Ring, Field Track and Diamond

DWYER GRAPPLES IN SKATING RINK

Biggest, Most Comfortable Hall in Town Chosen for December 17 Match.

Better accommodations than ever are to be offered the Portland wrestling fans at the big Dwyer-O'Connell wrestling match Thursday night, December 17. The exposition rink has been secured for the occasion, and for several other matches O'Connell will engage in during the winter months. His comfortable chairs, high backed benches and three foot elevated stage the rink will be doubly attractive to the fans. The gallery at the rink will accommodate nearly 3,000 spectators, all of whom will be directly over the mat. Over 2,000 more can assemble around the rink, making a seating capacity of over 5,000.

O'Connell began his training the day after the Heinrich match Thursday last and is now in good condition. He is building up his strength and adding to his weight to meet Dwyer. Dwyer has sent word from Chicago that he will be in Portland several days before the match, which will give the local fans ample time to gaze upon him. Dwyer has long been recognized as the best middleweight wrestler in the world and O'Connell will have his hands full standing the big fellow off for an hour. Indications now are that there will be a packed house at the meeting because the two greatest elements of the grappling art and it was this reason that prompted the management to secure the largest suitable hall in town. Hundreds who remained away from the Heinrich match did so for the reason that they wanted to see O'Connell in action against a first rate wrestler. They will get their chance when they see the man who taught President Roosevelt the game and the other man who taught Frank Gotch, present champion, the wonderful toe hold that paved his way to the championship of the world.

TAD JONES NAMES DAN PULLEN FOR AMERICAN

Tad Jones, greatest of Yale quarterbacks in the new game, in picking his all American team for the New York American, gives Dan Pullen, the former University of Washington line man, now captain and star of the West Point team, the position of tackle. Jones' estimate of Pullen is made in the following words: "The two men who must be given the tackle positions are Pullen, of the Army, and Slegling, of Princeton, and this with full appreciation of the splendid work of Fish of Harvard, Draper of Pennsylvania, Horr of Syracuse, and Bridges of Yale. The latter has played more positions and played them well, than any man who has ever played varsity football. Pullen was the mainstay of the Army team; its strength on the defense, its power on the offense. He was down the field with his ends, and a sure tackler; he was the great factor in spilling end runs for kick formations, and as far as the Navy is concerned, was the one man who was 'always in the way.'"

CALIFORNIA OUTLAWS REMAIN FOR WINTER

(United Press Lined Wire.) New York, Dec. 9.—No action will be taken by the National baseball commission at its present meeting on the petition of the California "outlaw" league to the National association of professional baseball clubs. President Johnson of the National league, and President Johnson of the American league, will go to California in the winter to investigate conditions there and will endeavor to have the National baseball commission remove the "outlaw" taint from the Pacific coast organization. When their judgment warrants such a course.

WILLIAM BUCKLEY OF ROCHESTER HAS BEEN SIGNED AS AN UMPIRE IN THE NEW ENGLAND LEAGUE.

William Buckley of Rochester has been signed as an umpire in the New England league. After the strenuous stunts and foot races he has had to do in several other leagues, "Buck" thinks he can settle down and enjoy the simple life in the New England.

WHEN WILL PORTLAND PEOPLE LEARN THE IMPORTANCE OF IT?

Backache is only a simple thing at first. But when you know 'tis from the kidneys; That serious kidney troubles follow; That diabetes, Bright's disease may be the fatal end; You will gladly profit by the following experience. 'Tis the statement of a Portland citizen.

J. C. Buckley, 8 E. Ninth Street, Portland, Oregon, says: "In my estimation there is no remedy equal to Doan's Kidney Pills in curing kidney disorders. There was a constant soreness across the small of my back and stooping or lifting would cause sharp twinges in that part of my body. I tried one remedy after another in an effort to get relief, but without result. When Doan's Kidney Pills were brought to my attention I procured a supply and was benefited by them from the first. I continued their use and they soon completely removed the pain from my back and corrected the action of the kidney secretions which had been somewhat irregular."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

TO-NIGHT

Work while you sleep.

CLAIMS UNDISPUTED CHAMPIONSHIP

Centralia High school football team, which claims the undisputed championship of southwestern Washington, having defeated all the high school teams in that part of the state, including Aberdeen, Hoquiam, Puyallup, Chehalis and Olympia. Reading from left to right in the picture the players are: C. Miller, D. Hubbard, F. Troxel, Theodore Turner, E. Noble, E. Turner, Carl Baker, H. Ward, J. Troxel, Coach Harry, Amos Rhodes, Arthur Black, John Markham and DeWitt Yeager, John Markham was captain of the team. DeWitt Yeager has been elected captain for next year.

WHEN SOARING AIR BAG GOT GOAT OF HANDSOME WALTER M'CREIDIE

"It's a funny thing the way some fellows get up in the air over the least little thing," remarked State Wharfinger "Bill" Dunleavy to an acquaintance on Howard street wharf the other day, according to the San Francisco Bulletin. A moment before the one time player had been gazing upon a sailor at work in the shrouds of a tall rigged ship and in the work to put "Dun" in a reminiscent mood. "You know Judge M'Creidie? Well, Walter and I were playing on the Oakland team a few seasons back and had many a good time together. To look at the fellow, he was something over six feet and ready at all times to defend his side of the question, one would imagine that he would be the last fellow in the world to take water from anybody. But that's it, appearances are sometimes deceptive. "We'd all gone down to Los Angeles to play a series of games with the 'Angels,' and for lack of something better to do one forenoon a bunch of us strolled out to Chutes Park. They were having balloon ascensions every hour, and at my suggestion we hopped into the basket. The balloon was inflated and was a bit frightened at the idea of a journey into space, but the reassurance of the crowd brought him into line. From the look on his face as the car left the ground I could see that

GOOD PROGRAM FOR LADIES' NIGHT

Tonight is ladies' night at the Multnomah club and the gymnasium will be crowded with parents and relatives of the junior girls and boys who take part in the calisthenic and gymnasium work under the direction of Professor Krohn. An excellent program has been prepared for the evening. The opening number will be called at 8 o'clock. Following are the events that will comprise the program: Selection, Parsons orchestra; calisthenic drill, beginners' girls' and boys' class; 15 yard dash and return, beginner girls' and boys' class; figure dance, advanced girls' class; apparatus work, beginner boys' class; wand drill and chariot race, night junior class; apparatus work, night juniors; flying rings, junior leaders' class; parallel bars, junior leaders' class; table vaulting, girls' leaders' class; wrestling, instructor Ed O'Connell and Edgar Frank.

FOOTBALL CAPTAINS CHOSEN FOR NEXT YEAR

Bates college—Ralph P. Cummings, end. Beloit college—Elmer T. Ebbott, center. Bowdoin college—William P. Newman, left tackle. Brown university—Adrian E. Regnier, right end. Carlisle Indians—Little Boy guard. Clemons college—Charles M. Robb, end. Dartmouth college—Clark W. Tobin, guard. Dickinson college—Frank Mount Pleasant, quarterback. Hamilton college—L. E. Leavenworth, left end. Harvard university—Hamilton Fish Jr., right tackle. Lafayette college—A. A. Blalcher, left end. Princeton university—Rudolph Slegling, left tackle. Rutgers university—Ted Leslie, fullback. Tufts college—Clarence H. Ditttrick, right end. University of Chicago—Harlan O. Page, right end. University of Iowa—Raymond Cross, right tackle. West Point—Dan Pullen, right tackle. Yale university—Edward H. Coy, fullback.

FAVOR CAMPUS GAME AT STATE UNIVERSITY

(Special Dispatch to The Journal.) University of Oregon, Eugene, Dec. 9.—Several important matters will be brought up for consideration at the meeting of the athletic council next Saturday, chief among them being the question of playing the Oregon-O. A. C. football game in Portland or on the campus in the future. The question is stirring up a great deal of discussion about the campus, the general sentiment being for the campus game, as it is thought to be due the merchants of both Eugene and Corvallis to show appreciation of their support by playing the biggest game of the season at home. The difficulties in the way of students from Portland games will also be a large factor.

GERSPACH CAPTAIN OF WEST SIDE HIGH

Fred Gerspach, center on the West Side High school football team for the past three years, was last night elected captain of the 1909 football team to succeed Newton Smith. Gerspach is one of the most popular boys in high school. He is a member of the February, '10, class. He played a great game at center this season, both on offense and defense, and only lacked one vote of being the all interscholastic center. Throughout the season his passing has been uniformly good, both to his quarter and to the full for punting and place kicking. On defense he has been one of the best of the league and frequently made tackles on the ends as well as backing up the line in good shape. Gerspach will have a hard task turning out a winning team next year, for there will be a number of players graduating from school both in June and February.

SPORTS OF ALL SORTS

A director of the Pittsburgh baseball club says that President Dreyfus does not control the club. Perhaps Barney has had to hook the outfit to Honus Wagner.

Owners of the Hannibal, Mo., baseball club are trying to get a franchise in the Illinois-Missouri league championship last year.

Fitzsimmons a German wrestler, who speaks eight languages besides English, looking for a grapple. Those numbers ought to win for Fitz.

Jimmy Walsh and Sam Langford have arrived in San Francisco, where Walsh is to fight Johnny Hendon and Langford will tackle Jim Flynn.

While Bud Sharpe, the Newark first baseman, was repairing the roof of a barn recently a friend called to him that a story was afloat that Bud was slated for the New York Highlanders. Bud indignantly fell from the roof when the Highlanders were mentioned.

The 462 All-American, All-Eastern, All-Western and All-Tallahassee football teams are trying to make a man drive through a fence. This miserable Harvard team managed to get one representative on several of the All teams.

May Buy More Ground. Whether or not it is advisable for the Multnomah club to purchase the King tract, abutting the club grounds on the south, will probably be submitted to a vote of the membership in the near future. The tract consists of four and a fraction acres and is valued at \$60,000 by its owners. Several of the directors think the price somewhat high, expressing this opinion at the meeting last night.

The directors also decided to enter a track team in the national championships, which will be pulled off during the Alaska-Yukon-Pacific games in Seattle next spring.

Sullivan Was Outweighed. Reports from Aberdeen are to the effect that Gene Sullivan, who spent last winter in Portland, fought a good fight against Maurice Thompson last Friday night. Gene entered the ring weighing 135 pounds, while Thompson weighed 145 pounds. After 15 rounds of fighting Gene decided that Thompson had done the better work and waived him a winner. At even weights it is believed Sullivan would have won.

PORTLAND NOW IN NORTHWESTERN

Lucas Re-elected President and League Buys Hall's Franchise and Players.

(Special Dispatch to The Journal.) Seattle, Wash., Dec. 9.—Portland was formally admitted into the Northwestern league at the annual meeting yesterday, and William H. Lucas was re-elected president of the organization. Judge W. W. McCredie, owner of the new Portland franchise, was elected a member of the directorate. Russ Hall's Butte franchise was taken up by the league, and the Helena players not sold to Tacoma were purchased by the directors. Hall getting something like \$3000 out of the transfer. In addition to the Portland application for a franchise, Helena, Mont., also asked for admission. However, it was the opinion of the directors that an eight club league was not desirable, and when the Butte club was purchased by the league the Helena application was denied. As it stands the new circuit includes Portland, Seattle, Spokane, Tacoma, Aberdeen and Vancouver, B. C.

SCHEDULE MUST WAIT

Owing to the fact that the Coast league will not complete its schedule until the meeting December 21, the Northwest schedule will not be arranged until after that time. The league made necessary owing to the Coast league's engagements in Portland. President Lucas, who now resides in Spokane, announced at the meeting that he would take up a residence in Portland in order to be in closer touch with baseball affairs of both leagues. In addition to being re-elected president, Lucas was also named as secretary and treasurer. W. R. McFarlane of Aberdeen was elected vice president, and the directorate is as follows: W. W. McCredie of Portland, George M. Schneider of Tacoma, D. E. Dugdale of Seattle, J. P. Cohn of Spokane and A. R. Dickerson of Vancouver.

THIS DATE IN SPORT ANNALS

1885—National Association of Baseball clubs held its twelfth annual meeting in Washington, D. C.
1876—At San Francisco—California Oaks race, four mile heats, won by Mollie McCarthy.
1886—The Cleveland baseball club admitted to membership in the American association.
1890—At Denver—John P. Clow, mid-

A MAN'S BREATH ESCAPES

Do you know that every time you have a cough or cold and let it run on thinking it will cure itself you are inviting pneumonia, consumption or some other pulmonary trouble? Don't risk it. Put your lungs back in perfect health and stop that cough with Baldwin's Horshound syrup.

INVALIDS COME FROM EVERY QUARTER TO SEE THIS WONDERFUL MAN

It is the unprecedented success of the wonderful man during his long stay in Portland that brings the sick from the most distant places.

DR. C. GEE WO

The Chinese Doctor. He has made a life study of the curative powers of Roots, Herbs and Barks, and is giving to the people of the Northwest the benefit of his years of research. No Mercury or Poisons Used or Operations of Any Sort. It is by simple remedies that he can cure all such diseases as Catarrh, Asthma, Stomach, Lung and Liver troubles, and also private diseases of men and women. A SURE CURE FOR CANCER. He has obtained from Pekin, China. It is safe, sure and reliable. If you live out of town and cannot call, write for symptom blank and circular, enclosing 4 cents in stamps. CONSULTATION FREE. Open evenings, and Sundays from 10 to 4 p. m. The C. Gee Wo Medicine Co. 102 1/2 First St., Cor. Morrison. Portland, Oregon.

MEN AND WOMEN. Use Big G for unnatural discharges, inflammations, irritations or elevations of mucous membranes. Pains, and get relief. Take no other. Big G is sold by Druggists, or sent in plain wrapper, 50c, or 3 bottles \$2.75. Circular sent on request.

MORPHINE

CHICHESTER'S PILLS

lowlight pugilist shot dead by F. C. Marshall.
1892—At San Francisco—George Daws defeated Don O'Connell in 20 rounds, for \$3000 purse.
1904—At Milwaukee—Charlie Neary and "Kid" Goodman fought six rounds to a draw.
1905—At New York—Root and Fogler won the annual six-day bicycle race in Madison Square garden.

CORVALLIS ELEVEN PRAISES MULTNOMAH

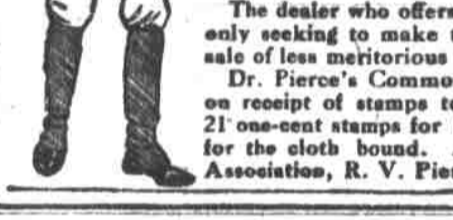

(Special Dispatch to The Journal.) Oregon Agricultural College, Corvallis, Or., Dec. 9.—The football team upon its return from Portland, displayed for the season. Several of the men will engage in other athletic exercises as wrestling, basket ball and track work. The team appears but little the worse for the hard game with Multnomah and all report the best of treatment from the clubmen. It was the cleanest and best game ever played between the Multnomah and O. A. C. and gives promise of better relations between the two institutions than have existed in the past. The members of the team agree that Edward Stutz is the classiest athlete they have met on the gridiron this season, and that Multnomah has a rattling good team as well as being true sportsmen. It is expected that when E. J. O'Connell, Multnomah's wrestling instructor, starts a class at O. A. C. he will have some fine material with which to work and the students will take up the game with enthusiasm. It will be the first attempt to establish that form of physical training at the local institution and it will be watched with much interest.

BANK IN KANSAS ROBBED

Malvo, Kan., Dec. 9.—A band of yeg-men blew the safe in the State bank here today, and escaped with \$6000. The men were seen leaving the town, and a posse is in pursuit. The work showed that the robbers were expert cracksmen. Nap Lajoie has returned to Cleveland after a visit to his old home at Woonsocket, R. I.

S.S.S. BEST TREATMENT FOR CATARRH

S. S. S. is the best treatment for Catarrh because it is a perfect blood purifier. It is the only medicine that is able to get down into the circulation and entirely remove the catarrhal matter and impurities which produce the trouble. As long as the mucous membranes and tissues are kept inflamed and irritated by this impure and infected condition of the blood Catarrh will remain. Its disagreeable and dangerous symptoms, of ringing noises in the ears, mucus dropping back into the throat, headaches, watery eyes, difficult breathing, and even stomach disorders and weakened health, cannot be permanently relieved until the blood is purified. Nothing equals S. S. S. for this purpose. It goes down to the very root of the trouble, and removes every particle of the catarrhal matter from the blood and enriches this vital fluid so that all the mucous surfaces are supplied with nutritive, healthful qualities, instead of being constantly irritated and inflamed by impurities in the circulation. Then the symptoms begin to pass away and when S. S. S. has entirely purified the blood, Catarrh is permanently cured and the general health greatly built up. Book on Catarrh and any medical advice desired sent free to all who write.

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder. A sound stomach makes for good citizenship as well as for health and happiness. Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of Dr. PIERRE'S GOLDEN MEDICAL DISCOVERY. It builds up the body with sound flesh and solid muscle.

The dealer who offers a substitute for the "Discovery" is only seeking to make the little more profit realized on the sale of less meritorious preparations. Dr. Pierre's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

FREE MUSEUM-FOR MEN ONLY.

Life-size reproductions of the human form, presenting a study of health and disease affording educational opportunities not found elsewhere. Our medical offices and treatment rooms are on the same floor, though separated from the museum by a large hall, so that there is no confusion and publicity, parties desiring to consult us can do so in strict privacy and free of charge. Weakness of men: Varicocele, Nervous Debility, Kidney, Bladder, Prostatic and all Contracted Diseases. If you cannot call, write for self-examination blank: Hours, 9 A. M. to 8 P. M. daily. Sundays, 9 to 12 only.

OREGON MEDICAL INSTITUTE

291 1/2 MORRISON STREET, Between Fourth and Fifth, Portland, Or.

Important to Every Man WITH DISEASE

Progress in the study of contracted disorders in the past few years has resulted in my advanced methods of securing permanent results. In my practice I use special methods of irrigation and a method of my own devising for installations that cure gonorrhoea PERMANENTLY in from 3 to 10 days. I make frequent inspections of the canal by means of a small electric light, which enables me to see and to treat each inflamed part separately; and I am also enabled to show the patient himself the conditions that actually exist. Following my treatment there are no evil after results. There is no stricture to fear nor the slightest chance of a chronic condition (sometimes called gleet), but there is COMPLETE healing of the inflamed and poisoned tissue. Never use harsh injections or drastic internal remedies to stop the discharge, for if you do it is certain that in the future you will find your state worse than ever. I guarantee you a PERFECT AND PROMPT CURE, and as well as that,

YOU PAY WHEN CURED

My Fee for a Thorough Cure of Any Ailment Is \$10 in Any Uncomplicated Case. You Pay When I Have Cured You

If this announcement does not have particular reference to YOUR trouble, drop in and tell me what bothers you. I shall be glad to give you advice as to your condition that is sure to be of benefit to you. That will cost you nothing. It will save you an amount of nervous suffering and MAY greatly PROLONG YOUR life. Be wise; don't delay. As I have stated frequently, all the very serious and so-called "incurable" diseases are due to delay and neglect.

WEAKNESS

Functional weakness in men is in reality a comparatively simple ailment. It is but a symptom of local disorder, a state of chronic inflammation of the prostate gland. No stimulating treatment, whether internal or locally applied, can do more than excite temporarily my system of local treatment. I restore absolutely normal conditions throughout the organs involved, which promptly results in complete and permanent restoration of strength and vigor. This treatment is original with me, and is the only radical and certain cure yet devised.

VARICOCELE

Varicocele is a relaxation, knotting and twisting of the most vital blood vessels of the organic system. It stagnates the local circulation and interferes with the processes of waste and repair. Neglect brings derangement of functions and injury to the general health. Most physicians resort to surgical operations.

CONSULTATION AND DIAGNOSIS FREE

I state nothing in my announcements but the straight, square truth. It will cost you nothing to call and talk over your case. You can find out all about your trouble and you can later arrange to begin treatment any time you like. My offices, comprising 10 rooms, are the largest, most elegant and best equipped in the West. Office hours, 9 a. m. to 9 p. m. Sundays, 10 to 1 only.

The DR. TAYLOR CO. Cor. MORRISON and SECOND STS. Private Entrance 234 1/2 Morrison St.
