

EDWARDS' PLEA IS NOT GUILTY

Edwards, Who Killed McGaillard, Will Have a Speedy Trial.

The trial of Osborn Edwards, who is charged with murder in the first degree in the killing of Thomas J. McGaillard at the Richelleu rooming house a few nights ago, will be set soon for the earliest possible date. In compliance with the new rule of bringing murderers to trial as speedily as can be done, Judge Gantenbein will set the date as soon as Edwards' relatives are heard from. Edwards pleaded not guilty to the charge yesterday afternoon.

Besides him, seven other men were haled into court yesterday afternoon either to enter pleas or to receive sentence.

Marion Davis, charged together with Dave Tomlin with stealing a box of razors belonging to Lou Wagner, was sentenced to serve a term of two years, but paroled on account of his age, being only 19 years old. Davis will have to report to Chief Probation Officer Teuscher. Tomlin pleaded not guilty and will be tried before the juvenile court today.

J. J. Scholtz, charged with larceny, will be tried January 14.

John Hanna, who stole a kit of carpenter's tools on New Year's eve, will serve six months in the county jail.

Harry Benson and Oscar Johnson, accused of robbery, it being charged that they held up Peter Ljnbetich, December 13 and relieved him of his watch and \$35, are to come to trial tomorrow. They are also said to have held up A. M. Bryant, securing \$25. Chris Bruner is thought to have been implicated in their last job.

E. F. Germain, charged with larceny, will be tried January 15.

W. B. Glenn, accused of larceny by embezzlement, is to have his trial February 12.

MURDERER BECAUSE TOOK JOKE TOO HARD

(Special Dispatch to The Journal.)
Rockville, Md., Jan. 12.—The case of Nicholas Offutt, charged with the murder of Frank Kretzmer, was called for trial today in the circuit court. Both the accused young man and his alleged victim were well known in this vicinity and as a result the trial will be followed with considerable interest.

The killing of Kretzmer, who was a storekeeper, resulted from a children's prank. Several girls, among them the young sister of Offutt, entered Kretzmer's store, to play a prank on the storekeeper. The latter is said to have playfully resented the intrusion of the girls and one of them told Offutt that Kretzmer had insulted his sister. The young man hastened to the store and without warning shot and killed Kretzmer. The young man fled to New York, but was captured a few days later and returned for trial.

CAUCUS TO DEFEAT LID LEGISLATION

(United Press Leased Wire.)
Olympia, Wash., Jan. 12.—A senatorial frameup to defeat all so called lid legislation has been attempted with indifferent success. A caucus attended by 23 members, with proxies for two more, was held on local option, the trace track bill and other measures.

The makeup of the caucus was such that there is not much danger of its holding together when the first test comes. One proxy was that of Senator Blair, who preferred to go to church, and Falconer, Paulhamus and Polson point to this fact with derision, as an evidence of how strong the anti-moral organization will be. The fact that a caucus was held has caused no end of comment but the general opinion is that it will not be effective.

MEAD PARDONS HENRY CRAEMER

(United Press Leased Wire.)
Olympia, Wash., Jan. 12.—Governor Mead has pardoned Henry Craemer, convicted at Seattle, September 11, 1894, and sentenced to be hanged for the murder of Mrs. Josephine Mueller and her child.

Thrice Craemer was granted reprieves and finally sentenced. His sentence was finally commuted by Governor Rogers to life imprisonment. There has always been general doubt of Craemer's guilt, as the evidence was entirely circumstantial. At the time of the Tom Blanck jail delivery at Seattle, Craemer refused to leave with the other prisoners. The case has been one of the most famous in the history of Washington.

IDAHO HOUSE PUT ON ANTI-PASS RULE

(United Press Leased Wire.)
Boise, Idaho, Jan. 12.—The house of representatives has adopted a resolution providing that before drawing money from the state for mileage members must make affidavit that they did not ride to Boise on passes. Five members voted against the resolution.
