CHICAGO MAN IS READY FOR BOUT

Crack Wrestler Who Meets Edgar Frank Full of Confidence.

Athletic relations between the two most important athletic clubs in the west and middle west will be cemented tomorrow night in the Multnomah club "gym," when Johnny Haley, the 125 pound champion of Chicago and Edgar Frank, the Pacific coast champion, come together.

Haley reached Portland yesterday afternoon and looks to be a dangerous little customer for the local pride. He has the confidence of a Gotch, and isn't afraid to say that he thinks he can topple the Portland boy. Never in his life has the little fellow lost a wrestling match. He has been wrestling for three years in and about Chicago.

For two years he was the Y. M. C. A. featherweight champion in the Windy City. When Mike Dwyer went from Denver to take charge of wrestling at the new Illinois Athletic club, Haley went over to the club to take work under the great grappler.

In the past year his work has been phenomenal. He has met in amateur bouts all the good boys in Chicago. Swanson, who it was thought, would be Frank's opponent, fell before him. Donovan, another featherweight wonder, went the same route. Now Haley is the kingpin of them all.

Haley announced last evening that he would work out with Instructor O'Connell or some one of the club's wrestler's this afternoon. The coming of the Chicagoan has occasioned much surprise, and there will no doubt be a large gathering to see him limber up from his long ride and to get a line on his chances against the Multnomah representative.

This is the first time Haley has ever been to the coast. He says he is in love with the country already, although not accustomed to so much rain. The air is bracing to him and he was up bright and early this morning after a good night's sleep.

Frank worked out before an admiring crowd last night and revealed splendid form. He is faster and more scientific than at any time in his career, due to the painstaking work of O'Connell. Among many of the local clubmen there is little apprehension over the appearance of the easterner. They look for Frank to take straight falls. More conservative ones look for Frank to win, but they concede Haley one fall out of the three.

Ordinarily with amateur contests there is a time limit on the falls, but this will not be in force tomorrow night. The pair of feathers will grapple until one or the other has secured a fall. The match may last 10 minutes and it may not reach a conclusion for two or three hours.

The preliminary matches tomorrow night are scheduled to start at 8:30 o'clock, this being done in order to give everybody a chance to be on hand in time for the first bout. Seats are on sale at Schiller's cigar store.

O'CONNELL'S PUPIL REASSURES TACOMA

Nelson Mose, a Tacoma wrestler who trained with Frank Riley when the latter was getting in shape for his match with Smith last summer, and who now lives in Portland, where he is a pupil of Ed O'Connell at the Multnomah club, has written to N. D. Moser, instructor of wrestling at the Y. M. C. A., saying that he believes the Riley-O'Connell match at Portland January 28 will be very close, neither man having a decided advantage in strength or skill.

O'Connell, says Mose, is built much on the pattern of Riley and uses the same style of wrestling.

YALE'S HOPES DEPART WHEN CUPID ARRIVES

By the sudden marriage the other day of Frank Carley Hunt, a member of the Yale varsity crew, to Miss Florence Loomis, a clerk at the glove counter in a local department store, a severe blow will be dealt to Yale's chance in the coming boat race with Harvard. According to Hunt's intimate friends, he has written to his roommate that in view of his marriage it will be impossible for him to resume his duties in the university. Hunt is only 21 years of age and is the son of Richard A. Hunt, a prominent architect of New York. The bride is 19 years old. In the race with Harvard last year Hunt rowed No. 4, in the Yale shell. Now that he is married, he informs his college mates that he will enter business in the west.

JEFFRIES TO ACCEPT VAUDEVILLE OFFER

(United Press Leased Wire.)

San Francisco, Jan. 21.—That Jim Jeffries has decided to accept some of the many vaudeville offers that have been pouring in on him was made public this afternoon when it was announced that he had signed Joe Kennedy, the old time local heavyweight, to act as his sparring partner on a tour of the country.

The engagements made by Jeffries were not made public but it is not believed he will be on the road more than 10 weeks. Kennedy has frequently acted as Jeffries' sparring partner, both in training camps and on the road.

SULLIVAN TAKES ROLE OF A FIGHT PROMOTER

(United Press Leased Wire.)

Washington, Jan. 21.—Frank Hall, manager of John L. Sullivan, today confirmed a report that he, Sullivan and a number of Buffalo, Chicago and Boston men had offered $75,000 for a match between James J. Jeffries and Jack Johnson. The location of the prospective bout is being kept secret.

Sullivan called on President Roosevelt today and wishes him success on his African trip.

Crack Shots in Tourney.

Pinehurst, N. C., Jan. 21.—More than 150 marksmen, representing the best shots in the country, faced the traps today at the opening of the second annual midwinter trap shooting tournament here. The attendance included both amateurs and professionals, prominent among the last named being Fred Gilbert, Thomas A. Marshall, J. A. R. Elliott, George W. Maxwell and H. S. Welles.

The program of the tournament extends over a period of three days. The trophies include cups to both the preliminary and handicap winners, medals for the highest amateur averages and a medal for the highest professional average.

Ervin Will Referee.

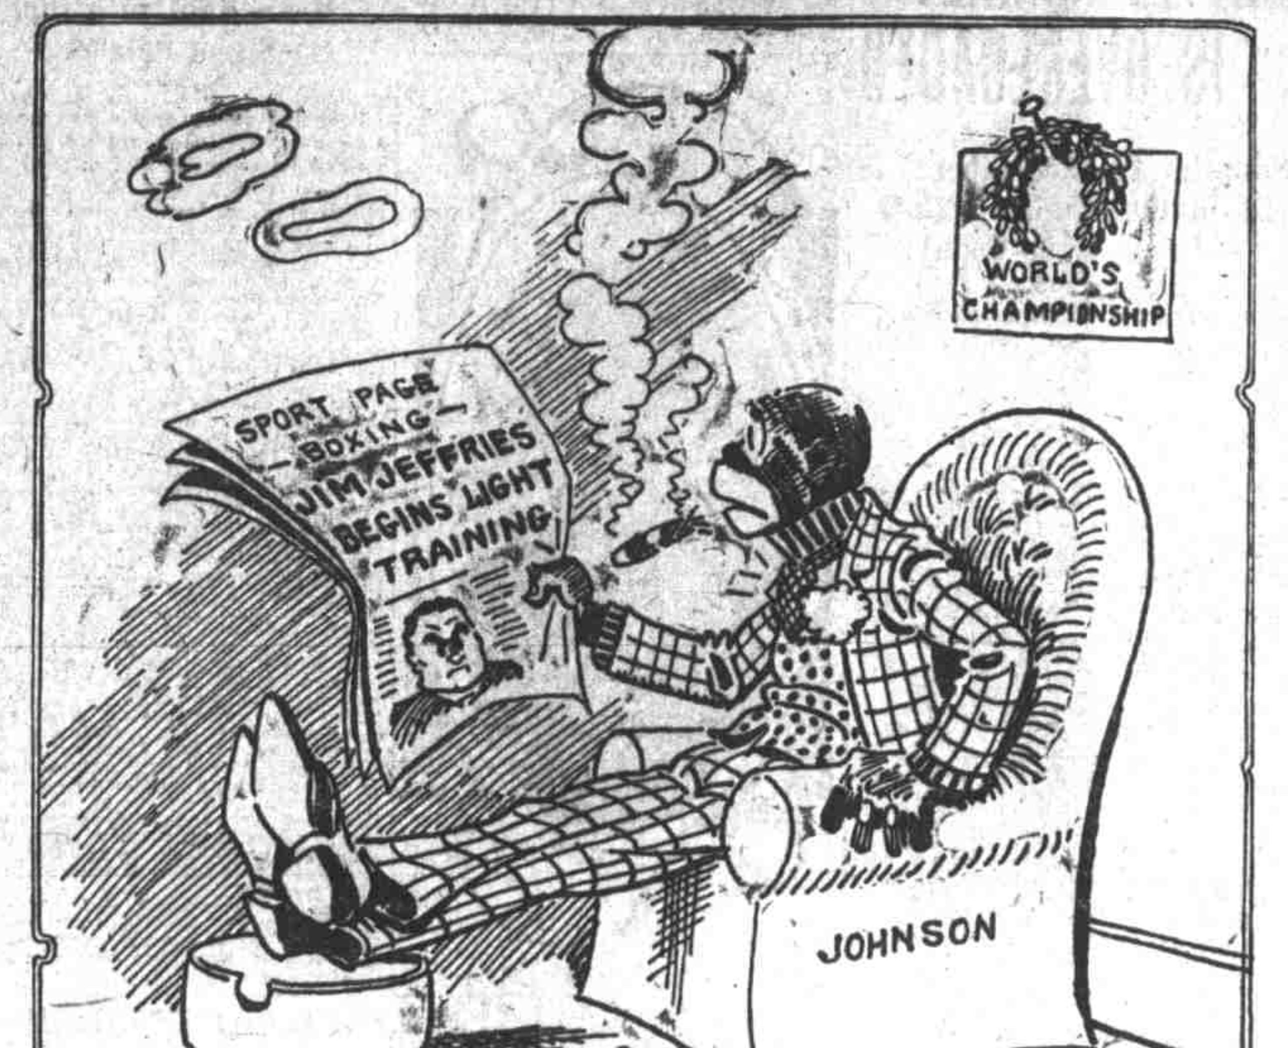
Kid Ervin has been selected referee for the Eddie Conners-Jack Dolan 15-round fight at Rainier next Saturday night. Connors is from Bellingham and Dolan is a Californian.

Military Appropriation.

(United Press Leased Wire.)

Washington, Jan. 21.—The appropriation bill, carrying $98,295,408, was recommended to the house yesterday by the committee on military affairs.

SITTING UP TO TAKE NOTICE



FOUR SCHOOLS WILL PLAY BALL TOMORROW

The Interscholastic Basketball league will be on in earnest tomorrow afternoon when two games will be played. The two high schools will play at the Y. M. C. A., while Portland Academy and Columbia university will meet at the P. A. "gym." Both games are called for 3:30 o'clock.

Both games should be hummers for the teams are very evenly matched this season. East Side and West Side are probably as evenly matched as two teams could possibly be. Taken man for man there is but little difference, physically at least, in the two teams, so that the team which is the better coached will probably win.

Runyon, the big high school center, is the only man who is really much heavier than his opponent, but the East Siders think that in Reising they have a man sufficiently strong to handle him. Burdick and Barzee, the East Side forwards are about evenly matched with Welsh and McAlpin, the West Side guards, while the same can be said of Noyes and Vosper, the West Side forwards, and Miller and Hewitt, the East Side guards.

P. A. and Columbia are a different proposition. Very little is known of the strength of the two teams but on former showing both should be strong. P. A. has but two veterans in the lineup, Cobb, her captain, and Norris, the center. Columbia, too, has had to build a comparatively new team and with the exception of McDonald, her captain, all the other players are new at the game. Columbia's lineup looks strong, however, for there are a number of star athletes in her line up.

The lineups for the four teams will be as follows:

Portland Academy vs. Columbia at P. A., Thirteenth and Montgomery.

P. A.		Columbia.
Cobb (c)	F	Clancy
Cookingham	F	Campbell
Norris	C	Dooley
Ladd	G	Pomeroy
Smith	G	(c) McDonald

East Side vs. West Side at Y. M. C. A., Fourth and Yamhill:

East Side.		West Side.
Burdick	F	Ed Noyes
Barzee	F	Vosper
Reising	C	Runyon
Hewitt	G	McAlpin
Miller, Euster	G	Welsh

SPOKANE BANK THIEF NABBED AT ST. LOUIS

(Special Dispatch to The Journal.)

St. Louis, Jan. 21.—Don Carlos Wisely, a fashionably-dressed youth of 20 years, is a prisoner at police headquarters as one of a band of bank clerks and others who robbed the Old National bank of Spokane, Wash.

Wisely has been hiding in the house of a friend on Duncan avenue, near Taylor avenue, ever since the robbery. He was arrested by Superintendent Minster of the St. Louis Pinkerton agency and four detectives. When he was searched $175 was found in his pockets, but in his room about $1000 was found together with a number of letters in cipher, which disclosed the fact that a large amount of money was "planted" in another place.

Wisely admitted he had obtained $11,000 from the bank while employed as paying teller and blotter clerk. He says the first $1000 he took was in cash from the vault. He then, through manipulation, had a $10,000 check entered on the books twice and he obtained clearing house certificates for the check. He cashed the clearing house checks or certificates and rented safety deposit boxes in Spokane and Portland. He left the bank in November, 1908, and came here a month later. When arrested he was learning the plumbers' trade in a school.

KLAMATH HOLDUP MEN SENTENCED

(Special Dispatch to The Journal.)

Klamath Falls, Or., Jan. 21.—Riley Priever and Jack Hall, the two young men of this city who last Saturday afternoon held up the Klamath bank and secured $3230 in cash, and were captured a few hours later, were sentenced yesterday. Hall was given 10 years and Priever five. The latter swore that Hall had led him on. They will be taken to Salem this week.

BRITT SAYS KETCHEL IS IN GRAND SHAPE

San Francisco, Jan. 21.—Willie Britt returned from the east today with a contract with Stanley Ketchel stowed away in his suitcase. Britt spoke glowingly of Ketchel's condition, declaring the champion to be bigger and stronger than ever, weighing 185 pounds.

"I have an opportunity to sign up Ketchel for a 10 weeks' tour in vaudeville," said the boy manager, "but before I do anything at all I am going to carefully look over the field. I have a 10 days' option on the vaudeville contracts and if I conclude that the time is not yet ripe for a fight, we will sign it.

"Ketchel is still able to make the middleweight and when the right time comes no color line will be drawn. Langford, Kelly, Papke, O'Brien and all the rest can have their chance if the public wants them."

MURDERED MAN'S ESTATE APPRAISED

An appraisers' report filed with the county clerk yesterday recalls the mysterious and unavenged murder of the St. Johns jeweler, Harry T. Butterworth last fall. Butterworth, it will be remembered, was shot and killed by an unknown man about 9 o'clock at night almost at his own back door. The authorities have never obtained a clue to the murderer.

The appraisers, J. P. and E. J. Jaeger and W. H. Turik, report that Butterworth's estate consists of $789.39 in cash, the jewelry stock of his store valued at $1800, and an equity of $260 in a piano, making a total of $2944.39.

Judge Webster granted the petition of the widow, Mabel Butterworth, for a monthly allowance of $50 from the estate for the support of herself and children.

RILEY SAYS MONEY TALKS IN HIS GAME

(Special Dispatch to The Journal.)

Tacoma, Wash., Jan. 21.—Frank G. Riley, who is matched to meet E. J. O'Connell in a wrestling bout at the Exposition rink in Portland, Thursday night, January 28, stated this morning that he had not yet received notice that O'Connell had covered his forfeit of $100, which he sent to Portland the other day. Riley says O'Connell will have to come to bat right off, if he expects to get any of the local grappler's game. Money talks with Riley and he has no time for conversation with a man who fails to flash the coin.

Tacoma wrestling followers are on the qui vive for the match. As an indication of their respect for Riley as a wrestler, a number of them are laying plans to take in the match in the Rose City next Thursday night. A lot of Tacoma money will undoubtedly follow Riley into the ring. Local fans have never lost on the crack welterweight before, and they are willing to take a chance against the speedy man from the Multnomah club.

FREIGHT TRAIN IS STALLED BY FLOOD

Reports were received by both the North Bank and O. R. & N. that a North Bank train was in the river opposite Mosier and caused a scramble on the part of the North Bank operating department this morning to find out about it. They learned that an engineer on the O. R. & N. had seen a work train near Lyle standing on the track near the water, which because of the storm made it look as though it was ditched. The locomotive had run into a landslide, and was disabled for seven or eight hours, but the train did not leave the track.

HYLAND CLAIMS AN EVEN BREAK

San Francisco, Jan. 21.—"Fighting" Dick Hyland, Jimmy Walsh, the champion bantamweight of America, and Eddie Keevin, who acts as manager for the pair of fighters, arrived here today from Los Angeles. Both Hyland and Walsh will be part of Promoter Charley Lecari's card for this month and they will start their work immediately for the coming fights, which are scheduled to take place at the Dreamland pavilion on the evening of January 29.

Hyland has been traveling through the east and has just finished going 10 rounds with Packey McFarland in Los Angeles and in regard to this fight Hyland claims that he gave the Chicago lightweight an even battle and his word is backed by the sporting writers of the southern metropolis. He is confident that he can whip McFarland in 20 rounds.

Hyland is matched to meet Lew Powell 20 rounds before Lecari's club on the evening of the 29th and when these two stocky and hard hitting lightweights get in action there will certainly be some tall doings around the Dreamland pavilion.

Hyland looks the picture of health and he says that he is in good condition now, having kept himself on edge since his fight in the south. He claims that he is better than ever and is still aspiring to reach the top of the pugilistic ladder in his class.

Jimmy Walsh, who is hailed as the American champion in the bantamweight class, is also in fine fettle and says that he realizes that he will have a tough little fellow to get away with in Jimmy Reagan, but claims that his experience and his punching powers will tell the story.

Hyland and Powell signed the articles of agreement this morning and named Jack Welsh as referee and Frank Herman as stakeholder, each depositing $200 as weight and appearance forfeits. The articles call for Hyland and Powell to fight 20 rounds and to weigh 133 pounds at 6 o'clock on the evening of the contest.

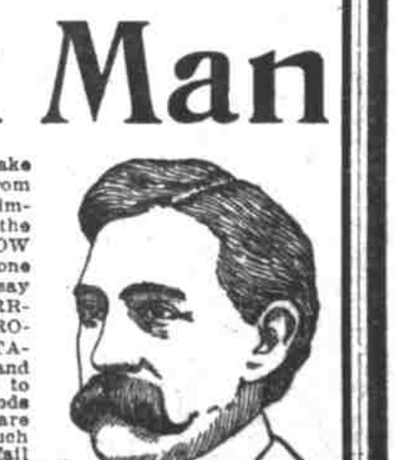
Little Adlets Bring Results

Don't Be a Weak Man

I want every weak man to know that I can make him strong, vigorous, healthy, alert and free from every taint of disease and weakness. I have limited my specialty in practice to only a few of the more important disorders, so that I could KNOW these thoroughly. My experience along this one path for twenty-five years qualifies me to say positively that such troubles as SPERMATORRHOEA, LOST VIGOR, VARICOCELE, HYDROCELE, CONTRACTED DISORDERS, CONTAGIOUS BLOOD POISON, STRICTURE and "WEAKNESS" can be cured perfectly—so as to stay cured. Of course, I use different methods than the ordinary physician. Most of these are original with me, and were devised for just such cases as the ordinary courses of treatment fail to reach.



DR. TAYLOR, The Leading Specialist.

The Scientific Treatment of Weakness

Dosing the system with powerful stimulants and tonics in an effort to restore functional vigor can have but one final result: The condition is rendered worse than before. "Weakness" is merely an indication of a low form of inflammation in the prostate gland, and this inflammation is but aggravated by stimulating remedies that excite temporary activity. I employ the only scientific and fully effective treatment for "weakness," which effects a permanent cure by restoring the prostate gland to a sound and healthy state. I obtain complete results in every case I treat. Interesting literature and a beautifully engraved chart free if you will call.

CONTRACTED DISORDERS—Be sure your cure is thorough. Not one of my patients ever had a relapse after being discharged as cured, and I cure in less time than the ordinary forms of treatment require.

Examination Free

I offer not only FREE consultation and advice, but of every case that comes to me I will make a Careful Examination and Diagnosis without charge. No ailing man should neglect this opportunity to get expert opinion about his trouble.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1 only.

This Is the Age of Progress

Don't deliberately imperil your future. It is all right to put hobbles on a horse when you want him to stay close in, but when you want him to go a distance free and easy you take them off. When you neglect a duty to your health you are voluntarily placing hobbles on your own future and making possible things impossible. The man who turns over in bed for just a few minutes' more slumber after the alarm goes off is the man with tumbled down gates to his farm and a humdrum existence.

The Man Who Does Things

Is the man with the "RIGHT NOW" and the "TODAY HABIT" of doing them.

A man said the other day, "I would have come to you sooner but there are so many quacks and unreliables I have been afraid to try." Of course there are quacks and fakirs in every line of business from Portland, Me., to Portland, Or., and always will be, but because there are counterfeit coins in existence are you never to accept money on any account for fear of fraud?

You don't have to accept the statements of every doctor you go to see. It's strange that men will take so much for granted. If banks did business that way there would be failures every day. Right in this town doctors advertise and talk about "their" wonderful success in Portland when no such doctors are here at all and half their patients don't know the difference.

If you talk with me about your case and I fail to convince you beyond any doubt in your own mind that "I" am the man who writes my own advertisements, and the man you see in consultation, and if I further fail to show our superior facilities, experience and equipment in the treatment of Varicocele, Hydrocele, Vital Weakness, Blood and Skin Diseases, Kidney and Bladder Disorders, Ulcers, Sores, Painful Swelling, Burning, Itching and Inflammation, Nervousness, Loss of Strength and Vitality and all Special and Delicate Disorders of men, I certainly will not have the temerity to expect you to trust me with your case.

Our fees for cures are lower than the general family physician's or surgeon. Medicines furnished from our own laboratory for the convenience and privacy of our patients; from $1.50 to $6.50 a course.

If you cannot call, write for our free self-examination blank. Many cases are cured at home.
