Fulton stepped out, as has been pub-lished. The proposition was put up to several Statement No. 1 men, and they stood pat on their pledges. Thus the last big coup of the anti-Chamberlain forces failed. ivers. Senator Miller, one of the steering committee, throws cold water on the plan. He says that he did not know he was on the committee. He says fur-ther that he will not participate in any crooked work. He will not advise mem-bers to violate their pledges. be considered by the house Monday afternoon next at 2 c'clock. Consider-able discussion was aroused over the time of considering these vetoes, it be-ing contended that the new members should have time to familiarize them-selves with the different measures and the reasons for their being vetoed. Many members desired to have them considered Wednesday. The house set the time for Monday, however, after a lively debate. The bills are as follows: Bill 242-Relating to the protection of deer and elk. Vetoed because of a de-fect in construction. Bill 254-Relating to the state printer and his office and providing for the pur-chase of a state printing plant. Vetoed because the bill was a makeshift and intended to shirk responsibility and escape the demand of the people that the state printer be placed on a flat salary. Bill 245-Relating to the control of

their bodily welfare. As old age creeps on, the vital forces are less strong and the general functions of the body are not performed as thoroughly and vigorously as they were when the body was younger. It is then that a good, gently stimulating tome is required.

Mr. Clinton De Witt of Copemish, Michigan, who is 75 years old and works every day, praises Duffy's Pure Malt Whiskey as the best tonic medicine for the old.

Recently Mr. De Witt wrote: "I am 75 years old, and at my time of life need a good tonic stimulant. Have used Duffy's Pure Malt Whiskey for years and find that it is the very thing I need, and am free from the pains and aches old age is subject to. I am strong and vigorous and work every day. I heartily recommend Duffy's Pure Malt Whiskey to all old people as the best medicine they can take."

Thousands of men and women, who have almost reached the four-score mark, tell the same story as Mr. De Witt about what Duffy's Pure Malt Whiskey has done toward renewing their youth and keeping them vigorous, hale and hearty and in possession of all their facultics. As a leading doctor says, the secret of the whole thing is that Duffy's Pure Malt Whiskey, if taken as prescribed, drives out all disease germs, invigorates the brain, enriches the blood, quickens the circulation and prevents decay and old age.

This wonderful remedy has been extolled throughout the world for what it has done for suffering humanity. The success of Duffy's Pure Malt Whiskey in curing disease has caused many unreliable dealers to put up substitutes and imitations with which to fool the people, claiming that their substitutes are just as good as Duffy's Pure Malt Whiskey. Insist on the genuine. It will cure you. Duffy's Pure Malt Whiskey is sold

throughout the world by druggists. grocers and dealers, or shipped direct for \$1.00 per large bottle.
