NORTH COAST LINE PASSES ATTALA

Continuation of Building Believed to Eliminate Harriman Theory.

(Special Dispatch to The Journal.)

Walla Walla, Wash., July 14.—Finishing work on the other side of Attala, between that point and the \$2,000,000 bridge across the Columbia river, the camps of the North Coast road are being moved to Dry Creek half way to this city. This is the first indication of real work that has been evidenced by the North Coast side of Attala, and is taken to indicate the theory that the North Coast is a Harriman line. It was at first thought that the North Coast would terminate at Attala, joining there with the O. R. & N. tracks, but the new activity would seem to disprove this.

EVER WATCHFUL

A Little Care Will Save Many Portland Readers Future Trouble

Watch the kidney secretions. See that they have the amber hue of health: The discharges not excessive or infrequent: Contain no "brickdust-like" sediment: Doan's Kidney Pills will do this for you: They watch the kidneys and cure them when they're sick.

Mrs. A. M. Hollabaugh, 325 Grant street, Portland, Or., says: "For two or three years my kidneys were disordered and caused me much annoyance. Unlike most cases, I did not suffer a great deal from backache, being bothered principally by the irregular action of the kidney secretions. The passages were also attended with much pain. Learning about Doan's Kidney Pills, I procured a supply at the Lane-Devitt Drug Co. I soon felt their beneficial effects and when I had used the contents of one box my conditions had improved in every way. I hold a very high opinion of Doan's Kidney Pills and cheerfully recommend them."

HITS SHOVE MEN OVER IN SEVENTH

Speas and McCredie Get Busy After Brown Has Filled the Bases.

Sacramento, July 14.—Speas and McCredie came through with singles when the bases were full and the Beavers won from the Senators yesterday, 4 to 3, all the runs being made in the seventh inning. Guyn held the locals down to seven hits, which were kept well scattered.

Table with columns: A.B.R.H.P.O.A.E. for players like Olson, Speas, Ryan, McCredie, Johnson, Ort, Green, Raymer, House, Fanning, Brown, Whalen.

Portland broke into the run column in the eighth inning. Staton walked and took a single after a single to left. He registered on Coleman's boot of Adams' grounder. The score: PORTLAND 4, SACRAMENTO 3.

CLOSE GAME IS WON BY TIGERS

Samuels Heaves, Good Ball but Support Lets Runs In.

Manager Casey delegated Coleman Samuels to start the heaving for the Colts again yesterday, and Samuels did a good job of it, but the woody support behind him would have lost for a Mathewson. Samuels kept the six hits made off him to six separate innings, and at no time should the Tigers have registered by the same token Portland should not have made her one run.

Table with columns: A.B.R.H.P.O.A.E. for players like Coleman, Cartwright, Hurley, Kipper, Macklin, Schaefer, Fournier, Raymer, House, Fanning, Brown, Whalen.

WOLGAST BEATS NELSON AT GAME

Champion Lightweight Worried by Little Fighter From Milwaukee.

Los Angeles, Cal., July 14.—Fighting like a demon at all stages, beating Nelson at his own game, slugging, and never showing a disposition to get away from his opponent, Ad Wolgast, featherweight boxer of Milwaukee, defeated Nelson last night in a 10 round bout at Naud Junction, as decidedly as a man ever licked another in a prize ring. In only one round, the fifth, did Nelson have a show and even in this he only had an even break.

Today the Dane is badly bruised, while Wolgast does not show a sign of the mill. When the bell rang at the beginning of the battle, Nelson streaked it out of his corner and met Wolgast near the ropes. He started to slug, but Wolgast cautiously slipped around him, feeling out the Dane as he dodged. Wolgast sized up Wolgast started in and fought Nelson off his feet from that time until the end.

Red Coleman boosted his batting average by getting three hits in his first three times up. The Oregon collegian is playing a nice game, and is putting on a show for the fans.

WOMEN PLAYING IN GREAT FORM

Miss Hotchkiss, Miss Ryan and Mrs. Foulhoux Surprise Gallery.

The features of the first afternoon of the Oregon state tennis tourney were the games in which Miss Ryan defeated Miss Goss and Miss Hotchkiss, and Mrs. Knowlton defeated Miss Robertson and Major Bethel.

Miss Ryan has never before played in Portland and her playing was something of a surprise. She plays in championship form and smashes almost exclusively. Her play is a trifle erratic at times, she is a brilliant player, nevertheless, and a possible match between Miss Ryan and Miss Hotchkiss is looked forward to with great interest.

First round—Shives and Rosenfeldt beat Prince and Humphreys 6-4, 7-5, 6-1. Ladies' Doubles. Preliminary round—Miss Barrows beat Miss Fox 6-3, 6-1; Mrs. Foulhoux beat Mrs. Northrup 6-0, 6-0; Miss Morrison by default.

BERGER SAYS IT IS ALL BIG JOKE

Late Tacoma Pitcher Hands Out Roast Down South—Irwin Umpires.

By Hiland Baggerly. San Francisco, July 14.—When it was time to call the game yesterday, Irwin Charley, who was detailed to officiate, was among the missing. This gave Charley Irwin an opening that he had been looking for. Irwin got away with the game in fine style. His worst falling was his voice. It was not always possible to hear his decisions, but he can rectify this. An umpire should render his rulings in such manner that the crowd may hear what is going on. The bugs became very peevish with an umpire whose voice they can't hear.

Weston will finish his walk tomorrow. (United Press Leased Wire.) Benicia, Cal., July 14.—Edward Payson Weston, the aged pedestrian, who is walking from New York to San Francisco, left Benicia at 10 o'clock this morning. He will arrive at Oakland at 5 o'clock this evening and remain there overnight.

The Dalles, Or., July 14.—Word was received here yesterday that Albert Elton, a former resident of the Dalles, was killed by an explosion in a mine at Manhattan, Nev., and that the body was being shipped here for burial. The cause of the explosion was not known at this time, and was a graduate of The Dalles high school of the 1902 class.

SPORTS OF ALL SORTS

Jim Laffite, Cincinnati's new pitcher, is a brother of Ed Laffite of the Detroit team.

Jerry McCarthy, the little mascot of the Boston Americans, is doing the west with the Red Sox.

Jake Boutles has been sold by the Boston Nationals to the Johnstown club of the Tri-State league.

Manager Stallings of the New York Americans would like to have Catcher Street of the Washington team.

In their recent series with the Eastern clubs the New York Glans added quite a number of games to the won column.

Winning five straight in New York and four of five games in Boston was beautiful berries for the Athletics.

It looks as though Jimmy Sebring is out of the big show for good and Brooklyn has sent him on his way.

Despite the denials by the American association officials it is pretty well understood that the Chicago association will invade Chicago next season.

By Young has Detroit's "nanny" on the end of a rope. The old boy has won three straight from the Tigers.

"Chapple" McFarland, the former St. Louis Cardinal pitcher, is tossing good ball for the Houston team of the Texas league.

Pitcher Wall Gould of the Steubenville O. and P. league team recently won two games from Canton in one afternoon. In the 18 innings he did not allow a single tally.

RED HOT GOSSIP FOR RABID FANS

The way of the wounded ball player is certainly hard on the fans. Keliakely, who sustained a split hand while catching a ball for the Tigers Monday, was released yesterday by Manager Shires.

Blubber Irby, late of the mountainous circuit, made a fine good catch right yesterday. He trapped Basey's fly up against the fence and fell down, but he clung like a leech to the sphere.

Red Coleman boosted his batting average by getting three hits in his first three times up. The Oregon collegian is playing a nice game, and is putting on a show for the fans.

That Beaver bunch down south is certainly doing things that are not to be looked upon with favor. They are crawling up the leaders during the next month. Five more days at Sacramento and then four solid weeks here in Portland and Tacoma were putting up before August has rolled by there may be a different story to tell about the McCredies.

F. A. Cary, a young first baseman from Salem, was practicing on first yesterday and Manager Casey will probably give him a chance before the week is over. He is a tall, rangy looking chap and swings at the ball right handed. He played on the Salem High school and with the Salem team in the Tri-City league last year.

One baseball wag with more humor than brains remarked the other day that Portland and Tacoma were putting up the hardest kind of a fight for the honor of cellar champion, and that was the sole reason two umpires had been assigned to the game here this week.

Staton and Kennedy have become leading members of the hostlers' union, and they might be proud of the fact. Monday Kennedy hoisted one over Staton's head that let two runs in, and yesterday Staton returned the compliment by hitting one over Kennedy's noodle that permitted another to cross the plate.

There is one thing about Kennedy that is not to be admired, and that is his disposition to ignore the quips and quorks from the bleachers and stands when he makes a foolish play. Staton let his anger get away from him yesterday and told the crowd, or at least one or two members of it, a few things.

But let us hope the boys don't take it the same way that Johnny Fournier did one day. Johnny was too good natured about it. The crowd got to pointing him out in that "1" game on Saturday with Aberdeen, because there had been a couple of bad throws to bases. Staton still shows a far more penetrating and more easily understood.

Umpire Bill Carney has a splendid voice. While probably not as loud and larynx that of Robert Furry, it is more penetrating and more easily understood.

American Games Yesterday. At St. Louis—First game—R.H.E. Boston 6 11 0; St. Louis 5 12 2; Batteries—Arrowsmith and Donohue; Graham and Peltz and Stephens.

Dalles man mistakes bottles; almost dies. The Dalles, Or., July 14.—J. W. Cramlet came near ending his life yesterday by taking a dose of formaldehyde, believing it to be alcohol. Cramlet wanted a stimulant, and going to the pantry in his house took what he supposed was a bottle of alcohol and drank a deep draught. Before a doctor removed the poison by the use of a stomach pump Cramlet almost died.

SIMON SAY THUMBS DOWN AND SMOKELESS CIGARS FLEE AWAY

Mayor Simon's anti-smoking rules extend to board meetings as well as to council meetings, and to unlighted woods as well as to ones that are pouring forth fragrance. This was emphasized at a meeting of the water board yesterday when Mr. Filmond of the contracting firm of Filmond & Clark entered the room with an unlighted cigar. The mayor at once pointed on him.

"Will you refrain from smoking?" asked his honor. The tone was one of mingled irritation and command, possibly heightened by the fact that a few minutes before the contractor had indicated to the board that he was not satisfied with the way things were going regarding his contract for setting water meters. "It is not lighted, sir," responded Mr. Filmond.
