Now that we have taken inventory, we're ready to launch the greatest money-saving sale of the season in the city—our Annual After-Inventory Sale. Sharp at 8 o'clock tomorrow morning it begins. Come just as early as you possibly can, and profit by the many opportunities it presents for economical buying. Taking inventory has brought to light many small lots, odds and ends and surpluses that have been overlooked by us in our business and which should have been disposed of long before this time. The prices we've placed upon these goods have been unusually low in order to secure speedy departure.

Involved in this sale are seasonable goods of every character—goods for personal and household use—goods measuring up to the very highest standard of quality and style—all purchased for this season's selling. Every household in this vicinity can profit by this most important sale. In today's advertisement we list a large number of our offerings on this occasion—but there are just as many more unmentioned which are just as attractive to careful buyers awaiting the coming of the biggest crowd of bargain-seekers that this store has ever welcomed. Remember, 8 o'clock is the opening hour.
