\$5.00 AND \$6.00 SILK WAISTS, FRIDAY \$2.98

Chiffon, Taffeta and Messaline Silk Waists are today the most popular, in fact, the only fashionable silk waists worn. They will also be pre-eminently the most favored waists for fall. One of the very best manufacturers with whom we do business has sold to us, at a great reduction, the balance of an order he had from one of the large New York City houses. They are identical with the samples shown for fall and illustrations and descriptions seen in this month's numbers of the fashion books for fall. As we always sell as we buy, it gives us an opportunity to offer the best bargains in waists. These waists are exactly like the above cuts and give you an idea of the style. They are made of the best quality Chiffon, Taffeta and Messaline, in plain colors, changeable silks, stripes, plaids and checks, in navy, violet, leather, rose, mulberry, copenhagen, wistaria, serpent, heliotrope, mode and gray. These waists always sell from \$5.00 to \$6.00 each. On Friday we offer them at less than the cost of the material. Special, \$2.98. No phone orders, no "C. O. D." or any approbation orders filled.
