Light Company to Start Work.

(Special Dispatch to The Journal.)

Klamath Falls, Or., March 29.—The city council has granted franchises to the light and water company, after considerable delay, and the reconstruction of the present light and water system will start at once. Over 5000 feet of new water mains will be laid, and 60 new, modern hydrants, installed. Extensive work in the new additions and depot grounds will also be made.

The systems will be made equal to that of a large city, and will mean the employment of a large force in Klamath Falls all summer.
