A WHIRLWIND MILL REMNANT and FACTORY SALE

What we want to tell you this time is about a windfall of goods that "blowed in" on us the other day. Mill and factory people wire us, "overstocked, sell only 800 cases at these prices. We need the money." It's just like handing out the REAL COIN; case upon case of the SEASON'S CHOICEST GOODS. Direct from the mills to you at a trifle of MANUFACTURER'S FIRST COST and Less. At this sale you get more than you pay for. This is the time when it pays every woman to lay in a whole season's supply.
