Every pound of Smith's meat is absolutely fresh, sweet Oregon stock. Unlike the Beef Trust—not an ounce of Smith's meat is ice-car cold storage stuff. Be sure to pass up the markets of the Beef Trust on both sides of Smith's on Alder street. Be sure to get in the right place and see that Smith's name is over the door.

OPEN AIR WEDDING IS UNIQUE AFFAIR

(Salem Bureau of The Journal.)

McKinlay at Zena, in Polk county, about 10 miles west of Salem yesterday, occurred the wedding of his daughter, Miss Alice Cornelia McKinlay and William Miller of La Grande.

Not only was it unique because the ceremony was performed in the open air with only nature's decorations, but the bride's father, a minister officiated.

Miss McKinlay graduated from the University of Oregon in 1903 and went to La Grande to teach in the high school, where she met Mr. Miller, a prominent real estate man and banker of that city. Last winter she taught in the Latin department of the Lincoln high school at Portland. The honeymoon will be spent in Alaska after which the couple will make their home in La Grande. Mr. Miller is interested in a 40,000 acre irrigation project in the Grand Ronde valley. Many former classmates of the bride living in Salem were present at the ceremony.

BUY THE SAVING WAY

It is every bit as easy to put a cash buying profit into your own pocket instead of a credit buying profit into a grocer's. Understand, we do not blame the credit grocer for charging an interest on the money he loans you from month to month. He is entitled to it for extending credit. The question is—are you the one who is able to pay 25 per cent and more for just a few days' accommodation? This is quite a serious financial matter when your own pocketbook is to be the loser or gainer.

Anty Drudge Writes a Letter.

My dear niece Dorothy:

Don't be discouraged about your housework. Now that Monday washing, for instance, which you say is such hard work. You have been doing it the old-fashioned hard-rubbing way, you foolish girl. In the future just you use Fels-Naptha according to directions on the wrapper, and it will be more like play than work. Then your week will be started right and everything will go well.

Affectionately,

ANTY DRUDGE.

Wash day used to mean a long day's drudgery with hot fires and steam and nasty smells. Fels-Naptha has changed all that. Fels-Naptha has made wash day as pleasant as any other day, because Fels-Naptha has made washing easy.

More than a million women are washing clothes with Fels-Naptha in cold or lukewarm water, without boiling or hard rubbing. Washday has no terrors for them. And the drudgery of household cleaning is lightened, too, by Fels-Naptha. It whitens floors, brightens paints, brings out the colors in linoleum, takes dirt off varnished surfaces without dulling the varnish, removes grease spots and stains in carpets, rugs and upholstery.

Be sure to follow directions on the Fels-Naptha red and green wrapper.
