

RING FIELD SPORTING NEWS OF THE WORLD TRACK DIAMOND

TREMBLAY IS DUE IN CITY TONIGHT

World's Champion Match Thursday Night First Ever Held in West.

Eugene Tremblay, lightweight champion wrestler of the world and holder of the Police Gazette belt, and his manager, George Kennedy, are expected to arrive at 8:50 tonight from Chicago for Tremblay's world championship match with Eddie O'Connell in Exposition rink Thursday night.

Tremblay is in better condition right now than he ever was before. He is weighing more than at any time in his life, which will give him an extra foot of reach over O'Connell.

Interest at Fever Heat. Interest in the great bout is at fever heat. This is due to the fact that it is the first time in the history of the wrestling game in America that two recognized champions have met on the mat west of Kansas City.

Tremblay is the trimmest little wrestler that ever came to this neck of the woods. He is built from the ground up, is lightning fast and an expert foot-kicker.

Although both men wrestled the length of the Atlantic seaboard, neither has ever seen the other, either on or off the mat. Manager Kennedy, who by the way is one of the biggest handlers of wrestlers in the country, managing Lundin, the Swedish champion, Fred Bell and Raoul de Rouen, the French wonder, is bringing along his bankroll to spread on Tremblay's chances.

Preliminary Will Be Fast. The preliminary will be between Fred Abernathy, the crack little 128 pound wrestler, and Walter Arndt, a 138 pound man from the Hayes Valley Athletic club of California.

Arrangements have been made to provide more and better seating accommodations than at any match of the year. The seats are on sale at the usual places and prices. The preliminary for the big match will start promptly at 8:30 o'clock and the main event will be called immediately upon its conclusion.

Now Isn't Edward Meanest Thing

Isn't Eddie O'Connell the mean old thing? When just about four fifths of the youthful athletes of the city were getting their hair to stand in vertical lines, the fashion plate concluded to change. All the hair-washing youth and some who confess to their manliness, have been trying to pattern after Eddie. Eddie had a delightful pompadour cut to his locks. He even puts the famous James J. Corbett to shame. The boys copied it. The hair-berbers swore under their breaths. Hair-bleached athletes in the M. A. C. by actual count had their hair cut pompadour.

Now Eddie has decided to switch his hair-cut and has commenced to brush it back. While it still resembles the historic pompadour, it will not for long. Cartoonist Seed has an idea of how O'Connell will appear next Thursday night when he meets Tremblay.

PLAN TO BOYCOTT IF OLSON GAINED

Portland Fans Offer \$100 Each to Fund for Band Hire.

Let President Ewing of the Pacific Coast league suspend Shortstop Olson for the alleged spiking of Captain Dillon of the Los Angeles team, and the Harry Hirtlings will be treated to the warmest reception they ever had when they open up here April 20.

When level-headed, conservative business men numbered among the loyal fans, declare they will donate \$100 each to a fund to employ a band to divert attention from the ball grounds when Los Angeles comes here.

Lincoln has the best team in many years and will make a lively bid for the cup which is in Columbia's possession. They intend to spring a surprise in the shape of an erstwhile twirler, who will make Columbia jump.

There seems to be some confusion in the identity of the Troch, who is making such a favorable impression in the catching department of Manager Casey's Northwest league team.

Two years ago Troch played with Oshkosh in the Illinois-Wisconsin league and last year played independent ball through the Dakotas.

McArdle was the first player to draw a fine in the league, and McGreevy, the new umpire from the Three-I, was the man who slapped it on him.

This from the San Francisco Bulletin: "To listen to some of the Portland writers one would conclude that Kid Mohler was the only crab in the Pacific Coast league."

FAIR NOVELIST BUYS BLOODED RACE FILLIES

San Francisco, April 6.—Mrs. Richard Walton Tully, (Eleanor Gates) novelist and writer of fiction, today purchased at the Emeryville track several high-bred fillies, which she will ship to the breeding farm recently established by her at Alma, Santa Clara county.

The mares, which were purchased at bargain prices, will be mated with the collection of Arabian stallions which Mrs. Tully brought from the east a short time ago.

The new additions to Mrs. Tully's stables include the fillies Tourist Belle and Penetrator, each two years old, Expectant, by Blagovann-Hoffnung, and the 2-year-old fillies Jungle Queen and Bessie. They are to be shipped to Alma immediately.

COLUMBIA NINE MEETS WEST SIDE TOMORROW

The first game of the intercollegiate series will be played tomorrow between Columbia and Lincoln high. Both teams have been practicing every evening for a month and are in fine condition, each showing the effects of good coaching.

Columbia, by defeating Multnomah last Saturday, showed that she has a strong team. The staff of four pitchers is reliable. Kirk, one of them, is out of the game on account of injuries received in practice.

Lincoln has the best team in many years and will make a lively bid for the cup which is in Columbia's possession. They intend to spring a surprise in the shape of an erstwhile twirler, who will make Columbia jump.

Admission, 25 cents. Tickets for sale at the field.

FAST WRESTLER

RIVAL RACERS San Diego, Cal., May Be the Mecca of Western Track Followers.

A race meeting next winter at Tia Juana, Mexico, opposite the city of San Diego, is now an assured thing. The other afternoon a tract of land comprising 422 acres was formally transferred from the owner to the Tia Juana Jockey club and the payment made outright.

The Tia Juana Jockey club has been registered and incorporated at the City of Mexico and is mainly made up of San Diego capitalists. It is proposed to build a mile and a half course with at least two chutes. In a general way, it is proposed to duplicate the plant at Santa Anita park.

A nine year concession for betting has been secured, and most important of all, the railroad interests which held the key to rapid transportation between Tia Juana and San Diego have taken stock and are now actually at work on the project.

No stock is for sale at present, an early circuitous trip to the coast on one stop to consider that with a failure to continue racing in California next winter capitalists are not very prone to sink their money in what they concede is a dead thing at present.

From an official source comes a statement to the effect that yet another track will be built in the immediate neighborhood of San Diego, and if present plans are carried out the Tia Juana line into Mexico. It is positively announced that the trip from the center of San Diego to the Tia Juana course will not exceed 15 minutes.

Charles Kinchen Sitton, prominent in life insurance circles of this city and an ardent Democrat, died last night at his home, 200 Twentieth street north, after a very brief illness.

Mr. Sitton was apparently in perfect health until Sunday night, when he had a hemorrhage. Another attack of the same nature followed and his physician ordered him to bed, expecting a few days' rest to result in recovery.

Before the last seizure Mr. Sitton talked over all his affairs with his wife and friends and made arrangements for his funeral. His mother died in the same week just 27 years ago to the day, and Mr. Sitton held to the belief that his own death would be as sudden.

Mr. Sitton was born in 1858 on the farm in Lincoln county, Missouri, where his father, Judge Lawrence B. Sitton, was also born. In 1882 he graduated at the head of his class from the state university of Missouri at Columbia, and for four years held the chair of mathematics and of English at Toxanet college, St. Louis.

Two sisters also survive, both living in Missouri. Mrs. E. R. Williamson of Hannibal and Mrs. John W. Campbell of St. Louis. A nephew, E. E. Campbell of St. Louis, is expected to attend the funeral in this city and final arrangements will not be made until his arrival.

Mr. Sitton had lived in this city six years, coming here as superintendent of the State Life Insurance company of Indiana. He was later connected with the DeWitt-Renton Clay & Coal company, and also retained a life insurance business. Mr. Sitton was an ardent Bryan man and took an active part in Democratic politics.

He was a man of magnetic personality and made many staunch friends during his residence here. The funeral will probably be held Sunday at 1:30 p. m. from Finley's undertaking chapel.

SEVENTEEN-YEAR-OLD BOY JOINS LONG HIKE

Youngstown, O., April 6.—Ralph Stewart, 17 years of age, of Johnstown, Pa., joined Edward Payson Weston last night at Tod House and announced his intention to accompany the veteran pedestrian on his long walk to California.

The lad had but \$5 in his pocket upon his arrival in this city. He said that he wished to take the long tramp in order to benefit his health. A collection was taken here to raise funds to defray his expenses and letters were written addressed to persons along the route which he will travel.

Weston and his new companion set out from this city this morning and will endeavor to reach Canton, a distance of 53 miles, before tonight.

McFARLAND AND MORAN WILL TOUR CONTINENT

Berlin, April 6.—Floyd McFarland and Jim Moran, winners of the six-day bicycle race of last week, will tour the continent, giving exhibitions in all the larger cities. Their victory has made them a big drawing card, and the race came easier than in any such race that either had before participated in.

Their distance was 2,426 miles, 615 miles less than that made in recent New York races, also won by this pair. St. Olaf was the first of the pair to win a second. The crown prince was an enthusiastic spectator at the finish of the race.

CRACK AMERICAN NAGS IN ENGLAND'S RACING

London, April 6.—American horses will take a prominent place on the English turf this season. "Flat" racing has begun at Lincoln, and will last eight months in the anti-track legislation in the United States. The English American stables are here in greater force than ever before, although English horsemen themselves accuse us of dragging down the prizes on the island.

Among the American horses are Ballott, Maskette and the unbeaten Cora, all from the stables of J. R. Keene; Hazy, Sir Martin, August Belmont's Priscillian and Fairplay; E. F. Whitney's Dinna Ken II and Delirium.

WRESTLING TRYOUTS NEXT MONDAY NIGHT

The tryouts for the wrestling team which will meet Salt Lake, Monday, April 13, will be held the coming Monday night in the club gym. All the candidates will be given a trial in the various classes. Quite a rivalry has sprung up between several members in the club and the members ought to prove unusually exciting.

Ladies will be admitted to the club and friends of the members here are also invited to be present. There will be no charge for admission.

Kid Ped Quits Job. (United Press Leased Wire.) Canton, Ohio, April 6.—Ralph Stewart, the 17-year-old lad who joined Edward Payson Weston, the veteran pedestrian, on his long walk to California, yesterday, quit at Salem in the afternoon, after having gone 30 miles. The pace was too fast.

Weston today started for Woonsocket, 31 miles away. He appeared to be in excellent condition and was as enthusiastic as on the day when he first hit the tarpaper.

CALHOUN TIES UP SEIZED PAPERS

Obtains Writs of Prohibition to Prevent Action by Judge Deasy.

(United Press Leased Wire.) San Francisco, April 6.—Having obtained alternative writs of prohibition against Police Judge Daniel C. Deasy, restraining him from determining the ownership of making any disposition of the papers seized by the police and Burns' men in the recent raid on the United Railroads office, Patrick Calhoun's lawyers have for the time being tied up the hearing of the charges against those men who are accused of having stolen these documents from the office of the district attorney and Detective Burns.

The writ was issued yesterday by Acting Judge Judge Van Nostrand, and was made returnable before Judge Seawall on Friday morning. The petitioners' attorneys have for the time being tied up the hearing of the charges against those men who are accused of having stolen these documents from the office of the district attorney and Detective Burns.
