

WILLIE'S HOISTER WORKS NOT WISELY BUT TOO WELL

DEAR TOMMY: Business is getting brisk at papa's store, and our Jim has so much cloth to carry up and down stairs that I invented this scheme for him. He was getting on nicely with it, when Mr. Cohen got in the way. I was talking to a salesman when Jim let the hook down and felt it catch on. Mr. Cohen left without buying anything, and papa made Jim take the hook down.

Yours, etc., WILLIE.
