LAND OPENING

State's Greatest Project

There are now on the market several thousand acres of the choicest fertile, and the climate is mild, there lands of Oregon. This land can be filed on in tracts from 40 to 160 acres. The land is free to the settler, but he is required to pay a charge for the water to irrigate the land on each 40 great increase in land values which is larged to come, make this offer of acre tract which is classified as irriga- certain to come, make this offer of ble. This charge is made by the state the state most attractive both to the and represents construction expenses, homesecker and investor.
