Thanks For Assistance—The officers and members of the Circolo Regina Margherita No. 1, U. A. O. D., desire to return their sincere thanks and expression of appreciation for the assistance given them in their entertainment held on February 14 at Arion hall, for the benefit of the earthquake sufferers of Italy. Thanks are due not only to the resident Italian citizens who aided in the affair, both men and women, but to the American residents in Portland who interested themselves in making the entertainment a success; also to the ladies' committee which had charge of the tickets, and worked faithfully to dispose of them. The result was that $159 was forwarded to the minister of finance, Signor Lacava, to be transferred to the president of the national committee.

Seven eighths of the work put into our tailoring is hand work. Do you realize that the amount of hand work on a garment represents the difference between good tailoring and poor tailoring? Recognizing these facts, we spare no pains to make our clothes what we know they should be. Remember we make the best suit in the city for $25. We give every man a different piece of goods so no one will have a suit like the one you select. Call tomorrow and make your selection while stock is complete. We will hold it for you. Unique Tailoring company, 309 Stark, between Fifth and Sixth streets.

Schmitt Will File Brief—Presiding Judge Gantenbeing yesterday afternoon listened to arguments in the contempt proceedings against G. G. Fight for Right of Way—Trial of the condemnation suit of the Mount Hood Railway & Power company against Minnie S. Clanahan and J. N. Clanahan of Gresham was not finished before Judge Morrow in the circuit court yesterday. The defendants demand $3500 for twenty-two hundredths of an acre of land in Gresham that the company wants for right of way. They assert that the railway should be content with 30 feet for right of way, but the company's officials say that 100 feet is needed, as the company may want to construct four tracks upon it.

Says Sidewalk Needed Repairs—For alleged failure to keep his sidewalk in repair, James A. Wilson has been made the defendant in a suit in the circuit court for $5100 damages. John Anderson, the plaintiff, states that his arm was broken by a fall. His foot struck a projection, he says, and he fell headlong, his hand going through a hole in the walk. The accident took place in front of Mr. Wilson's property at 1033 East Sixteenth street north, Vernon.

It is on the west side, within the city limits, on the Oregon Electric railroad, only 15 minutes' ride from Front and Jefferson streets, and 5-cent car fare. No drawbridges to cross, and now that two of the bridges crossing the river are out of commission, the sale of lots in Capitol Hill is increasing every day. Full size lots, 50x100, selling for $250. PATRIOTIC CLUB WILL HONOR CLEVELAND

The members of the American Patriotic club will be pleased to know that the executive committee, consisting of Judge Wolverton, General Beebe and Colonel Hasen have completed all arrangements for the eighth annual dinner of the club. It will be remembered that the club is nonpartisan and alternates its dinners between the two great parties—one year honoring the memory of some prominent Democrat and the next that of some prominent Republican. The purpose of the club is to keep alive the memories of distinguished citizens who have left their impress upon the country's history.

This year it has been decided to celebrate the birthday of that strongminded president, Grover Cleveland. Mr. Cleveland was born in New Jersey, on March 18, 1837, and his seventy-second anniversary, March 18, 1909, will be held at the Hotel Portland at the next annual dinner.

There will be five speakers to respond to toasts appropriate to the occasion and the same high standard of excellence will prevail. Judge Wolverton, the president of the club, will be the toastmaster.

LA FAYETTE
The Very Latest Pattern in Solid Silver

LA FAYETTE pattern, copied from the old colonial silver, is surely one of the very swellest patterns ever shown. It is perfectly plain, and after being engraved with a single Old English letter makes one of the richest pieces of silver you could buy.

Our Plated Ware

Our Knives, Forks, Spoons, etc., in plated ware are made especially for us and each piece is stamped with our name (Jaeger Bros.) An extra plating is put on all of these goods and will wear much longer than the so-called plated ware handled by most jewelers.

It Comes in Two Qualities

½ doz. Knives, $1.75 to $2.50.
½ doz. Forks, $1.75 to $2.50.
½ doz. Tea Spoons, $1 to $2.25.
½ doz. Dessert Spoons, $1.50 to $3.25.
½ doz. Table Spoons, $1.75 to $3.50.
