W. J. FULLAM

Has been forced to vacate and turn over to the owner the entire room now occupied by his mammoth Shoe Stock. Mr. Fullam was apprised of this some time ago, but owing to some certain clauses in his lease he thought perhaps he would be able to hold it for some time yet but as it is always the unexpected that happens, he lost. IN ORDER TO MEET THE DEMAND OF HIS LANDLORD TO VACATE BY THE FIRST OF THE OLD PIONEER SHOE MAN OF PORTLAND

Has Been Forced to Sell His Stock

Mr. Fullam made a hard fight to retain his place of business and continued to cater to the high-class trade he has held for almost a quarter of a century past. But the bravest heroes must fall, so when it was seen the end was inevitable and this big shoe firm could stand no longer, the owner gave way and decided to turn this mammoth stock into cash the quickest possible way.

Elliott Bros. Take Charge

This big Shoe Stock has been placed in the hands of Elliott Bros., the greatest sale specialists in the world, to be converted into cash. They have had the doors of this firm closed for the past few days, bringing about the final arrangements to sell this stock.

Doors Open Tomorrow at 9 A. M.

ELLIOTT BROS. HAVE FULL CHARGE OF THIS BIG SHOE STOCK AND WILL OPEN AGAIN TO THE PUBLIC THE DOORS OF THIS ESTABLISHMENT TOMORROW, WEDNESDAY, THE 16TH, AT 9 A. M., WHICH WILL MARK THE BEGINNING OF THE BIGGEST CUT PRICE SHOE SALE EVER KNOWN TO THE PEOPLE OF PORTLAND.

Fifteen Thousand Pairs

Of Shoes for men, women and children in the hands of Elliott Bros. to be sold at once. These people have no consideration for a merchant or his goods. When a stock is placed in their hands it goes into cash regardless of price, for they regard price as an enemy to their profession and merchandise as chaff in the wind. THE LOSS OF SOME IS THE GAIN OF OTHERS. Will you take advantage of it or will you stand idly by and let this golden opportunity pass you on. Never before and never again will such a bargain feast in Shoes be opened to you in this city.

TIME LIMITED! Short indeed is the time given to convert this mammoth Shoe Stock into cash, but it must be done; therefore, the low price route is the only way such a gigantic feat can be accomplished. SO IT IS THE PRICE THAT SELLS THAT RULES HERE.

Now it may be the husband that needs shoes to suit his particular fancy or profession, or the wife for the house, the street or some special occasion, or the boy or girl that will wear and stand better the much enjoyed vacation hop, skip and jump, or the little babe for that cooing kick, or possibly it could be that broad, easy, comfortable, neat Shoe for grandfather or grandmother; but no matter which, it can be found among the fifteen thousand pairs of Shoes to be sold here.

DO NOT DELAY

Let us impress upon you thoroughly the importance of attending this great Shoe Sale early as possible while the stock now contains fifteen thousand pairs of Shoes and is complete. Portland has three hundred thousand people to buy them and every one is reading this ad this evening the same as you are, and preparing to rush to this sale tomorrow morning, and will be waiting there for the biggest Shoe Bargains ever offered when the doors open at 9 a. m.

THE REPUTATION this firm bears, and the lines of Shoes it carries—it is needless to say anything about the quality of its goods, or the real legitimate and bona fide cut price closing out sale which positively starts tomorrow morning at 9 a. m.

Time nor space will not permit us to attempt to list the FIFTEEN THOUSAND PAIRS of Shoes for the entire family found in this stock, BUT QUALITY SECOND TO NONE, A FIT TO PLEASE THE MOST TASTY DRESSER, STYLES THE LATEST AND PRICES NO COMPETITION CAN ATTEMPT TO MEET, GUARANTEED.
