## THOUSANDS SEE HUNT CLUB RACE

### Best Spring Meeting in History Pulled Off at Country Club.

Under bright blue skies, flecked by a few dainty fluffs of cloud and pleasantly warmed by the breeze tempered rays of Old Sol, 5000 happy Portlanders sat in the mammoth amphitheatre of the Country club yesterday afternoon and enjoyed the annual field meet of the Portland Hunt club. Never before has such an entertaining program of cup races been prepared by the club managers and never before has the attendance been so large.

Nine events comprised the card and the finishes in some of these were exciting enough to draw the great crowd to its feet with one accord to cheer on the game racers and their clever riders. The boxes and seats of the stand were filled with well dressed men and women, the gowns of the latter furnishing a smartly contrasting color scheme against the brilliant sun and the softly modulated natural shades of rolling sward and verdant uplands that stretch far into the background of snow-capped peaks. Automobiles and carriages lined the paddock fence. The scene resembled a gigantic afternoon reception.

A satisfying feature of the day's sports was the work of Starter E. A. Brooker, who sent the horses off to nine perfect getaways. W. M. Davis carried off the honors of the day by winning two silver cups with his speedy little gelding, J. H. Bennett.

The first race, a three-eighths mile dash, was easy for Frank, the fleet runner owned by F. O. Breyman. The horse, well handled by W. Walter, showed in front when the starter dropped his flag and was never headed cantering under the wire a half length in front of Clanthus, who came from behind gamely to wrest the place honors from the tiring Kentucky Babe by a neck. Oregon Maid managed to be fourth. Frank was disqualified, much to the disappointment of the spectators because his rider had not weighed in. The judges awarded the prizes to the next three horses in the order named.

In the second race, a one mile trot for horses ridden by ladies, Kitty nicely rated by Miss Mabel Lawrence, led all the way and won by seven lengths. Jack and Little Rock finished second and third. The race might have been close if these two had held their strides without breaking.

Baby beat the barrier in the third race, a three eighths dash, for polo ponies, and setting a whirlwind pace into the stretch finished with plenty to spare a length to the good. Broncha outgamed Roy for the place. The latter was third, a half a length away.

**Tom Fox Breaks First.**

Tom Fox broke first in the fourth race and showed the way to the turn, where he was passed by the Rose of Hilo who looked to have the race won half way down the stretch. At this juncture, however, W. M. Davis who had skillfully reserved his mount, let him down and the horse shot to the front like a bullet to gallop past the judges' stand four lengths in front of the Rose, which tired a bit right at the end but lasted for the place. Tom Fox, which made the early running and kept in close attendance on the leaders all the way, got the show.

Fannie, off in front in the Junior Hunt club event, maintained that position to the finish past which the filly romped under a gentle hand ride by Kenneth Drake, her skillful pilot. By far the best exhibition of jockeyship of the meet was that by John Douglas on Midget in this race. Brownie looked to have the place cinched 100 yards from the wire, but the game Midget hung on tenaciously and ridden out to the last ounce by her jockey she was just able to catch the judge's eye in front of Brownie which had to be content with third place.

The finish of the two mile relay race was the closest of the day. E. Oppenheimer on St. Giles and T. T. Strain on Antipope bringing the horses down the stretch shoulder to shoulder. St. Giles got the decision by a head, thus winning the race for the Greens.

**Strain Wins Chariot.**

Unique among the events was a race for four horse chariots. There were two entries. T. T. Strain's four, after a spirited struggle with the quarter driven by Ambrose Cronin came on to win easily after the other team swerved badly midway down the stretch.

J. H. Bennett won the five eighths dash as he pleased. After suffering the field to make the pace for a furlong he flashed in front and won, going away by three lengths. Call Bond responded to a sharp drive by his rider and finished with a belated burst of speed to take the place away from the stopping Lady Myrtle.

In the last race of the day four entries went to the post. The race was scheduled to be a two mile affair for steeple chasers but the distance was cut to one mile owing to the unadaptable course. Oregon Boy was seized with the prances and was left behind when the flag dropped. The race was only an exercise galley for Wallace L. Kentucky Babe was an easy second and Caesar finished third.

## KING RHEUMATISM PUTS JOHN L. DOWN

(Special Dispatch to The Journal.)

Seattle, June 12.—Rheumatism has put John L. Sullivan down for the count and he is going to take all the time allowed him by the referee before he comes back for another mix-up. The old gladiator felt symptoms of rheumatism before he left Los Angeles for Seattle, and since he arrived here his first guess that something had crept into his bones has been verified.

Sullivan's right arm is off bad. When he attempts to spar with Jake Kilrain he raises the arm by supreme effort but he holds it as nearly stationary as possible and Kilrain uses every possible endeavor not to touch it. But every now and then something happens and Sullivan is compelled to suffer excruciating pain.

A lot of suggestions have been made but only one of them has been accepted by Sullivan. He is trying excessive heat to bake out the rheumatic pain and then he will try a complete rest. Some of the old fighters' friends have advised that big try Soap Lake, the panacea that all Washingtonians suggest at some time for rheumatism.

Sullivan will leave the exposition next week. He will put in about three weeks trying to shake off the rheumatism and resting on John Cort's ranch. Then he may return to the fair or he may go out on a vaudeville tour. At the fair it is declared he will come back but if the rheumatic symptoms continue probably he will not.

## VAN HALTREN GIVEN TREMENDOUS CHEER

San Francisco, June 12.—"Three cheers for Van." a little shaver in a check suit started the hubbub. Only the spark was needed and in a second the great crowd at Recreation park this afternoon was roaring its ovation to the veteran player who had just stepped on the diamond in the sombre garment of an umpire.

The game itself was a fine exhibition, and though the Seals won they did not have anything much on the Oaks. The tailenders made two misplays during the entertainment, and those two misplays were costly, figuring in the two tallies of the winners. The Seals scored in the third with two out. Bodie walked. Melchoir singled and Murphy made such a bad throw to Hogan at third to head off Bodie the ball went into the Oakland bench, and Bodie scored. In the fourth after Bodie had gone out McArdle singled to right. When McArdle dashed for second LaLonge threw wildly and Mac reached third. Zelder placed a safety in right, scoring McArdle. Back in third place after the hardest kind of a fight.

* *

Come on, you Seals. Let the Beavers play all next week like they have against the Senators and there will be a decided drop in the Mohlerites' percentage.

* *

Breen held the error record yesterday. He made four and Olson followed with three to his credit.

* *

In the two and one third innings which Graney pitched, he gave six bases on balls, while Fitzgerald passed out only two during the entire game. Garrett did not issue a single pass.

* *

Johnson reached first base every time at bat yesterday, and scored twice. He hit out three doubles and was hit by a pitched ball and was the means of bringing in directly or indirectly all of Portland's runs but one.

## COLTS WIN FROM TACOMA TIGERS

### Oregon Boys Start Triple Play for Losers—Kinsy Is Nervous.

(Special Dispatch to The Journal.)

Tacoma, Wash., June 12.—By hitting the ball whenever the mood moved them the Portland Colts walked away with the sixth game of the present series with the Tacoma Tigers here today. Both Samuels and Hurd were hit freely and presented the visitors with bases on balls whenever such a procedure would help things along.

There was an excess of politeness on the part of the Tacomans, Hurley even going so far as to take off his glove to a pair of horsehides that came cavorting out into his territory. The final score was 6 to 1, a lone tally resulting from a batting streak in the fourth inning, saving the Tacomans from a shutout.

Kinsella was on the firing line for Casey's Colts and he was as nervous as a small boy creeping home from a forbidden swim. He got so very nervous that in three innings it was necessary to send out another twirler to warm up before he would settle down and throw the ball over the plate, which proved all that was necessary to keep the locals from scoring.

**Oregon Boys Start Triple.**

The game was relieved somewhat by a triple play executed by Tacoma in the eighth inning. Staton occuped third and Mullin second when Murray came to bat. The latter slammed the ball on a line and Hurd, who was pitching, managed to get in its way long enough to send it skimming into Coleman's hands, still on the fly. Both are University of Oregon boys. Staton had started for home and Coleman tossed it to the catcher, who tagged Staton out and sent it back to second in time to catch Mullen before he could return to the sack. Score:

## FREAKISH GAME GOES TO LOCALS

### Seesaw Until Seventh When Mighty Johnson Scores Winning Run.

Multitudinous errors and hard hitting on the part of the Beavers, combined with a score which fluctuated for and against Portland five times during the performance yesterday, went to make up the most peculiar game of baseball seen in these confines this season. Portland won, 7 to 6.

Not until the ninth inning, when with Gandil on second and two out, House was robbed of a two bagger by Kennedy in left garden, after a brilliant sprint, did Portland really have the play cinched beyond measure of chance.

Considering the seven errors registered against the Portland swampers the fans are fain to believe that the fates alone intervened to save McCredie's mighty men from defeat.

With so many different and distinct features potpourried into one mere game of baseball, it is difficult to attempt a summary, without eliminating some and admitting others. Some few were the inability of Graney to stand up against the Senators, the 10 opportune hits smacked over by the Beavers, and the fact that many of the runners who scored were those who had been walked by the twirlers.

**Graney Grows Generous.**

In the first inning the Senators pulled off their first score with the aid of Graney, who generously walked three men. Shinn and Doyle, the first two batters up, were passed, Flanagan singled, filling the bases and then to top it all, the Southpaw passed Gandil and forced Shinn across the plate. McCredie made a motion to derrick Graney, but was not allowed to do so in the course of the inning. Raymer, House and Jansing ended the grief in the inning. House fanning for the only time in the game.

But in their half the Beavers manfully faced the lead and with the aid of two hits pulled off two runs. Olsen walked, Breen went out to Fitzgerald unassisted, Ryan doubled, scoring Olsen and Johnson, following McCredie, who went out on a grounder to Gandil, doubled, scoring Ryan. Ort ended the inning by going out.

When the third inning came to an end the Senators were again in the lead, having passed two men over the plate on a base on balls for Gandil, a hit and an error. When Gandil walked Raymer sacrificed him to second, Graney to Ort. House next came up with a hit and on Olsen's error the two scored. Jansing was safe on the miscue, but Graham and Fitzgerald died easily.

Again in the fourth the Senators got a run on Shinn's single and Breen's error in handling Flanagan's bingle.

Sacramento could do nothing in the fifth, but Portland succeeded, by good luck, two hits and two errors, in pushing in three runs. Breen singled, Ryan was safe on Fitzgerald's error, McCredie flew out to Doyle, Johnson doubled, scoring Breen and Ryan. Ort was safe on Raymer's error and Johnson scored.

In the sixth inning Sacramento got two runs on a hit and Breen's two errors and in their half the Beavers passed over one with an error and a hit. The Senators were unable to get more and the Beavers won the game with Johnson's double in the seventh. The score:

## MATHEWSON SMILES WHEN DINGLEY WINS

C. E. Mathewson was one of the happiest men at the race course yesterday, when he saw the Chalmers Detroit car coming home in front on a pair of Diamond tires. Mathewson is the Pacific coast manager of the Diamond Rubber company, and as such worked for several hours with Bert Dingley, the driver, Friday night, fitting the winner with mountain treads.

Dingley says that he owes a great deal to the tires, for he never had to touch them during the entire race. One pumping up held throughout the record-breaking pace. So why shouldn't Mathewson be joyful, especially when cars fitted with his tires have captured first place in nearly every prominent California race of the year.

## COLORED CHAMPION TO WATCH JEFFRIES BOX

(Hearst News by Longest Leased Wire.)

Pittsburg, June 13.—Writing to a well known sporting editor in reference to Jeffries' bout with Berger in Duquesne garden, this city, June 15, Jack Johnson says:

"This bout, I understand, is to give the public a line on his condition. Please state for me that I will have a seat at the ringside, and at the conclusion of the bout will demand from Jeffries an answer regarding the date of our coming fight.

"I know very well that Jeffries is training for me on the quiet. As for myself—well, take it from me—I don't intend to be caught napping on the point of condition.

"I have an offer of a purse of $50,000 to fight Jeffries in December, and I think it would be to our mutual benefit to accept the offer. However, I intend to have some sort of an understanding with the boilermaker before I leave Pitsburg."

Although his throw was phenomenal and smashes the records to bits, Flanagan did not capture first place in the event, because of heavy handicaps. First place was won by Con Walsh, New York Athletic club, whose actual throw was 165 feet 5¾ inches. He had a handicap of 10 feet.

## EAST SIDE TOSSERS WIN CHAMPIONSHIP

(Special Dispatch to The Journal.)

Salem, Or., June 12.—Washington High bore away championship honors by winning from Salem High in a snappy game of baseball on Willamette field this afternoon. The score was 5 to 4. At times both teams played ragged ball, but so evenly matched were they that the game was intensely interesting throughout. Houck, for Washington High, did not begin to get into form until along about the fifth inning. Then he had things his own way. Ashenfelter, Salem's twirler, distinguished himself by getting a home run off Houck in the early part of the game. At the end of the fourth inning the score stood 4 to 1 in favor of Salem, but a bunch of errors later allowed Washington to tie the score, and finally to hit out the winning tally.

## ABERDEEN MAKES IT FIVE OUT OF SIX GAMES

(Special Dispatch to The Journal.)

Aberdeen, Wash., June 12.—Aberdeen made it five out of six from Spokane today, winning in a closely contested matinee, 2 to 1. Wright, who pitched for Spokane, was touched up for only five bingles, but one was a double and the other a triple, the former sending in a score. James' error was responsible for a score in the sixth, and Campbell's muff gave Spokane the only run they secured. Pernoll was touched up freely, but sensational work behind him kept the bingles from counting.

In the fifth Spokane picked off three singles in a row but could not score owing to Lejeune's remarkable throw from deep center. With one down and the bases full, Weed sent a skyniece out to Lejeune in deep center and was out. Wright started to sprint for home when Lejeune brought his million-dollar arm into motion. Straight as a die he heaved the ball to the home plate and so true was the aim that Kreitz did not have to move out of his place and he caught Wright at least 15 feet. It was the most remarkable throw ever seen on the home grounds.

| Score: | R. | H. | E. |
|---|---|---|---|
| Spokane | 1 | 9 | 1 |
| Aberdeen | 2 | 5 | 2 |

Batteries—Wright and Spencer; Pernoll and Kreitz.
