

WILLIE'S PITCHER LETS FLY A BUNCH OF CURVES

DEAR TOMMY: This is a diagram of a pitching machine I made for our high school team to practice batting. Johnny Jones and I were trying it, when papa and Mr. Jones came along. Mr. Jones is an old cricket player, and wanted to try his hand, but he didn't come out very well. Yours, etc., WILLIE.

NAUGHTY NED, THE BOY WHO COULDN'T BE BAD
