Women's High-Grade Coats Values to \$32.50 at \$14.95

Tremendous interest attaches to this sale, for it's so exceptional in the variety of beautiful coats, so unusual in the range of striking styles, so charming with all the touches of fashion, that one finds it difficult to do the event justice in limited newspaper space. Could each coat be taken and all its beauties and excellent points vividly pictured, you would become so interested that nothing could keep you away.

Coats that are exact reproductions of Parisian models, stunning hipless, smart empire and other acme of fashion styles, well tailored in tight and semi-fitted effects, artistically trimmed with fancy braid and ornaments

The materials are broadcloths, chevrons, smart tweeds and fancy mixtures. The colors are blue, brown, navy, black, red, leather, olive, green and fancy gray mixtures. Some plain tailored, mostly satin-braid trimmed. Some satin-lined, some unlined. There is such a wonderful variety that you will find here coats for every purpose and to suit every fancy.
