Philadelphia Picture Sale—Values to \$5 Only \$1.00

A great Philadelphia department store drew the greatest crowds ever known in that city to a sale of pictures at \$1.00 similar to this. The real value of these pictures ranged from \$2.50 to \$5.00. We obtained 5000 pictures from the same manufacturer, and will give Portland the greatest framed picture sale that has taken place for many years.

These Framed Pictures appeal to people of cultivated taste, and are far above the class of pictures ordinarily to be had at bargain prices. In size, shape and subject the collection covers any want you can possibly have for any space in any room.

Over 5000 Pictures, embracing a wide range of artistic subjects, treated in various styles, artistically framed in fine quality hardwood frames. Both large and medium size pictures. This sale will make a new era in picture selling in Portland. 5000 pictures, same pictures as in the famous Philadelphia sale—real values \$2.50 to \$5.00, on sale for
