Complete New Line of Leopold Sanitary Desks

"Leopold" Desks are always to be relied upon where quality and the most up-to-date construction is desired. The new line of Leopold Desks meets every demand for the popular and practical style known as the "Sanitary." All improvements suggested through experience are strongly featured in "Leopold" construction. These desks are all fitted with the new center drawer guides and hollow drawer sides, which insure free, smooth-running drawers, and all drawer bottoms are framed into the sides and ends. Pedestals are bolted together, a feature that insures rigidity to the entire desk. In the new "Leopold" Sanitary line we are showing the Roll-Top, Flat-Top and Typewriter Desks, in the golden oak and in the practical egg-shell finish. Sanitary Roll-Top Desks from **\$36.00** up.

THE NEW McDOUGALL KITCHEN CABINETS

The line of McDougall Cabinets is one that sets itself apart from all others. The equipment and arrangement of the several styles of these modern pieces are complete in meeting the needs of all kitchens. The new cabinets, known as the "McDougall Specials," are made of oak, and are constructed with an idea to symmetry, convenience, and durability. All are equipped with a full sliding table top, which enlarges the working surface almost one half. Other new features shown in these cabinets are the sifter flour bin, the glass spice and cereal jars, the white enamel-lined cupboards, the cottage casement doors, the metal bottom meal drawer, and many others. To see these cabinets is to be convinced of their completeness and convenience. We are showing a number of the new "McDougall Specials."
