### Standard Sewing Machines on the Club Plan

### Fine Table Cloths Great Sale

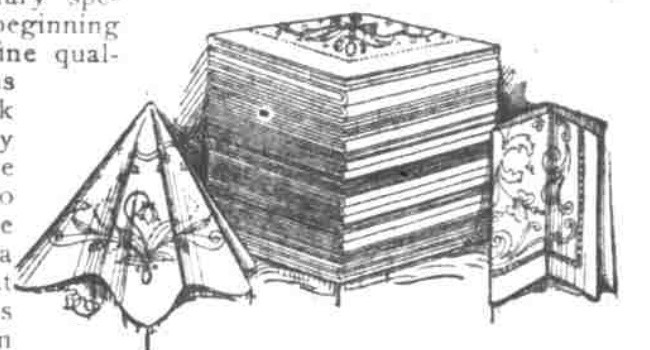

The announcement contained in the above headline is one that will astonish and delight all Portland women who have good sewing machines to buy. 'Tis bringing the best sewing machine to be had before the thousands who want them, on terms that enables anyone to own the machine that they know is the best made. Every woman who keeps house knows the importance of having a first class machine. The objection usually met with in selling a Standard—the only objection ever made—is that everyone is not in a position to pay the full amount for this splendid machine at once.

#### Easy to Own Under Club Plan Membership Fee Gets Machine

Join our Sewing Machine club and get a machine for about half what you'd pay an agent for the same quality, and pay for it in such a way that you'll never miss what it costs you. We have a full carload and want to sell them quickly. So we're going to organize a club of 200 buyers and they are each to pay a membership fee and regular weekly dues. AND WELL, SELL CLUB MEMBERS STANDARD SEWING MACHINES FOR LESS THAN THEY CAN BUY THEM IN THE BIG EASTERN STORES.

Just as soon as you have paid your membership fee of \$5.00 we deliver the machine to you and you go on paying your dues of \$1.00 a week. You don't have to pay more for the machines under this plan—in fact, we sell at this rate a machine for \$40.00 that sells for \$45.00 in Wanamaker's Philadelphia store. We buy these machines in carload lots and give our customers the benefit of the lower price that we secure them at by taking large quantities.

An extraordinary special sale, beginning Monday, on fine quality Tablecloths in drawn work or embroidery designs. There are no two alike. A line bought from a manufacturer at a tremendous discount from regular prices. Savings average about one third. Extra high grade goods at less than you ever saw the same qualities priced before. If you have a taste for unusually handsome linens, be sure to take advantage of this opportunity. Reg. \$60.00 cloths, Special Monday only. **\$40.00**

### \$5 to Join Club, Dues Are Only \$1 a Week

You start using the machine as soon as you have paid the membership fee, and this is credited to you on the purchase of your machine. Then you pay \$1.00 a week until you have paid the balance for the machine and resign from the club that some one else may take your place. YOU MAY CHOOSE ANY PRICE MACHINE THAT WE HAVE. This offer does not refer only to our highest grade machines, but you have choice of prices at \$18.00, \$26.00, \$32.50, \$35.00 and \$40.00. Any of these is backed by a guarantee of ten years' good service and EVERY ONE of them are just about half what an agent would ask you for the same grade of machine. ONLY CLUB MEMBERS MAY BUY AT THESE PRICES AND TERMS. HURRY AND JOIN WHILE THE MEMBERSHIP LIST IS BELOW 200.
