Little Edgar Frank Shows Three Scorching Hits in Last Great Class and Gets Only Falls.

coast champion, getting the only falls of the evening.

With the exception of Frank's bout, the men were quite evenly matched and aggressiveness counted for the victories. Edgar Frank is a wender, and there is no denying the fact. What he did to Miller, the 125 pound champion of the Rocky Mountain region, is too sad to chronicle. Frank won the first fall in five minutes, and the second in a minutes and 87 seconds.

In the first bout Frank was unaware of the caliber of his opponent, since he came highly touted. He snapped several different kinds of hold on him, and finally won with a head scissors. In the second fall he toyed with Miller, First he used the toe hold, but let it go when it was punishing Miller too much Then he "exhibited" with Miller, snapping on every sort of a hold, half. Nelsons, body scissors, leg Nelsons, grapevines, crotch holds, and finally ending the match with an easy arm lock and roil.

As expressed in these columns before

the match with an easy arm lock and roll.

As expressed in these columns before it is doubtful if there is any amateur in the world at 125 pounds that can stand up before Frank. Frank is a miniature O'Conneil, and his improvement since the welterweight champion took him in charge is remarkable. His work savors far more of the professional than of the amateur, and he should be given a chance at the featherweight amateur champion shortly.

Edwin Mills won the decision in both falls from Fred Crabbe of Salt Lake. In the first fall it was necessary to go five minutes longer than the prescribed 15 minutes before Referes Acton could give a decision. Mills came very near getting his opponent's shoulders to the mat several times. He worked hard, and was almost exhausted when time was called.

E. D. Smith of Multnomah won straight bouts from C. P. Evans of Salt Lake on decisions for aggressiveness. The second bout was the batter of the two, and Smith secured the decision for remaining on top throughout the 15 minutes.

William Dennis secured two decisions

minutes.

William Dennis secured two decisions and the bout over Dell Judd of Salt Lake. Dennis was rushing his opponent all the time. Several times he fastened bad holds on Judd, but the latter always shifted out of them.

The Salt Lake boys received much encouragement from the crowd. They will wrestle in Spokane and Seattle before returning to Salt Lake.

## TROUTDALE TOSSERS ARE WINNERS AGAIN

(Special Dispatch to The Journal.)
Cleone, Or., April 20.—The Troutdale
ball tossers, on their home grounds, won
a second consecutive victory from the
Gresham team Sunday, by a score of 4
to 3, the same as that made a week ago
in a 10 inning game against the Gresham
aggregation. The game was characterized throughout by few errors and good
pitching on both sides. Meili, twirling
for Troutdale, allowed but four hits,
and Johnny Townsend for Gresham did
almost as well.
Batterles—Troutdale, Meili and McKinly; Gresham. Townsend and Hamilin.
The Troutdale baseball club has
elected the following officers: Captain,
Will Eaton; manager, Dan Mickly; secretary and treasurer, Claude Heslin.

## CORVALLIS AND DALLAS BREAK EVEN AT GAMES

(Special Dispatch to The Journal.)
Corvallis, Or., April 20.—The Corvallis baseball team broke even in two fast games played with the Dallas team Saturday and Sunday. Both games were hard fought and exciting. The score Saturday was 5 to 3 in favor of Corvallis and on Sunday was 2 to 1 in favor of Dallas. Swan of Corvallis was the star in both games. This is the first defeat the Dallas team has met this year. The batteries were: Saturday, Boise and Myers for Dallas, and Freeman and Cooper for Corvallis; Sunday, Sherchain and Myers for Dallas, and Reed and Cooper for Corvallis.

## ALBANY FANS TO GET BASEBALL ON SUNDAY

Albany, Or., April 20.—The Alco base-ball team of this city defeated the Jefferson club in that city yesterday in a close game by the score of 4 to 2. The game was close throughout and hard fought. The batteries were: Stevens and Patterson for the Alcos, and Looney and Phillips for Jefferson.

The management of the Alco club has secured the old Rambier park in the southern part of the city, and is putting it in first class shape for the season. Several games with teams from nearby towns are scheduled, and Albany fans will be given Sunday baseball.

Next Sunday a game will be played with the Scio nine.

# Play Thirteen Innings.

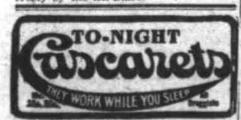

Play Thirteen Innings.

(Special Dispatch to The Journal.)

Springfield, Or., April 20.—Springfield today defeated the Coburg team in a thirteen-inning game by a score of 5 to 4. If was one of the most exciting games ever played on the local grounds. Nicolson, the Coburg pitcher, did great credit to himself, as did Rankin, the Springfield pitcher. Next Monday the Halsey and Springfield teams will meet on the local grounds to entertain the visitors at the I. O. O. F. celebration, which will be held here April 26.

## All-Stars Winners.

The All-Stars of South Portland defeated Mut's team by a close score of 5 to 8 yesterday. Mut's team held the lead until the ninth inning, when the All-Stars started a batting raily and scored three runs. Hillerd was batted out of the bex in the second inning and was replaced by Kennedy, who was hit freely by the All-Stars.

Inning Give Seattle an Exciting Game.

Every bout in the Salt Lake Y. M. C.

A.-Multnomah wrestling match last night in the club "gym" went to the "Winged M" athletes, Edgar Frank, the coast champlon, getting the only falls of the evening.

With the exception of Frank's bout the men were quite evenly matched and aggressiveness counted for the victories. Edgar Frank is a wonder, and there is Edgar Frank is a wonder, and there is were three snorts and the jig was up.

It was a ninth inning batting rally that won the third game for Dugdale's hirelings, and the famous Minnesota drop kloker, Capron, was the man who turned the trick with the winning run.

furned the trick with the winning run.

Fortland made it three over in the third and Seattle put a pair across in the fifth. Fortland apparently clinched the game in the ninth, when one score was sent over, but Scattle's three dashed their hopes.

Briefly this is how it happened: Fortler was given life at first. Crocker, who batted for Rush, connected for a two bagger, Aikin's line drive into left field scored the pair. Capron's double scored Aikin, making the third in the inning.

## BRADOVITCH FOUND GUILTY, 2D DEGREE

Wallace, Idaho, April 20 .- After being out more than two hours, the jury in the Bradovitch murder trial returned a verdict of murder in the second degree at 11 o'clock last night.

It was a compromise verdict, the first ballot standing eight for first degree murder, two for acquittal and two for second degree murder. There were six ballots. John Wourms, attorney for the defense, gave notice of appeal.

Great Ore Bin Collapses.

Great Ore Bin Collapses.

Coram, Cal., April 20.—An ore bin at the Balaklala Consolidated Copper company's mine collapsed yesterday. The damage wil be \$50,000. The machinery operates a total loss, the amount of the damage being impossible to estimate. The ore bin first caved in, and while a large force of men was at work clearing away the debris the sampling mill, which was supported partly by the bin, toppled over. No one was injured. At the time of the accident the ore bin contained 500,000 tons of ore. The weight of this great mass is believed to have caused the collapse.

Retired Champion Will Make His Announcement From the Stage Tonight.

(Special Dispatch to The Journal.) New York, April 20.-Jim Jeffries has said it at last. He's going to fight again-Jack Johnson or anybody else, who has the nerve to meet him!

He will make the announcement tonight in regulation official form and all

night in regulation official form and all those who have been talking so boisterously of what they would do if they had a chance at him will have an opportunity to make good.

"Immediately after the exhibition tonight I will announce to the audience that I have decided to reenter the ring and defend my title to the heavyweight championship against any man," said Jeffries today.

"If Jack Johnson is fortunate enough to beat Ketchel in October I will meet him before any club offering the most money. I have come to the conclusion that I can get back into my previous form and this is responsible for my making this statement.

Ready in Ten Months.

Ready in Ten Months. "I will be ready to fight in 10 months

or a year." Various clubs are expected to begin bidding at once for the first Jeffries

bidding at once for the first Jeffries fight and it is probable that the competition will be lively. Continuing, Jeffries said:

"Since I left the coast I have been indulging in light exercise to get my wind back. I have been surprised at the ease with which I have gone through the paces. I dropped 20 pounds and have replaced the weight with substantial muscles.

"My old speed and strength are returning and I feel so good that I have decided I might as well declare myself now as at any time.

"I expect to go easy on the training until a couple of months before the fight. I will keep steadily at the line off work that strengthens my wind. That's what I need most.

"I still have the punch and all that goes with it, but I intend also to have the wind and all that can be desired, so that my friends will have nothing to fear as to the result."

At the close of his present theatrical engagement, Jeff will go on a lengthy hunting trip, which is his favorite method of training.

In the larger institutions of the east, especially the outdoor clinic of St. John's hospital, St. Louis, I have for years devoted much time and study devising the best, safest and most successful method of curing VARICOCELE, and have been rewarded with complete mastery over this most distressing ailment of men. My plan does not involve a single objectionable feature. There is no going to bed, no taking of chloroform or ether, no pain, and positively no bad results. The patient can resume any kind of hard work after one week and is not required to stay in his room even a day. The organs are immediately relieved of the work of the patient of the stay in his room even a day. diately relieved of tax, a normal circulation of blood goes to the vital organs as was intended before the varicose veins appropriated the supply, and the patient is at once restored to a condition of health, snap and vitality, permanent and complete. Is it not about time you were looking at the logical, practical and plain fact side of this matter? If you have not yet received a cure of your varicocele come to metand let us talk it over. This will cost you nothing and will be helpful to you.

REVIVED TO STRENGTH, HEALTH, VIGOROUS MAN-HOOD AND BROUGHT BACK TO THEIR "OLD SELF," OR INVIGORATED AND DEVELOPED TO WHAT CON-STITUTES A "REAL MAN." There is not a man in existence who is troubled with Weakness that we cannot rebuild and strengthen, and after we have cured a case of this kind there will never again be a sign of Weakness, except brought on by imprudence.

Nervous Decline, Debility, Failing Power, Male Weakness, and many other familiar terms are used to designate the one condition of an endless number of young and middle-aged men who are nervous wrecks and invariably affected with the same symptoms originating from a source brought about by such a train of evils as youthful errors, resulting in undevelopment. Pelvic and Private Diseases, which wreck the nervous and manly systems and impair both body and brain. The man who has disregarded health by folly and later over-indulgence, excesses and use of alcoholic liquors, continued exposure, or even close confinement, over4work and worry, may have one or more of such detrimental symptoms as Loss in Urine or at night, Poor Memory, Drains, Nervousness, Restless at Night, no Physical Endurance, Noticed by Shortness of Breath and Exhaustion during ordinary exercises, Weak, Aching Back and many other like indications of failing health and weakness.

Our method is a thorough and scientific course of treatment which acts at once upon the nerve forces, stopping the drains of vigor, vital loss either night or day, all the bad effects of indiscretion, and replacing the worn-out and run-down tissues. It Not a Dollar Need Be Paid Until Cured

increases the weight with sound, healthy flesh and muscles that give strength; and fills the brain and nerves with fresh vitality, building up the entire system and transforming the sufferer into a type of complete manhood. Of the many "weaklings" who come to us with sunken eyes, weight greatly reduced from loss of flesh and muscle, and drains upon the system. Of the many "weaklings" who come to presenting the appearance of a man with one foot in the grave, we find no trouble in curing them, and when they leave our care they go on their journey of life full of hopes for a bright future.

Drugs don't cure stomach troubles. They will give temporary relief, but that kind of relief isn't what you want.

There's a cause for every allment, and no permanent cure can be made until the cause is removed.

Stomach trouble, no matter what kind, is due to inactivity, lack of force. Your stomach is weak—it has been abused or overworked until it hasn't enough energy to perform its regular functions. As a result it is clogged up with poisonous matter; the food sours before it can be digested; gases arise, causing bloating and heart pains. All that is needed to effect a cure is enough strength and energy to enable the stomach to do its work properly. Drugs don't give that. They tear down, instead of building up strength.

A gentle current of electricity

down, instead of building up strength.

A gentle current of electricity from Electro-Vigor infused into the weak, lifeless stomach for a few hours every night while you sleep will restore its sirength and activity. Electricity is life itself, and where there is plenty of this force weakness and disease can not exist.

Electro-Vigor is the most modern, up-to-date appliance for electrifying the human body. It is not like electric belts, faradic batteries and other contrivances you may have seen or used. Electro-Vigor gives the current direct to the alling part, without the least shock or burn. There is no charging to do, as Electro-Vigor generates its own power.
