

PORTLAND, OREGON, SUNDAY MORNING, AUGUST 1, 1909.

There are Hundreds of Suits in this Price Squeeze

Linen, Rep and Popelin Suits

Selling from \$7.50 to \$15.00

\$3.95

The closing of a grandly successful season urges us to distribute all unsold balances at prices that touch sensationalism in their reductions. The suits in this sale represent without exception our very best sellers in tailored wash garments. The unseasonable weather for the past week justifies the deepest cuts. You must come and see these suits, as description of them conveys but a small idea of value.

Examine the stock—look—try on—a bargain harvest awaits you.

Rose, pink, sky, natural, cadet, reseda, mulberry, white, toque, champagne, serpen, mode and other spring shades.

The coats are made in the fashionable length, ranging from 38 to 44 inches. The skirts are cut in the straight and full flare style. In this offering there are 314 suits, examples of which will be displayed in our three Third-street windows.

At the price of \$3.95 we cannot fill phone orders, nor send any C. O. D., or any on approbation.
