

MANY OUT FOR SEATS IN COUNCIL

Tenth Ward Has the Largest List of Candidates With the Ninth Ward Closest Up — Kentucky Klick Puts Up Ticket.

- Republican Candidates for Councilmen.
- Second ward—H. W. Wallace, W. W. Banks.
- Third ward—George D. Dunning, E. C. Mears.
- Fifth ward—C. K. Zilly, Frank E. Watkins, Eugene Cohn.
- Ninth ward—Fred Tonsing, Frank L. McAtee, R. E. Menefee, F. E. Reed.
- Tenth ward—J. T. Ellis, J. J. Walters, W. H. Payne, C. H. Beard, M. F. Donahue, Ronald P. McDonald, Sam L. Woodward, L. M. Davis.
- Councilmen at large—J. J. Jennings, M. M. Dimick, Gay Lombard, T. C. Devlin, F. J. Brady.

At the primaries tomorrow five ward councilmen and two councilmen-at-large are to be nominated. For the most of these positions there are numerous candidates, though in two of the wards there are only two opposing candidates for the Republican nomination.

During the past week the different candidates have been very busy in their respective districts working for the vote which would put them in the party nominee class. Friends of each candidate, and the candidates themselves have been circulating literature, cards and themselves in an effort to fix the vote in the way each desires it to go at the polls tomorrow. Owing to the apparent apathy which has overpowered the voters of the city but little indication has been given in any ward of what the result of the primary election tomorrow will be.

In the second ward there are two Republican candidates, H. W. Wallace and

W. W. Banks. Mr. Wallace is member of the council at the present time and is working to succeed himself. Banks is one of the nominees of the Baker theatre convention and is an old time machine politician who owes his rise in things political to the favor of the ring politicians in the past.

Two in Third Ward.

In the third ward George D. Dunning and E. C. Mears are the two opposing candidates. Dunning is a member of the present council and desires to succeed himself. Mears is the nominee of the Baker theatre convention.

In the fifth ward there are three candidates, C. K. Zilly, Frank E. Watkins and Eugene Cohn. Zilly is a resident of the Portland Heights district and a member of the printing firm of Irwin-Hodson & Co. Frank E. Watkins is well known as a dog fancier and a member of the Multnomah club. Eugene Cohn is the senior member of the furniture house of Cohn Brothers.

In the ninth ward are four candidates, Fred Tonsing, Frank L. McAtee, R. E. Menefee and Ferdinand E. Reed. The contest seems to lie between Tonsing and Menefee. Menefee is a member of the present council and is the nominee of the Baker theatre convention. M. F. Donahue is a resident of the east side. Ferdinand E. Reed is also well known. He first made his appearance as a graduate of the law school of Chicago and managed the majority campaign of T. C. Devlin two years ago. Since that time he has attempted to engineer different mysterious ordinance deals, one known as the garbage grab of about two years ago. He was during the last session of the legislature the "secret agent" of the brewery interests at Salem and attempted to secure the amendment and subversion of the local option law.

Octet in Tenth Ward.

In the tenth ward J. T. Ellis, J. J. Walters, W. H. Payne, C. H. Beard, M. F. Donahue, Ronald P. McDonald, Sam L. Woodward, L. M. Davis are candidates. J. T. Ellis is a well known attorney and J. J. Walters is a retired property owner and real estate dealer and is well known as a resident of the east side. W. H. Payne is a well known dealer of the east side. C. H. Beard is a carpenter and well known among a large list of acquaintances in his ward. M. F. Donahue was a detective at the exposition grounds during the Lewis and Clark exposition. He has since that time been connected with the Pinkerton detective service. Ronald P. McDonald is best known as a salesman of photo buttons about town. Sam L. Woodward is the nominee of the ring politicians of the Tenth ward, having put up at a secret meeting in the place of W. M. Killingsworth, nominated by the Baker theatre convention, but refusing to run.

Dr. Davis' Record.

Dr. L. M. Davis is well known and remembered as a member of the last legislature, who, elected on a Statement 1 platform, wobbled prior to the senatorial election, and then at last voted according to his pledge, but under protest. He is also remembered by the Scandinavian voters of the city as a member of the city council in 1892 who made the assertion in effect that he wanted white men to have positions in the street cleaning department and not Scandinavians, "Chinamen and negroes." Since that time he has been consistently shown in his political ambition by the Scandinavian vote, up to the last election, when they stayed their resentment because of the fact that he had taken his stand on a Statement No. 1 platform.

For councilman-at-large there are five candidates, J. J. Jennings, M. M. Dimick, Gay Lombard, T. C. Devlin and Fred J. Brady. Mr. Jennings is a well-known real estate dealer with offices in the Oregonian building. M. M. Dimick is a well-known bridge contractor. Gay Lombard is a capitalist and real estate dealer.

Nominees of Baker Convention.

T. C. Devlin is receiver of the Oregon Trust and Savings bank and cashier of the German American bank. Both Lombard and Devlin are the nominees of the Baker theatre convention. Fred J. Brady is a member of the Multnomah delegation in the house at the last session of the legislature. He is also one of the men who, elected on a statement No. 1 platform, protested his vote when the time came to vote for United States senator.

In addition to these Republican candidates who regularly filed petitions and found place on the Republican ballot, is a list of Democratic candidates, selected by the democratic organization known as the Kentucky Klick. This organization has brought out a ticket and is asking the democratic voters of the city to write in the names suggested. The ticket of councilmen is as follows:

Second ward, Thomas Guinean.

Third ward, J. T. Ellis.

Fifth ward, J. G. Nichols.

Ninth ward, E. Versteeg.

Councilmen at large, D. Chambers and H. W. Stone.

ORRINE CURES LIQUOR HABIT

CURE EFFECTED OR MONEY REFUNDED.

One of the strongest features that recommends the ORRINE treatment is its low cost. It is the most economical treatment—no sanitarium expense or any other fees. Just the cost of medicine, which is placed at a very low price and brings it within the reach of all who need a reliable and efficient remedy for the cure of the "Drink Habit."

Read what The Quaker Drug Co., the leading druggists of Seattle, who have been selling ORRINE over five years, say about it—

"During the past five years we have sold thousands of boxes of ORRINE, and have never heard it spoken of except in highest terms of praise. We have had dozens of people come to us and state that ORRINE has cured them of their habit. It is a dear one from the cause of drunkenness. ORRINE is one of the few articles on the market that we can conscientiously recommend to our customers and we do so daily feeling that we have done what to us seems a duty as well as a service."

ORRINE is prepared in two forms. No. 1, a powder, tasteless and colorless, can be given secretly in food or drink. ORRINE No. 2, in pill form, is for those who wish to cure themselves.

ORRINE COSTS ONLY \$1 A BOX. The Guarantee is in Each Box. Write for Free ORRINE Booklet (mailed in plain sealed envelope) to ORRINE CO., 729 ORRINE Building, Washington, D. C. ORRINE is sold by leading druggists everywhere.

To Clean Your Kitchen Floors

You don't have to scour and scrape and polish—add a heaping tablespoonful of Gold Dust to a pail of hot water. It will make your floors milky white, and save your strength.

Gold Dust cuts grease and dirt, and asks so little aid from you that it's really a pleasure to keep your home dirtless and dainty.

It searches out dirt, germs and impurities in every crack and cranny, cleanses and purifies wherever and whatever it touches—and injures nothing.

An ounce of Gold Dust is worth a pound of elbow grease.

REBUTTAL IN HAINS CASE

State's Witnesses Say Captain Killed Annis Because He Wanted To.

(United Press Leased Wire.)

Flushing, L. I., May 7.—The prosecution in the trial of Captain Peter C. Hains, mayor of William E. Annis, devoted the time today to rebuttal of testimony offered by the defense to show that Hains was insane at the time of the killing.

Dr. Houghton, the ambulance surgeon who attended Annis, was placed on the stand for cross-examination today. After a few questions of little importance he was dismissed.

Edwin Andrews Jr. and M. L. Downs testified that they believed Hains was rational at the time of the killing.

Charles H. Roberts and Detective O'Fallon added the testimony that Hains seemed rational at the time of the killing.

Dr. Brink, called to the stand, listened to an 8000 word hypothetical question which was read to him by the prosecution. In answer he stated that Hains was suffering from a simple emotional outburst when he killed Annis.

LAUREN PEASE CASE GOES BEFORE JURY

A jury was secured in Judge Cleland's department of the circuit court this morning for the trial of the suit of the St. Paul Fire & Marine Insurance company against Lauren Pease and the latter's bondsmen, Benjamin W. Gage, E. A. Rockey and Mark W. Gill.

The business of the company was handled locally by Christensen, Edwards & Goodwin, and Pease was employed by them as agent, being required to give \$2000 bond to guarantee the turning over of all moneys collected for the benefit of the insurance company. It is alleged that he has converted to his own use \$1569 of the company's moneys, and an effort is being made to collect this sum.
