Injured by Explosion—Colonel James Jackson, a retired officer of the United States army, suffered an accident Saturday evening which resulted in a severe scalp wound and numerous burns. Colonel Jackson was alone in the basement of his home and struck a match, intending to light the gas water heater, without noticing that the reservoir was filled with gas. The resulting explosion threw the doors from the heater and the flying iron struck him on the head, inflicting a painful but not a dangerous wound. When Dr. Hicks C. Fenton, who was called to attend him, reached the house, he found the colonel was standing at the kitchen sink attempting to stanch the flow of blood. Dr. Fenton says the patient is resting easily and that he has no apprehension of complications.

Brice Recovers Stolen Automobile—A thief with a strong liking for automobile rides seems to have a partiality for the autos of George F. Brice, an attorney in the Corbett building. This afternoon a Buick roadster was taken from Fourteenth and Washington streets last evening while Mr. Brice and his wife were in the car. The car was reported to the police station at once, but it was not until this morning before it was found. The loss of the car was reported to the police station at once, but it was not until this morning before it was found. The loss of the car was reported to the police station at once, but it was not until this morning before it was found.

Copies Ways of Wicked Whites—Sam Hing, a gray haired Chinese with keen eyes and a persuasive tongue, was sentenced to 30 days in jail today by Judge Van Zante. He is the first Chinaman to be charged with defrauding white men for a long time, but according to the stories told Detective Hellyer and Stoney, who arrested him, the white Oriental is well up in the arts of the bunco man. His plan was to order a contractor to do some excavating, saying that it would bring him good luck, Sam put up a strong plea to the court, but the evidence was against him and his appearance scarcely substantiated his plea that he knew not the ways of the white man's law.

Sympathize With Peons—Resolutions have been adopted by the First Spiritualist society condemning the republic of Mexico and the United States government for holding members of the Mexican Liberal party in American prisons, condemning the Mexican government for the persecution of these men, extending its sympathy to the oppressed peons of Mexico and demanding an immediate and just trial for the leaders of the Liberal party. The resolutions also state that the society will use its best efforts to help free the peons of Mexico.

Aspired to be Cracksmen—Two boys, according to the detectives, followed the lead of Allen Shanon, a boy who was recently sent to the reform school for participating in several robberies of stores in the city, were brought back from Tacoma last evening by Detective Coleman and were today turned over to the juvenile court. They were Edward Richards, aged 16, and Floyd Fessler, aged 17 years. They say they were inspired to burglary by reading Horning's stories of Raffles, the amateur cracksmen.

Women's Alliance—The Women's alliance of the First Unitarian church at the literary meeting tomorrow at 8 o'clock will have as a highly interesting feature of the program an address by Dr. J. R. Wilson of Portland academy, subject, "The World's Peace Movement." Several musical numbers and light refreshments at the close of the program complete an afternoon to which all are welcome. At the chapel on Seventh street.

Youth Dies of Heart Failure—Novak Lusana, an Austrian 19 years old, died apparently of heart failure in his room in a lodging house at 33 1/2 North Second street last night. He had been going from one saloon to another, but had not been drinking excessively, his companions said. At 11 o'clock he was found dead. The body was removed to the Dunning morgue.

Sue for Cargo Damage—A ship in the water is proper, but water in a ship does harm. The damage done 100 bales of Calcutta grain bags, valued at \$4500, forms the basis for a suit commenced in federal court this morning by H. M. Newhall & Co., against the steamship

EMIL SCULZ IS NOW
SAVINGS CONTEST LEADER

Dark Horse Makes Sudden Leap Into Prominence in The Journal's Competition — Will Raser Makes a Jump From Fourth to Second Place—Surprises in Store.

Oregon boys and girls are becoming thoroughly aroused over The Journal's savings contest. Scores are increasing in size by leaps and bounds. The liberality of the prizes offered has given the contest an unparalleled attractiveness. One boy and one girl in Oregon will receive the first prizes of \$75 each. The next two highest boys and the next two highest girls will receive \$25 each; the next four highest girls and four highest boys will receive \$10 to \$15, and any one of them is worth the best efforts of all the boys and girls in the state.

There seems to be an impression that those who for any reason fail to win cash prizes in the savings contest will be charged with their pains. For this reason it is well to read carefully that part of the announcement offering 15 per cent cash commission on two or more paid in advance.

The contest, which opened March 10, closes May 31 at midnight. The Journal herewith presents the second score in the contest.
