, defended the license system, and F. McFarcher spoke for absolute prohibition, and Rev. E. B. Muckley talked for the church people. Remarks pro and con were made by several others interested in the subject.

Though the debate waxed warm it did not become acrimonious, and the best of good feeling was maintained. Oregon apples were passed as refreshments. At the business meeting of the club, Dr. Brounger was elected president.
