

WILLIE'S PATENT CHRISTMAS PRESENT GETS OBSTREPEROUS

DEAR TOMMY: Maudie, Reggie and little Reggie spent Christmas with us. I made a dancing Teddy bear for little Reggie. Christmas morning I started it going and put it on the breakfast table. It danced all right at first. Then it got a crazy streak and did all kinds of stunts, and Papa got real angry.

Yours, etc., WILLIE.

TEACHER'S PET--HE MIXES IT WITH THE SCHOOL SANTA CLAUS
