JOHNSON IS NEW "CHAMP" OF RING

Husky Negro Wins From Tommy Burns in Far-away Australia.

Sydney, N. S. W., Dec. 26. — Jack Johnson, the new champion heavyweight prize fighter, was up early this morning, and showed little effects of his battle yesterday with Tommy Burns, whom he outpointed from start to finish.

It is now Johnson's time to make a little money. He has been "waitin' around" for a chance that has finally come to him. Sam Fitzpatrick, the big negro's manager, has been deluged with cable messages from England and America offering dates and making challenges, but Fitzpatrick is willing to wait awhile.

The little end of the purse, amounting to $5000, is looked upon by Fitzpatrick and Johnson as the beginning of their fortune.

The Australians are wild about the negro, and he is the biggest attraction on this continent right now. Fitzpatrick is planning a tour by which the new champion probably will clear $30,000 or $40,000.

Every city in Australia wants to see Johnson and theatrical managers are engaging in a heated contest to obtain dates.

Burns' camp reported that he was not badly hurt by Johnson and that he soon will be in shape again. The Burns people admit tht the victory was fairly won.

Johnson issued a statement in which he said he will meet all aspirants for the title, but it is probable that no dates will be arranged immediately.

Round 1—After preliminary sparring, Johnson reached Burns with a sharp uppercut and the Canadian went to the floor, remaining there for the count of eight. Burns arose, and sailed in for Johnson's body. Johnson swung a hard right to the head and Burns staggered backward nearly across the ring from the impact. Burns, rushing in, planted a right of great force on Johnson's chin and by an excellent display of boxing warded off a return. Johnson, nevertheless ,managed to put through a stinging left to the head at the sound of the gong.

Round 2—When the bell clanged, Johnson swung his right and landed on Burns' chin. The champion's ankle gave way and he went down. He was up immediately. Johnson got to close quarters and placed his right and left to face and body. Burns' left eye commenced to swell. Johnson swung a terrific left into Burns' stomach. Burns was bleeding from the mouth and apparently was tired. The men clinched as the bell rang.

Round 3—Burns swung his right to Johnson's head and then did some wonderful execution at infighting, driving his right to the ribs frequently. Johnson during the round landed some terrific blows to the kidneys.

Round 4—When the men met in the center of the ring, Johnson shot a heavy right into Burns' ribs. The men talked wildly to each other, each seemingly intent on getting the other excited. During the jeering they sparred fiercely, but few blows being struck. Then Johnson swung his left to the body and Burns brought his right to the head. Johnson, closing in, threw a terrific right and left to the head of the Canadian. They clinched as the round ended.

Round 5—Apparently refreshed by his minute's rest, Burns started briskly, landing his right on Johnson's head and punching the body with both hands. Johnson managed to put several rights to the head.

Round 6—Johnson rushed and Burns clinched. Breaking loose, however, with one hand, Johnson swung his right a dozen times into the white man's ribs. Burns jolted Johnson's body frequently and swung his right hard over the ribs and put a stiff left to the stomach several times.

Round 7—Johnson rushed Burns across the ring, dealing out rights in which there was no mercy. Burns sent a left to Johnson's jaw, and Johnson raised a lump under Burns' right eye in return. Burns seemed to be losing strength. Johnson was landing repeatedly on Burns' eye, meanwhile addressin- the people around the ringside and, though Tommy was working dexterously at infiguting, he placed several terrific blows to Burns' ribs, dropping him to the floor for a few seconds.

Round 8—Burns' eyes were puffed up and he was bleeding from the mouth when he emerged from his corner. The black man led all through the round.

Round 9—"Come on, Tommy; swing your right," yelled Johnson as the gong rang. Burns called the negro a "yellow dog." There was more gab than fight in this round.

Round 10—Both men seemed tiring. Johnson still used his fists effectively on Burns' head and stomach, and Burns was doing all he could in reply. His blows, however, lacked steam.

Round 11—Burns tried to cross his right over, but Johnson cleverly avoided him, meanwhile jeering the champion. When the bell rang Burns limped to his corner.

Round 12—Johnson sailed in and Burns took a tremendous lot of punishment gamely. His jaw was greatly swollen.

Round 13—Johnson continued to play for the injured eye and the bleeding mouth of Burns, which was swollen to twice its normal size. Blow after blow the colored man rained upon him, and the gong alone saved the white man from defeat. During the intermission between the 13th and 14th rounds the police officials consulted on whether or not they would stop the fight in the next round. Referee McIntosh went to Burns' corner and conversed with the champion, who asserted that he was strong. McIntosh then asked the police not to interfere with the fight.

Round 14—Johnson went right after Burns when the gong sounded. Burns warily backed away, but Johnson, following up, dropped Tommy with a right to the head. Burns remained down until eight seconds had been reeled off. When he arose, Johnson rushed and soon had the champion tottering. The police then stopped the fight, McIntosh declaring Johnson the winner.

OLD TOM SHARKEY DECLARES WHITE MUST HOLD TITLE

(United Press Leased Wire.)

New York, Dec. 26.—Thomas J. Sharkey announced today that he intended to go out and try to take the heavyweight championship of the world away from Jack Johnson.

"I said the other day that I would never fight a negro," said Sharkey; "but I am simply bubbling over with rage at seeing a black hold the title. It won't do for Tom Sharkey. I'll go out and try to win the title back from him. I'll be ready in three months to fight him to a finish.

"I picked the winner of the Burns-Johnson fight. I knew the height and reach would do it. I figured Johnson to win in about 10 rounds, and I'll allow the little Canuck was five rounds better than I thought.

"The reason Burns lost is that he is altogether too small for a champion. No man five feet seven inches has any business in the ring with a fellow like Jack Johnson. From the time I saw the pictures of the Burns-O'Brien fight, I said that the first man who fought him would whip him.

"There is no use expecting that Jeffries will come out of retirement. I know how stubborn he is and he won't break his word. Who is there left to fight the negro? Not a single man, and that's why I am coming back. The idea of Kaufman and Ketchel believing that they would have a chance.

"Langford, to my mind, is the only fighter who has a chance with him. He is a great fighter, but, like Ketchel and Burns, he is too small. If Jeffries would come out and consent to go after Johnson, I would step aside and let him fight. Anyway, I tell you, a white man must hold the title."

JIM BARRY IS ONE FIGHTER WHO DOES NOT FEAR JACKSON

Los Angeles, Dec. 26.—There were three men in southern California today to whom the public turned since Jack Johnson had beaten Tommy Burns. Jim Jeffries' place on Spring street was crowded to the doors with a curious throng which wondered what Jim would say when he heard the news.

Al Kaufman and Jim Barry were the other two men who held the spotlight. Lovers of boxing were waiting to hear what they had to give out.

Jim Barry was the only one who did not send a disappointing answer—Barry, who has been accused of faint heartedness. "I am done with the ring forever," said Jeffries. "My man will never fight a negro," said Billy Delaney for Al Kaufman.

"You can't bring him on too fast for me after I whip Kaufman," this from Barry.

Teddy Murphy, speaking for Barry, issued the following statement: "If we win from Kaufman we will be willing to fight Johnson for the championship. Barry has fought Sam Langford six times, as well as other colored men. There is no such thing as the color line so far as Barry is concerned."

With Barry willing to meet Johnson, additional interest will hinge upon the coming scheduled 45 round affair between Kaufman and Barry, which is to take place December 31 at Jim Jeffries' Vernon arena.

JOHN L. SULLIVAN SAYS JOHNSON NO REAL RING "CHAMP"

St. Paul, Minn., Dec. 26.—John L. Sullivan said today that Jack Johnson has no real right to claim the championship as the result of his victory over Tommy Burns at Sydney, as he considers the present day bouts mere boxing matches.

"The fight resulted much as I expected. I never could see how a good little man had a show with a good big man, as was this case," said John L.

"Even with the victory over the so-called champion of the world, though in my opinion Burns never was champion of the world, the negro can't assume that title.

"These present day bouts can't truly be styled prize fights. They are merely boxing matches where padded mits are used. I can't see where Johnson is given a high position in the opinion of the general American public. I don't think the country will make a great howl over the colored man when he returns.

"In my opinion the American public is fast losing interest in the manly art. Johnson undoubtedly will get two or three fights in this country, but it is only a question of time until he meets a better man, which is always the case."

New Orleans—Young Donahue of Boston won the money yesterday in his fight with Tommy Mowatt at the Royal Athletic club. Young Corbett, who acted as Mowatt's second, threw up the sponge in the third round.

Manila, P. I.—The Reach all-American baseball team defeated Lieutenant Johnson's Twenty-sixth infantry aggregation here today in a game lasting 11 innings. This was the first appearance of the visitors and they received a great ovation.

La Grande, Or.—The Pendleton militia team was defeated here yesterday in a very interesting game of football by the home team, 5 to 0. The La Grande team got its touchdown on a fumbled punt.

DEFEATED CHAMPION

MULTNOMAHS CLINCH CITY SOCCER TITLE

Multnomah's club's soccer football team completely outclassed the Cricketers eleven and its famed British players yesterday, winning 7 goals to 0. The rain and soggy condition of Multnomah field interfered with the playing of some of the new men on the Cricketers team, but even at that it is doubtful if the Multnomah aggregation could have been beaten by any soccer outfit on the coast with its form of yesterday. Their victory makes the local championship a certainty.

Owing to the inclement weather the crowd was much smaller than anticipated. It began raining and blowing before the contest and the sawdust was soft and wet, making it impossible to pull off some of the fancy plays the two teams had in reserve.

Practically every man on the two teams put up good ball.

William Hutchinson, who refereed the game, gave satisfaction. M. Keith and Clyde Cumming were the goal judges.

The lineup follows:

Multnomah		Cricketers
Barton	G	Churchley
Crosby	R B	Jago
Dyment	L B	Mitchell
Bennett	L H	Fenwick
A. Mathew	C H	Robertson
Sammons	R H	Kellow
Kydd	O R W	Mackenzie
Dick	I R	Maclean
Mills	C	Bruce
H. Mathew	I L	A. Mills
Hanson	O L	Mackenzie

Time—Two 45s.

Goals scored: Multnomah, 7, by Mills, 3:46 o'clock; H. Mathew, 2:57; Mills, 3:26; Dick, 3:31; Mills, 3:58; Kydd, 3:58; and Mills, 4:08. Cricketers, 0.

(United Press Leased Wire.)

Oakland, Cal., Dec. 26.—With ideal racing weather and before a crowd of nearly 12,000 people, Dorante, Lee up, won the Christmas handicap at Emeryville yesterday. Dorante closed an even favorite with Montgomery but outran the big horse all the way. Firestone started out in the lead and held on fully three-quarters of the way around. At the mile Don Enrique took the lead, but in the stretch fell back while Dorante forged ahead. Milford, a long shot finished second. Firestone was third. The time was slow. The results:

CHEMAWA SECONDS VICTORS OVER ALBINA

(Special Dispatch to The Journal.)

Chemawa, Or., Dec. 26.—The Albina Athletic club eleven was defeated here yesterday afternoon by the Chemawa second football team in a fast game, 19 to 5. Neither team scored in the first half, both using straight football. In the second half the Indians settled down to work immediately after the half opened and in a very short time, by means of line bucking, scored their first touch down. Mason was given the ball and plunged over. Clark kicked goal.

Then Albina kicked to Chemawa and Lewis ran it in well and after a few exchanges punting the Albina boys had the ball on their three yard line. Albina punted and it was blocked by Charles and Donason recovered the fumble and was downed by Charles behind the line scorching a safety, score 8 to 0. Then Todd of the visitors got away with a fumble in the middle of the field and ran 50 yards for a touchdown. Goal was missed. Score 8 to 5. By means of line bucking, forward passes and onside kicks Chemawa had the ball on the club's five yard line. The ball was given to Williams and he plunged over for another touchdown and Clark kicked goal, score 14 to 5. Then the ball seasawed back and forth over the field until just before time was called when Queahpahma secured the pigskin on the 25 yard line and got away for the last touchdown of the game. Clark missed the goal. The Albina club played a gritty uphill game. They outweighed the Indians about 20 pounds to the man but in spite of a wet and muddy field were unable to get away from the wiley redskins. Donson, Todd and Palmer played excellent ball for the club team. Donason was a host in himself. E. Williams, Mason, Smoker and Charles starred for the Indians.

After the game the club team was entertained and given a turkey dinner with all the trimmings. This is the Second team's last game of the season. They have not been defeated and the five points scored against them in this game are the only ones recorded against them. Among the teams defeated by them were Albany High, 12 to 0 and Junction City High, 36 to 0.

JEFFRIES LAMENTS NEGRO'S ASCENSION

(United Press Leased Wire.)

Los Angeles, Cal., Dec. 26.—"I am through with the game. There is no use for anyone to try to persuade me to reenter the ring. I am out for keeps," declared James J. Jeffries, retired and undefeated heavyweight champion of the world, today.

"All night long I was besieged with telegrams asking me if I would reenter the ring. I answer them now, as I have answered hundreds of times before. I have fought my last ring battle.

"Tommy Burns had his price—$30,000. Burns has sold his pride, the pride of the Caucasian race. Burns was mad—money mad. The white champion worshipped at the shrine of Mammon. The dollars he coveted are his but at what a price.

"For the first time in the history of the prize ring a negro holds the title of all titles—the heavyweight champion of the world. Tommy Burns as a climax to a ring career that has been anything but brilliant has now allowed the black shadow, Jack Johnson, that has been hovering over the heavyweight throne for so many months, to finally descend upon the coveted crown and title.

"The Canadian never will be forgiven by the public for allowing the title of the best physical man in the world to be wrested from his keeping by a member of the African race. The same people who have been condemning Burns for heretofore refusing to meet Jack Johnson, will be the first to condemn him for having allowed an Ethiopian champion to wrest the ring supremacy from the Caucasian race.

"Jack Johnson is now a champion and as such is entitled to all the glory that his victory over Burns may bring him. The fact that Johnson is a negro cannot now be held against him by the followers of the boxing game. The time to draw the color line is at the time that a challenge is issued. As I have taken occasion to say before, all men are of the same color after the gong rings. The black man leaves his color behind when he once crawls between the ropes.

"Tommy Burns' mistake, the one great mistake of his career, was in allowing Johnson the opportunity to fight for the title. I refused time and time again to meet Johnson while I was holding the title, even though I knew that I could beat him. I would never allow a negro a chance, even though it be a desperate one, to fight for a world's championship, and I advise all other champions to follow the same course."

LONDON WANTS DINGE ON VAUDEVILLE STAGE

(United Press Leased Wire.)

London, Dec. 26.—Jack Johnson's victory "pleases sporting" circles here today. Burns is unpopular because he is considered "fresh and talkative" by the fight followers.

The English sporting men attach no importance to the color line and admire Johnson from a pugilistic view point.

An effort was begun today to have Johnson visit England upon his return from Australia. Several English managers have taken steps to offer him substantial contracts to appear in vaudeville.

For Men Who Are Not Men

You can take two plants, growing side by side in the same soil, and by treating one with electricity its growth will be 10 per cent faster than the other.

Pick out two men who are weak, puny and undeveloped. Let one of them saturate his nerves with a gentle current of electricity for several hours every day. After a few weeks of this treatment he becomes strong and vigorous and his weight increases, while the other fellow remains a weakling.

What is the reason for that? Because electricity is life. It is the force that promotes health, strength and growth.

It is electricity, created by the chemical action of the juices of the stomach upon the food, that runs the human machine.

When the body is in a healthy condition, nature lays up a reserve force of electricity. Some call it vitality. Overwork, worry, dissipation and excesses consume this reserve force. Then when any human organ is overtaxed there is no reserve to call upon to enable it to perform its regular functions, so it becomes sluggish and inactive, and weakness or disease is the result.

All that is needed to cure the trouble is more electricity, more vitality. You can't get that from drugs.

The best way to restore electric energy to the body is to apply Electro-Vigor while you sleep. Electro-Vigor is a dry cell body battery which generates a steady, unbroken current of electricity. It is always charged, ready for use, and all you have to do is adjust it about the body and turn on the power. From the first moment the glowing stream of electric life courses through the nerves and veins, carrying new force and vitality to every weakened part.

Where there is plenty of electricity disease cannot exist.

People have been cured by Electro-Vigor who had doctored and dosed for years without receiving a particle of benefit.
