HEAVY HITTING DOWNS SENATORS

Speas, Fisher and Johnson Open Up on Fitz—McCredie Chased.

(Special Dispatch to The Journal.) Sacramento, July 16.—Heavy hitting on the part of the Senators gave the north-erners a 6 to 4 victory over the Senators today.

Speas was the star of the game, his triple in the sixth driving in two runs that clinched the game, and his running catch in the same inning, cutting off a three-bagger from Jansing's stick.

Portland began scoring in the second inning, when Green scored on Fisher's two-bagger. In the third Byrnes erred at home, and two men scored on Ort's two-bagger. Johnson reached home by a slide in the ninth after he had got on the sacks by a double.

EVER WATCHFUL

A Little Care Will Save Many Portland Readers Future Trouble. Watch the kidney secretions. See that they have the amber hue of health.

The discharges not excessive or infrequent. Contain no "brickdust-like" sediment. Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick. Mrs. A. M. Hollabough, 328 Grant street, Portland, Or., says: "For two or three years my kidneys were disordered and caused me much annoyance. Unlike most cases, I did not suffer a great deal from backache, being bothered principally by the irregular action of the kidney secretions. The passages were also attended with much pain. Learning about Doan's Kidney Pills, I procured a supply at the Lewis-Davis Drug Co. I soon felt their beneficial effects and when I had used the contents of one box my conditions had improved in every way. I hold a very high opinion of Doan's Kidney Pills and cheerfully recommend them."

RED HOT GOSSIP FOR RABID FANS

There was a big difference in the Colts' work all around yesterday. Stator can tell the other fellows how to do it, but he seldom does "it" himself.

Big Bill Chinault certainly fields his position well. He made one stop yesterday that was a hummer. Never saw any other pitcher on these grounds follow up the ball at full speed going away and then get it to first to morganize the runner.

Crocker is coming along nicely; got two hits and as pretty a sacrifice as one would care to see in four trips to the plate. He is pretty speedy on the paths, too.

Hurley and Irby turned a most unusual trick yesterday. The pair pulled off a double steal from second to third, and then just to show the fans it wasn't an accident, they pulled off another trick of the same kind, Hurley scoring on the play. Fournier was sent into the atmosphere on the first pifer and the Tigers sneaked the other over before he had touched terra firma again.

Kennedy is now the pinch hitting wonder. His three bagger the day before drove in two runs, and his double yesterday showed another across the rubber.

Big Ed also showed some speed on the alley in the seventh, when he stole home on Pierce. He began springing for the bag on Henning's windup, and although he stumbled, executed a pretty slide and was called safe.

The news from the north today that Tim O'Rourke of the Pittsburg Pirates had signed young Campbell, the fair haired right fielder of the Aberdeen club, is no surprise. It has been freely predicted in these columns that Campbell would not stay another season in the Northwest.

The breach between Manager McCredie and Umpire McGreevy seems to be widening. Mac, the ump, chased Mac, the manager, out of the game twice for back talk, counting the incident of yesterday. He did it once before up here. McCredie has it in his head that McGreevy is robbing Olson and some of the other Beavers on strikes.

CHICAGO CLUBS GRAB OUTLAWS

Tebeau Says American Association Satisfied With Its Present Place.

By Hilland Baggerly. San Francisco, July 16.—George Tebeau, one of the big moguls of the American association, sat in the grandstand yesterday afternoon. He is the only magnate who owns three franchises. Kansas City, Louisville and Denver are his property, and all three are money makers. Tebeau came to San Francisco to secure talent from the California league. While he has had numerous conferences with players, as yet he has signed no one. He has made overtures to Danny Shay, Happy Smith and Jack Meyers, first baseman of the defunct San Jose club. Shay will have another talk with Tebeau before he leaves for home tomorrow night. Danny is the type of player the magnate favors. He likes a fighter.

There have been frequent rumors to the effect that the American association would break away from the minors this winter, and make a fight for major league recognition. For the past couple of years the league has been carrying a chip on its shoulder. It really believes it has outgrown its present company and ought to take a seat with the big shows. Despite these war rumors, Tebeau declared there was nothing doing, and his word is almost law.

Dillon Was Brooding. "What is the matter with Dillon?" were the words heard on every hand yesterday. "Never saw him play such poor ball." The silver king booted a double, which set the tongues to wagging. If another first baseman had been guilty of the same number of errors less would have been said, but Dillon puts up such a rattling game in the field, he is not bugs figured something must be wrong when he bootes. As many as he did in the first couple of innings.

There was something wrong with Dillon. He was brooding over sickness in the family. Mrs. Dillon underwent a serious operation at their former home in Illinois yesterday, and he was anxiously waiting to hear the news. Was it to be wondered at that Frank was not steady in the field? In the fourth inning Dillon saw it was no use, and he asked Wheeler to finish up the game. Charles Comiskey has wired First Baseman Meyers of the San Jose club to send terms. Dillon puts up one of the brightest young players in the California league, and Comiskey is not the only manager burning up the wires to get his name to a contract with the Chicago National league club yesterday, but will not sign until the spring. Hip will finish the year in the California league.

PITTSBURG SECURES FIELDER CAMPBELL. (United Press Leased Wire.) Seattle, July 16.—Tim O'Rourke, who is scouting in the Pacific northwest for the Pittsburg National league club, today completed negotiations for the purchase of the release of Outfielder Campbell of the Aberdeen club. The price paid for the release of the fielder is placed at about \$2000. Campbell will remain with the Black Cats until late in the fall.

O'Rourke is now dickering for Pitcher Holm of Spokane and the chances are that he will soon have the player's name to a Pirate contract for next season.

Seattle Show in September. (Special Dispatch to The Journal.) Seattle, Wash., July 15.—The committee of the Seattle Horse show association has secured the new armory building for the fourth annual horse show, which will be held September 22, 24 and 25.

The success of the former horse shows is sufficient assurance that this year's exhibition will be a pronounced winner. The spaciousness and safety of the new building, the arrangement of the boxes and ample seating capacity, from which an uninterrupted view can be obtained of the show ring, will tend to make the forthcoming exhibition an event worthy of the city.

Indians 6, Turks 4. (Special Dispatch to The Journal.) Spokane, July 15.—The Indians took another game from Seattle yesterday, 6 to 4. Score: R. H. E. Seattle . . . 0 0 0 1 0 0 0 2 7 4. Spokane . . . 0 1 2 0 2 0 0 1—6 7 4. Batteries—Anderson and Shea; Jensen and Ostidek.

BERG AND YOUSIFF TO AGAIN GRAPPLE ON MAT

In answer to the demand of the public that John Berg and the Turk, Yousiff, be matched again, Jack Curley, who is promoting the series of wrestling matches being given in Seattle and Portland and his Portland manager, Frank Tompleton, have decided to again match the two wrestlers. They have secured the Exposition rink for Thursday evening, July 22, and on that night the big fellows will again be pitted against one another.

Berg, with one match already to his credit, is of course to be the favorite in the coming match. It was a good match, though, and it was not till the last fall was finally secured that it could be said the match was safe for any one. While Berg did get two falls out of three last time, he had hard work of it, the match developing into one of the prettiest ever seen in this city.

The Turk is in Seattle now, but will reach here Sunday evening. He claims that he will win this match, for the simple reason that he is to be allowed to wrestle without shoes, his favorite way. The last time the two men met this question was not decided till shortly before the match started. Berg holding out and being granted his point, and the Turk being forced to go on the mat in shoes. He did so, but with bad grace, and claims that this led to his defeat. He tells the Portland public to watch him this time, and not to let the former match influence them in their betting.

Jack Curley, the big mogul in the wrestling game here and in Seattle just now, may come over for the match. He was attracted by the glowing accounts sent out of the last match, and says that he can not resist the temptation to come over.

CHAMPION SNORER WALLA WALLA MAN

The metropolis of Walla Walla county has a resident who can outsnore or outroll (not hoot) any man in the United States, according to information received from G. D. Rushmore, a well known commercial traveler. Mr. Rushmore states that he will form a company to back his man against all comers for any amount, and a scoring contest could be arranged immediately as the "wonder" is in fine shape in this respect at present. In the event of a rolling contest he would be compelled to ask for a few weeks to train his man, as Walla Walla is quite level and he is out of practice. The alleged champion is Art Harris.

LEE'S HORSE WINS \$1000 STAKE RACE

Winnipeg, Man., July 14.—Alt, owned by M. E. Lee of Portland, won the 2:17 pace or 2:12 trot and \$1000 purse at the fourth day of the exhibition race meeting here, while Lee Crawford, owned by Joe McGuire of Portland took second money in the 2:14 trot, a stake of \$1500. In the four harness events yesterday six American horses were placed, including three winners. In three straight heats Governor Williams owned by H. Helms, Glendive, Mont., won the 2:14 trot, a stake of \$1500. Lee Crawford was second. Alt won the 2:17 pace, or 2:12 trot after five heats, and Joe Roy, owned by Loomis of Minneapolis got second in the 2:30 Hotel-Keepers stake of \$2000. American horses are entered in all the events today.

Vancouver 6, Aberdeen 2. (Special Dispatch to The Journal.)

Aberdeen, July 16.—Fernoll was easy for the champs yesterday and they won 4 to 2. Score: R. H. E. Vancouver . . . 0 1 0 0 0 0 0 3—4 7 2. Aberdeen . . . 1 0 0 0 0 0 0 1—2 6 3. Batteries—Gilligan and Sugden; Pernoll and O'Brien.
