FARMS SUPPLAN TOWN IN BAKER

Sumpter, Once Prominent Camp, Will Be Plowed Up Into Ranches.

(Special Dispatch to The Journal.)

Baker City, Or., Jan. 12.—Transformed from one of the livellest mining towns in the northwest to a ranch where alfalfa and timothy will be grown is the meaning of a business deal closed here today, affecting the town of Sumpter. Two years ago Sampler claimed a population of 5000: bad a daily paper, and Intion of 5000; had a daily paper, and was a typical mining town. Now most of the neighboring mines are closed, the population has melted away to a hand-tui.

Practically all of Sumpter was the property of the Sumpter Townsite company, headed by ex-Governor McIntosh of British Columbia. This company to day deeded 550 acres of platted ground to the Sumpter Land company. Inday deeded 550 scres of the Sumpter Land company. Instead of attempting again to boom the mining town, the company has arranged for sufficient water to irrigate ranged for sufficient water ranged for sufficient wat

two degrees below zero.

The barometer has fallen decidedly over the western portion of the United States and the conditions now are the most favorable for a break in the cold spell of any that have appeared during spell of any that have appeared during the last six or seven days. Moderately beavy rains have fallen in California as far south as Los Angeles, and a light fall of snow has occurred in eastern Washington and northern Idaho. It is much colder over a strip of territory extending from southern Texas northeastward to the St. Lawrence valley, and at Galveston, Texas, the temperature this morning was four degrees below the freezing point. Heavy snow has failen in Kansas, Missouri and the Ohio valley, and the line of zero temperature extends as far south as Oklahoma. The cold has moderated in British Columbia and the Canadian northwest, but the temperatures in that secwest, but the temperatures in that section are still below zero.

The indications are for snow in this district tonight and Wednesday, with
