NICK WILLIAMS
SAVES THE DAY

The Blonde Haired One Doubles to Right Scoring Three Runners.

San Francisco, July 31.—Nick Williams' guardian angel was right on the job today at the crucial moment in the battle between the Seals and the Senators and that is why the Seals won. With the score 3 to 1 against in the eighth inning, the bases full and two gone, fair-haired Nick was called upon not once, but a thousand times by the frenzied fans to come through just once more with a timely bingle that would tie the score. Nick let close in about 100 feet and then swung at the next one. All the runners were well in motion and before Charlie Doyle could recover the slungshoted sphere all three had come home. The slam had been sent just where it would do the most good—that vacant gaping territory between center and right. Nick pulled himself up at second.

Sacramento worked hard all the way through and with a little assistance by dilatory Seals rounded the square three times.

In the fourth frame Shinn grounded to Mundorf and the youngster proved once more that he thinks first base is somewhere on the right field bleachers. By the time things were straightened out, Shinn was repeating on the second bag. Berger heaved one into the grandstand, sending Jimmy to third. That sure hitter, Arnold Gandil, squeezed Shinn home.

In the seventh Gandil doubled to left and Raymer beat out a bunt. Flanagan forced Raymer and then House was walked. With the bases full, Janning gave Gandil the signal for the squeeze and then failed to hit. Arnold was caught at home wild pitch advanced Flanagan and House. Janning lifted a fly to left and both runners scored.

The Seals made one in the last half of that inning. Bode hit for two bags, went to third on Nick Williams' single and scored when Jim Williams rounded to second.

THE SCORE:
SACRAMENTO. A. B. R. H. P. O. A. E.
Shinn, ss. 3 1 0 4 4 0
Doyle, cf. 2 0 0 0 0 0
Gandil, 1b. 2 0 1 7 0 0
Raymer, 2b. 3 0 1 0 0 0
Flanagan, rf. 2 0 1 0 0 0
House, lf. 2 1 1 0 0 0
Janning, 3b. 2 0 1 0 0 0
Byrnes, c. 3 0 0 0 0 0
Whalen, p. 3 0 0 0 0 0
Totals 25 3 6 24 14 1

SCORE BY INNINGS.

San Francisco 0 0 0 0 0 3 1 0 0 0
Hits 0 1 0 1 0 2 3 1 0 0

SUMMARY.
Two base hits—Gandil, Bode, R. Williams. Sacrifice—Raymer. Stolen bases—Gandil, Zelder. First base on balls—Off Berger 3, off Whalen 3. Struck out—Byrnes 3, Berger 3. Double play—McArdle, Bode to Zelder. Wild pitches—Berger 2. Time of game—1:10. Umpires—Tomman and Irwin.

NOTES OF THE GAME

Buddy Ryan and Billy Spess duplicated their performance of Tuesday, when Billy scored from first on the dashing little left double to the right fielder's hands.

Ole Johnson's drive in the sixth looked like it was going to clear the tall fence on the left border, but it dropped just a little short on the bank.

That "terrible Norseman" figured in some of the prettiest fielding feats of the day. Besides dragging down a foul fly from Guley's bat in the second, he made two running scoop and throw plays in succeeding innings that retired the batsmen by the width of a tack point.

"Duffy" Lewis cut off a triple by Dick Brown after brilliant sprint down the left field fence in the second. The sweet left fielder of the Californians also laid down a beautiful sacrifice bunt in the fifth.

Speaking of bunts, that one of the Honorable Mr. McKune in the fourth was as nearly perfect as they make 'em.

Those Redvets are surely there with the Jamaica. Did you notice the talk in that fourth chapter when the bases were all occupied? Less merry mounds than "Spec" Harkness would have puffed out of it without further ado.

Jesus Garrett has become the "scrap" kid. Every time he slugs with Van Halten on the decision end he has to be reproved by the veteran. The erstwhile silent Texan bids fair to develop into another Mohler.

George Ort and Billy Spess played without their rabbit feet yesterday. McKune stabbed a smash from Billy's bat that should have been a cracking

INDIAN PINNACLE

This is the pitcher who shut Vancouver out yesterday in the longest game played in recent years in the northwest.

CHAMPION JUMPER DEAD

8 FEET.
2 INCHESPhoto Copyright
by J. STANGERJIMMY BRITT
IS COUNTED OUTEnglish Champion Fells
American With Right
Swing to Jaw.

(Hearst Special Cable.)

London, July 31.—In one of the greatest ring contests ever seen in England Jimmy Britt was knocked out by Johnny Summers of England in the ninth round here today. Britt was not completely knocked out. He had none down from a terrific right hander to Kune, out of first when the Cakes short. Britt was nearly done for in the second round. In a spectacular mixup Britt was knocked to the floor with a right. He lay still, with his arms outstretched and just did get up in time. Though staggering, he managed to push his right to Summers' jaw and down went the Britisher. The bell saved Summers from a knockout.

From that time until the battle was over it was a stubborn one. Summers seemed to be the stronger, though Britt won the admiration of the crowd by his splendid footwork and defensive boxing. Thus it went to the ninth. Britt came out of his corner apparently as fresh as ever. Summers worked close and Britt fought back viciously. He had the Englishman rocking several times, but finally Summers landed a hard right on the jaw and Britt went down for the count that brought the battle to an end.

It was the third hearing of the men, Britt having a decision in the first fight and Summers a like verdict in the second.

Pollak Says Steel.
(Hearst News by Longest Leased Wire.)
New York, July 31.—The following cablegram was received this evening from Harry Pollak, who took in the Britt-Summers fight:
"W. H. Hicks Jr., Sporting Editor Evening Journal—Britt robbed in Summers fight. Gave a very short count. Could have given a longer one. Harry raw."

To celebrate the first centenary of Argentine independence an international railway and transportation exposition will be held at Buenos Ayres from May to November next year.

Knocked Out by British Champ
Chicago, July 31.—With Ruelbach at his best the Cubs beat the Phillies, 1 to 0, before a big Saturday crowd. The score: R. H. E.
Philadelphia 0 0 1 0 0 0
Chicago 1 0 0 0 0 0
Batteries—Corrigan and Dolin; Ruelbach and Archer.

Cincy 1, Brooklyn 0.
Cincinnati, July 31.—Two games were on the program today, but before the first mixup could be brought to a real finish the heavy irrigation ditch overflowed and the sport was suspended. The score: R. H. E.
Brooklyn 0 0 1 0 0 0
Cincinnati 1 0 0 0 0 0
Batteries—Bell and Bergen; Caspar and McLean.

St. Louis 3, Boston 2.
St. Louis, July 31.—St. Louis won its second exciting battle from Boston, 3 to 2. Buster Brown pitched grand ball as did Harmon. Ferguson pitched the ninth for Boston and gets credit for the loss. The score: R. H. E.
Boston 2 1 1 0 0 0
St. Louis 3 0 0 0 0 0
Batteries—Harmon and Phelps.

CALIFORNIA AUTOISTS PASS THROUGH CITY
M. W. Levy of San Francisco passed through Portland Friday afternoon on his way to Seattle. He was traveling in a big Studebaker "40" car, and had experienced nothing but good weather and pleasure on his trip up the coast. He has had the machine equipped so that by letting the back of the front seat down he can make a berth as in a Pullman sleeper. They had taken several days on the trip when they reached Portland. They intend spending several days at the fair, and will likely stop over for a few days in Portland on their return.

A single Marshland, Columbia county stem had 14 full blown roses and 7 buds.

MISS HOTCHKISS VICTORIA STAR
(Special Dispatch to The Journal.)
Victoria, B. C., July 31.—The concluding day's play in the British Columbia tennis championships proved a clean sweep for the American, concluding day's play in the British Columbia tennis championships proved a clean sweep for the American, concluding day's play in the British Columbia tennis championships proved a clean sweep for the American.

More aggressive and accurate than their opponents, the victors showed remarkable form and won on their merits. J. E. Tyler of Spokane defeated the British Columbia champion, Schwengers, in the best game of the day.

The United States champion, Miss Hazel Hotchkiss, took the ladies' British Columbia championship besides the ladies' doubles in association with Miss Ryan of Santa Monica, Cal., and with Hopper captured the mixed doubles. The result of the open singles:
Challenge round—Tyler, Spokane, beat Schwengers, Victoria, 3-6, 6-4, 2-6, 6-4.

Open doubles, finals—Tyler and MacRae, Vancouver, beat Schwengers and Goward, Victoria, 3-6, 6-4, 2-6, 7-5.
Ladies' doubles, challenge round—Miss Hotchkiss, Barkley, beat Miss M. Pitts, Victoria, 6-3, 6-4.
Ladies' doubles, finals—Miss Hotchkiss and Miss Ryan beat Mrs. Talbot and Miss Pitts, 6-6, 8-6.

Mixed doubles, finals—Miss Hotchkiss and Hopper beat Mrs. Talbot and MacRae, 6-1, 8-6.

EVANS IS NEW GOLF CHAMPION
Young Player Wins Honors on Homewood Links—Play in National.

(United Press Leased Wire.)
Flossmoor, Ill., July 31.—Charles Evans Jr. of Edgewater is the new western golf champion. He won the honors on the links of the Homewood course clubs this afternoon when he defeated Albert Seckel of Riverside, 1 up in 36 holes.

Though Evans is not yet 20 years old, he is already western champion, Chicago champion and western junior champion, and has twice been western interscholastic champion. He will now try for the national title when the national tournament is held in September at Wheaton, Ill.

The match today was by long odds the best of the tournament and was featured by the marvelous golf displayed by Seckel. The match was also marked for the first time in the history of the title by referee's position.

At the end of the first 18 holes Evans was 4 up on Seckel and appeared to have the match well in hand. His drives had been perfect and his putting deadly accurate but in the afternoon he showed the strain under which he was playing and Seckel gradually crept upon him, playing a plucky game.

On the eleventh green of the second round, when Seckel was 3 down and had a sure half on the hole, Evans knocked his ball conceding the put. Though the put was halved, the referee gave the hole to Seckel.

Flossmoor, Ill., July 31.—Charles Evans Jr. of Edgewater is the new western golf champion. He won the honors on the links of the Homewood course clubs this afternoon when he defeated Albert Seckel of Riverside, 1 up in 36 holes.

Though Evans is not yet 20 years old, he is already western champion, Chicago champion and western junior champion, and has twice been western interscholastic champion. He will now try for the national title when the national tournament is held in September at Wheaton, Ill.

The match today was by long odds the best of the tournament and was featured by the marvelous golf displayed by Seckel. The match was also marked for the first time in the history of the title by referee's position.

At the end of the first 18 holes Evans was 4 up on Seckel and appeared to have the match well in hand. His drives had been perfect and his putting deadly accurate but in the afternoon he showed the strain under which he was playing and Seckel gradually crept upon him, playing a plucky game.

On the eleventh green of the second round, when Seckel was 3 down and had a sure half on the hole, Evans knocked his ball conceding the put. Though the put was halved, the referee gave the hole to Seckel.

Seckel encouraged. This encouraged Seckel, who fought so hard that on the eighteenth hole of the afternoon, when Evans was down, the Riverside man came within a fraction of an inch of negotiating a styrmie, which would have squared the match and sent it into extra holes.

The cards:
Morning round—
Evans—Out 5 4 4 4 4 3 2 35
Seckel—Out 4 6 3 6 3 6 4 40
Total, 75 4 6 5 5 5 5 5 42

Afternoon round—
Evans—Out 5 4 4 4 4 3 6 39
Seckel—Out 4 6 3 6 3 6 4 39
Total, 75 5 5 4 4 4 3 6 38

In the morning round Seckel was unable to win a single hole in the first nine. Evans took the eighth, making him 4 up at the first turn. On the thirteenth Evans gave a brilliant exhibition. With a bogey of 5 he drove 220 yards and on his approach pitched the ball on the green almost dead to the hole and holed out 30. On the fifteenth Evans picked up his ball after the hole and Seckel a full stroke and lost the hole.

On the sixteenth and seventeenth Seckel suddenly braced and won both by ready putting. The eighteenth hole was halved in four.

In the afternoon, going out, Seckel won the nineteenth, twenty-third, twenty-fifth and twenty-seventh. Four holes were halved. On the final nine Seckel continued to improve and won the thirty-third and thirty-fourth holes by terrific driving and marvelous approach.

On the thirty-fifth hole, Seckel made a home green, however, and Evans halved it and won the match.

CONGRESSIONAL BALL GAME
Scene at congressional ball game. Speaker Cannon is the central figure. Below Representative "Nick" Longworth at bat.

Once in a while take hold of the steering wheel and slightly rotate it backward and forward, as though steering, but without moving the road wheels. This will leave you the amount of play existing between the steering stem and the ball joint, in which it is advisable to renew the grease without moving the wheels, will then further show you what play there is in the steering level joints themselves.

To take up any play in ball joints, it is only necessary to adjust the joint cap, but in the lever, where plain pins are fitted, and where more than one-third second of an inch in play is found, it may be necessary to ram them out before turning fresh pins to fit them.

The avoidance of too much or imperfectly gasified fuel mixtures and the employment of a most conservative quantity of lubricating oil, which is free as possible from a tendency to produce solid residue are preventive of combustion spaces of gasoline motors.

Scratches on a celluloid storm front cannot be removed. A new piece of celluloid may be bought at small cost, but precaution should be taken to place a piece of paper over the celluloid when the storm front is rolled up. This will prevent cracking.

An unusual cause for short circuiting of a magnet recently came to light. The owner found a broken ball in the armature shaft bearing. A piece of the ball had worked out of the race and lodged in such a position as to form an internal short circuit.

It is generally overlooked that it is quite needless to grind the valve in the Rhode Island motor laws by the legislature is one that requires garages to keep a record of cars, showing the time of departure and return of all cars stored to serve as a check upon the movements of chauffeurs.

By raising the spray nozzle in the carburetor, smooths will be less sensitive to the suction action of the piston, tending to reduce the amount of fuel used. Lowering the nozzle, on the other hand, has the effect of enriching the mixture, and the economy will be marred.

If the gas jets of motor lamps always burn at their normal height, the burner tips will not be bent back, and the burner orifices, causing distortion of the flame, will be kept straight and crack the lens mirror.

It frequently happens that the branches of a wire will not bend back upon a bolt or nut lacerate the driver's hands when they come into contact therewith. The best remedy is to use a wire that is turned back with a copper hammer.

Even in the very best of garages, it is well to entirely cover a car, including the bonnet, with a light sheet, the edges of which are provided with tapes to the suction action of the piston, tending to reduce the amount of fuel used. Lowering the nozzle, on the other hand, has the effect of enriching the mixture, and the economy will be marred.

SPORTS OF ALL SORTS

Sam Crawford of Detroit has made eight home runs so far this season.

Wagner and Leever of the Pittsburgh Pirates are talking of going into the automobile business.

Danny Shay, the ex-Cardinal, will succeed Jake Beckley as manager of the Kansas City team.

Hank Mathewson, a brother of Christy, has quit pitching and is now umpiring in the South Atlantic league.

It looks like a stretch on the settee for Germany. Scheffer, Killifer is making good at second base for Detroit.

George Tebeau has sold the Louisville club to St. Louis parties. In this another move toward the entrance of the American association into major league territory.

Packey McFarland is planning to sail for England with Jim Jeffries next week.

The National Sporting club of Pittsburgh has bid \$10,000 for a bout between Stanley Ketchel and Sam Langford.

Although Eddie Collins has dropped few points in his fight with Connie Mack has not asked waivers on him.

NO BASEBALL GAMES PLAYED NEXT MONDAY
(Hearst News by Longest Leased Wire.)
New York, July 31.—Eugene Johnson of the American league sent out an order today that no games will be played in the American league on Monday, and Acting President Heydler of the National league issued the same order.

It is possible that every league in the national agreement will also call off their games, on account of the funeral of President Harry Pulliam of the National league.

BURNETT'S LONG HIT
WINS FOR SPOKANE

(Special Dispatch to The Journal.)
Spokane, Wash., July 31.—A single, a walk, a sacrifice and then a long drive to the left field fence that scored over Swalm's head, won the game for Spokane today in the last half of the ninth inning. It was one of the most exciting and beautifully played games of the season.

Several times either side had victory almost in its grasp with a man on third, but with the excellent ball pitched by Jensen and Glover it seemed impossible to get the last hit needed.

In the eighth after Herbert was down, Moore and Kretz hit safely, Kretz hit sending Moore to the catcher and going to second himself on the throw. O'Brien walked, filling the bases, but Glover nipped a dinky fly to the catcher and Strieb flew to Burnett. Twice when things looked favorable for them the Spokane players hit into double plays.

With Weed and Clynes occupying third and second in the last inning, Strieb singled off the pitcher, filling the bases, but long drive would end the game anyway, while with a short one there was a chance to shut off a run at the plate.

Burnett's drive fell 100 feet behind Swalm. Much sensational playing featured the game, Burnett playing excellently at second base.
