Help Us to Avoid Accidents

- Don't cross tracks without looking both ways for approaching cars. Don't get caught in the narrow space between two tracks when cars are passing. Don't fail, when leaving a car, to look up and down the street for an approaching automobile or other vehicle which may run you down. Don't jump on or off a car while it is in motion. Don't ride on car steps. Don't get off facing rear of the car. Don't cross track after leaving the car, without looking for a car or vehicle which may be approaching from another direction. Don't run after a car and jump on while it is moving. Don't attempt to cross track ahead of a moving car. Don't let your children play near streetcar tracks.
