Half Mile in Record
Time.

Allen Preparatory school.....	8

Washington High school, through the wonderful work of her distance men and hurdlers, yesterday won her first intercollegiate track meet. She took an early lead by capturing every place in the first event, the 880 yard run, and was never headed. She led by 19 points at the close of the meet.

The lion's share of winning the meet yesterday fell upon two men, Captain Waldo Miller and Barber, Washington's middle distance runners. Miller captured both the mile and half mile events, while Barber finished first in the quarter mile and third in the half mile. Another Washington runner, Porter, took second in the half mile event. Between these three 19 of Washington's 44 points were secured.

Miller was in great form yesterday and in taking the half mile event broke the local intercollegiate record going the distance in 2:02.5. He ran a heady race throughout and wore out every other man. His run in the mile event was equally as good and he not only out ran but also out generated all his competitors. The time in the mile was also a record, 4:45.1.5.

Miller's success in breaking the intercollegiate record yesterday and in capturing the two big distance events as well as many of the other events during the winter the boy has been out either at Multnomah field or the Allen Preparatory field for the last few days. That he has worked successfully is shown by his running yesterday for he ran with an ease and grace hard to equate and as well showed fine stamina and generalship. As captain of the team many of the worries have fallen upon him and he has not affected his running but little and his earnestness in training has extended to many of the other events. Washington's first track championship is the result.

Norris Stands Out.

Aside from Miller the work of Norris, the Portland academy sprinter, and jumper, stood out prominently. Norris was the largest individual point winner in the meet, totaling 23 points.
