A Rare Bargain This

**AVERELL WANTS ARTOT'S MONEY**

Going After It, He Digs Up
Episode in Mother's
Past.

(United Press Leased Wire.)

San Francisco, May 6.—Demanding a portion of the \$25,000 estate of the late August Artot, one of the most famous French chefs of old San Francisco, Edward Averell, until today known as a second cousin of Edward H. Harriman, has filed a petition in the superior court calling for a partition.

Averell's petition declares that he is an illegitimate child of the famous chef, who died last June, and reveals the fact that he is not the son of Isaac

Seymour Averell, first cousin of Mrs. Harriman and former partner of the railroad magnate in a Wall street brokerage business. The elder Averell is now a resident of this city, and is in the employ of the Southern Pacific railroad. Young Averell lives at Berkeley, and is storekeeper on the Pacific Mail liner Korea.

None of Averell will discuss the suit, declaring it is a private matter. Young Averell's petition is brutally frank, however, and one portion of it reads:

"The petitioner resides in Berkeley, Alameda county, and was the illegitimate child of said deceased Artot; but after his birth he was publicly acknowledged by said deceased as his own child, and received as such into the family of said deceased and otherwise treated as if he were a legitimate child; that said deceased, Artot, in his life frequently acknowledged himself to be the father of the petitioner; that as such son of said deceased the petitioner is one of the heirs at law and next of kin of said deceased and entitled to a distribution of a portion of his estate."

Artot left \$10,000 to his daughter, Mrs. Florence Walsh, and \$5000 to his son, Charles Artot, both of whom are residents of New York. The residue is left to his widow, Marie Artot. Evidently anticipating a contest Artot inserted a clause in his will providing for the payment of \$5 to any heir not named in the document.

It is understood that Artot first met Mrs. Averell in 1884 in New York. She was then an unmarried girl of 18, who had recently graduated from a seminary at Philadelphia.

FAULTLESS PRESCRIPTION

No Remedy for Stomach Distress and Indigestion So Perfect

A scientific prescription for dyspepsia put up in small tablet form and called Mi-o-na is making thousands of quick and lasting cures throughout America. There is no stomach disease (even catarrh of the stomach) that it is not guaranteed to cure, and Woodard, Clarke & Co. have so much faith in Mi-o-na for stomach disorders of all kinds that they will refund your money if it does not cure.

Mi-o-na, the faultless prescription, stops sour stomach, belching of gas, distress after eating, heartburn, biliousness and nervousness.

It is well worth a trial by any reader of The Journal who suffers from any stomach disturbance. It contains ingredients that not only give relief but that act on the stomach so beneficially that in a short time the flabby, tired out walls of the stomach regain their strength and activity and can perfectly digest any kind of food without aid.

Try Mi-o-na for a week; misery will change to happiness; despair to hope, dull eyes to bright and you will yourself wonder why you suffered so long with such a remarkable prescription at hand.

And only 50 cents for a large box at Woodard, Clarke & Co. and at druggists everywhere.

HYOMEI

Cures catarrh or money back. Just breathe it in. Complete outfit, including inhaler \$1. Extra bottles 50c. Druggists.
