

WILLIE'S CLEVER CULTIVATOR COVERS PAPA WITH DIRT

DEAR TOMMY—There's so many flower beds around our place that I figured out a scheme like this drawing to help the gardener. Pat and I were getting along nicely when Papa showed up and insisted on running the automobile. Of course, he had to put on full speed and that spoiled the whole thing. Yours, etc., WILLIE.

NAUGHTY NED, THE BOY WHO COULDN'T BE BAD
