IDAHO STOCKMEN LEASE RANGE LAND

(Special Dispatch to The Journal.) Spokane, Wash., May 29.—About 25,000 acres of land in the Salmon river country, in Idaho, is being leased from the government by Idaho stockmen for grazing lands for their herds this summer and fall. The leasing price is from 1 1/2 to 20 cents an acre. Settlers are accorded the same treatment and care as taken by the state officials that the stockmen get no more range than they are entitled to.

FINDS PORTLAND HOSPITABLE CITY PORT SIUSLAW COMMISSIONERS

Worcester Man Pays Visit in Advance of a Large Delegation. Citizens' Appointees for Office Created by Lane County Voters.

John L. Sewall.

The advance agent of a couple of hundred or so of Bay state manufacturers and business and professional men was in Portland yesterday to find out what sort of welcome awaited the excursion of the Worcester, Mass., board of trade, which will visit Portland, August 16. He went away last night feeling pretty certain, he said, that there was no place in the country more hospitable than Portland.

WORK TO START ON COOS BAY RAILROAD

(Special Dispatch to The Journal.) Marshfield, Or., May 29. F. A. Haines, chief engineer of the Coos Bay and Roseburg, the local corporation will start next Tuesday to work on a survey between Coos Bay and Roseburg. He has his surveying gang ready and has only been awaiting the raising of the funds. Sufficient stock in the enterprise has been subscribed to warrant the engineer's starting in on his work. The purpose is to secure a survey suitable for a railroad and to secure rights of way.

The trial in municipal court of the 17 gamblers arrested on Friday afternoon in a raid on Blazer's saloon at Second and Burnside streets, has been set for hearing for June 3. Every one of the men arrested put up the necessary \$10 bail.

(Special Dispatch to The Journal.) Eugene, Or., May 29.—At a mass convention at Mapleton today the following men were recommended for appointment by Governor Benson as commissioners of the Port of Siuslaw, created at the election held Tuesday in the 10 western precincts of Lane county; and to handle the \$100,000 for which the port will be bonded for the improvement of the harbor: I. B. Cushman, George B. Camp, M. D. Johnson, E. P. Walte, Thomas A. Yost.

PENDLETON PLANS FOURTH CELEBRATION

(Special Dispatch to The Journal.) Pendleton, Or., May 29.—That Pendleton will have a big fourth of July celebration this year was decided by the business men of the city, following a meeting of the Credit Men's association today. The celebration will be held on Saturday, July 2, and an especial effort will be made to make the day interesting and attractive to the people. It is planned to fit up a large number of "rest rooms" in various parts of the city for convenience of visiting women and children. In place of the usual fireworks it was decided to have an illuminated automobile parade. Pendleton and Umatilla county having perhaps more autos than any other county and city in the state, side of Portland and Multnomah. Following compose the committee selected by the business men: W. E. Brock, R. Alexander, C. E. Roosevelt, A. L. Knight, G. I. Ladow, Will Gray and Charles Bond.

LABORERS POISONED IN COYOTE HOLES

(Special Dispatch to The Journal.) Spokane, Wash., May 29.—Five American laborers were overcome and narrowly escaped death from black damp poisoning at the bottom of deep coyote holes in Spokane, Portland & Seattle construction camp, just west of Spokane, this afternoon. Deep holes were dug several weeks ago to blow away with dynamite in order to blow away a hillside. They caught water during the rain and the five men, with attendants at the top, went down to bale it out. The air at the bottom being poisoned, the men were overcome immediately. They were speedily rescued by their comrades and restored to consciousness. It is believed they will recover.

WORLD'S GOLD IS SHORT BY BILLIONS

Washington, May 29.—Somebody is making away with the gold supply of the world. Since the discovery of the American continent and the beginning of its gold production \$2,000,000,000 in gold has disappeared from the available supply. This leaves the present supply set for hearing for June 3. Every one of the men arrested put up the necessary \$10 bail.

ment would like to know who has made off with nearly one sixth of the world's supply. Considerably more than two thirds of the world's supply is already stamped into coins. About \$3,000,000,000 in circulation and \$4,000,000,000 held in banks and public treasuries. The United

States has the greatest gold supply, the amount reaching \$1,613,000,000. Germany has \$1,044,000,000. France \$620,000,000. Russia \$317,000,000. United Kingdom \$266,000,000. Japan \$21,000,000 and Canada \$65,000,000. The gold output in recent years has increased rapidly. During the 10 years

ending with 1908 it aggregated \$2,400,000,000. This was a big jump over the preceding years, when the output reached only \$2,100,000,000. The production in the United States in 10 years has aggregated between \$8,000,000,000 and \$9,000,000,000 or about one fourth of the entire product of the world.
