

LOMBARD SEEKS UP TO DEFEND FOREIGN POST COAST PRODUCTS

Fiddler in Youth, Then Financier—Wants Ambassadorship.

Washington, March 18.—One of the most unique and interesting persons among the thousands who have drifted into Washington with the change of administration is Louis Lombard, whom a writer once described as a real, live, unmanufactured human. Mr. Lombard wants to go as ambassador to Spain, China, or some other important mission, and hopes the president will see his way clear to give him the appointments.

The life story of Louis Lombard reads like a far-fetched romance. Born in France about 48 years ago, he came to the United States at the age of 14, a penniless orphan. Today he is reputed to be worth at least \$400,000.

When he landed a penniless youth at Castle Garden he had nothing but his fiddle. He went to Erie, Pa., where he secured an acquaintance, and got a position as violinist in an orchestra. In a few years he organized the Utica Conservatory of Music and Languages. His assistance made it a success. Then he decided to study law, and in the course of time he graduated with high honors from the law school of Columbia university.

Mr. Lombard is passionately fond of music. He has a private opera house in his palace in Switzerland, and he has an orchestra that he maintains there the year round. And there is good reason why he should love music, for it was his fiddle, as he fondly calls it, that laid the foundation for his fortune.

When he landed a penniless youth at Castle Garden he had nothing but his fiddle. He went to Erie, Pa., where he secured an acquaintance, and got a position as violinist in an orchestra.

Beat the Wall Street Game. Mr. Lombard showed that, musician and dreamer though he might be, he was able to cope successfully with the hard-headed financiers of Wall street.

With his fortune made he proceeded to indulge his love for music, literature, painting and travel. He traveled the world over, and as the courtier mastered the lower languages. He has written several successful books and has composed three comic operas. And now he would like to round out his marvelous career by becoming the representative of his adopted country at some foreign court.

New York, March 18.—Attorneys for Signora Elisa De Gorgora are preparing the papers requisite for obtaining for her \$300 a month alimony and \$500 counsel fees from her husband, Emilio De Gorgora, the baritone singer, in accordance with a supreme court order yesterday. De Gorgora is now with Miss Emma Gagne on tour, but will soon be apprised officially of the court's ruling.

LETTER TO PARENTS THEN TAKES LIFE

(Special Dispatch to The Journal.) Eugene, Or., March 18.—Mark D. Rolfe, the Eugene youth who, it is believed, committed suicide in the Union hotel at New York last Saturday, was on his way to Europe. He left Eugene a month ago and went to Portland, and from there went to San Francisco, thence to New York. His father, E. S. Rolfe, received several letters from him. One was written a day or two before he ended his life. In that letter he spoke of his intentions of taking passage on a steamship for Europe.

BACK TO PRISON BUT PARDONED

Indiana Convict Escapes; Joins Salvation Army; Conscience Goads.

(United Press Leased Wire.) Laporte, Ind., March 18.—Because he returned to the Indiana state penitentiary to serve the remainder of his sentence after he had escaped from prison, Thomas McCarthy is a free man today. He was pardoned yesterday afternoon by the governor and released by the prison warden. McCarthy had been serving a sentence for robbery when the opportunity came to escape. He eluded detectives sent after him

and reached Seattle, where, after becoming a member of the Salvation Army and attaining the rank of captain, he was stricken with contrition and confessed he was wanted in Indiana.

Matrimonial Bunco Alleged.

(United Press Leased Wire.) Tacoma, Wash., March 18.—The sheriff of San Jose, Cal., is on his way to Tacoma with requisition papers for Frank Maddo, an Italian, 36 years old, who was captured here last night by Detectives D. O. Smith, Milone and Ashby, on advice from the California authorities. Maddo is said to have extorted \$300 from an Italian girl in California and \$100 from her brother on the promise that he would marry the girl. Later, it is claimed, Maddo slipped away and married a German girl named Olga Kratt. He was arrested in company with his wife at their rooms, near South Twentieth and K streets.

Delegations Will Cooperate to Resist Lowering of Tariffs.

(United Press Leased Wire.) Washington, March 18.—Senators Bourne and Chamberlain were conferring this afternoon regarding the tariff schedule affecting Oregon. Both refused to make a statement yesterday, but had time to examine the bill thoroughly. It is understood from the best sources that the Oregon and Washington delegations will combine to secure the old duties on wool, hides, lumber and coal. An effort will be made to effect a compromise with the delegations from California and other states to bring about this object.

CHAS. J. POWELL IS "NOT GUILTY"

Unwritten Law Acquits Linn Farmer Who Shot for Daughter's Sake.

(Special Dispatch to The Journal.) Albany, N. Y., March 18.—There was the verdict of the jury last night in the case of Charles J. Powell, charged with murder in the first degree. He stands acquitted on the grounds of justifiable homicide, for the killing of Homer Roper, near Brownsville on January 28.

The "unwritten law" entered quite largely into the trial and was presented as one of the rights of an American to protect his family.

The case went to the jury at 3:45 yesterday afternoon and at 6 the jury announced a verdict of acquittal. The large crowd had gone home and there were only a few persons in the courtroom to see the dramatic case of the most sensational in Linn county in years.

NEW VATICAN ART GALLERY OPENED

Rome, March 18.—The diplomats, the princes of the churches and the Roman aristocracy turned out in full force today to attend the formal opening and inauguration of the new picture gallery of the Vatican. The gallery occupies seven beautiful halls running along the right side of the Cortile de Belvedere, between the famous Vatican library which was built in 1588, when Sixtus V was pope. The entrance is by magnificent glass doors at the bottom of the staircase to the Sala a Croce Greca, and above is a golden inscription stating that the installation of the new gallery is due to the initiative of the present pope.

The new gallery embraces no fewer than 200 canvases displayed in seven halls. This is in addition to the 60 pictures contained in the old Vatican gallery. The additional pictures were brought from the Lateran palace and the private apartments of the Vatican.

The first hall contains a unique collection of Byzantine pictures, the second is given over to the Tuscan school; the third contains examples of the Umbrian school; the fourth is devoted to the collection, Raphael's "Transfiguration," which hangs alone on the main wall; the fifth hall is given over to the Venetian school, headed by Titian; the sixth to examples of the sixteenth century, and the seventh to pictures by famous foreign artists.

HEAVY IMMIGRATION EXPECTED IN LAKE

(Special Dispatch to The Journal.) Lakeview, Or., March 18.—The Rinehart Auto Line, with E. E. Rinehart as proprietor, has been established between here and Alturas, the northern terminus of the N. C. railroad. To meet the incoming wave of immigration three trips will be made in the week, though the auto line is hardly expected to be adequate to handle the large number of new settlers to locate on the public lands, and those of the Oregon Valley Land company.

The prospects for a railroad to cover this line now are good. Since the Southern Pacific company has bought the N. C. O. railroad, it is expected that a standard gauge will soon be substituted for the narrow gauge cross-ties to Alturas, and that the line will be completed northward to Lakeview. A crew of surveyors is now at work between here and Alturas.

OKLAHOMA SUFFRAGE LAW CONTAINS JOKER

(Special Dispatch to The Journal.) Guthrie, Ok., March 18.—There is a new made law affecting the voting of women is revealed. It is claimed by politicians that the new law will vote in Oklahoma at the next election.

The barrier interposed by a wily man politician in an act providing that women who wish to exercise their new privilege shall register their age, color of their hair and eyes and the political doctrine they follow.

The women declare the law is a deliberate attempt to block suffrage, and that they will fight until it is repealed.

R. & N. payday in Pendleton, and between \$15,000 and \$20,000 was paid out to the employees of the road in this city and vicinity. There are usually close to 200 men who draw their pay for services rendered through the local office, but this month there were some extra men employed, bringing the total to more than 300.
