UP AT TACOMAKinsella Heaves First Game
Away—Has Sweet Re-
venge in Afternoon.

Tacoma, Aug. 16.—Tacoma and Portland each took one in the double header here yesterday afternoon. In the morning game Kinsella threw all around the plate and seldom over it, which tells the story of the first effort, the final score being 2 for Tacoma and 1 for Portland. In the second game the big pitcher had revenge, the long marks on the board at the end of the battle, crediting Portland with 5 and Tacoma with 2.

Portland lost the first game in the second inning, when Kinsella gave Kipper a hit. The runner was sacrificed to second, but did on third on Conrad's hit to Kinsella. Dowling and Butler were both given passes. Hall was hit by a pitched ball, forcing a run. Coleman walked. Seaton went in to end the trouble and stopped the scoring, but too late to save time, for his teammates could not overcome the lead. In the second game Kinsella took a bad start, but after the first inning got into the harness and there was nothing to it, but Portland at any stage of the game. The scores were as follows:

COAST TEAM
STRENGTHENED

Murray, Cooney and Chinnault, Northwest Stars, Added to Coast Team.

Manager Walter McCredie yesterday added materially to the strength of his Coast league team when in addition to transferring Chinnault to the Coasters he brought Tommy Murray and Phil Cooney down to the Coast league team and sent Armstrong and Breen to the Northwest league. In making this trade he adds a catcher who can help Fisher without taking away from the strength of the team and in addition strengthens the base running and hitting of the team.

The coming of Little Tommy Murray, who has gained the reputation of being the best catcher in the Northwest league, will make it possible for Fisher to take a rest half the time and will add much to the efficiency of the team. Fisher is one of the best catchers in the Northwest league, but working every day has proved too much for him and he slumped in his hitting the past week. Murray has played a good ball in the Northwest, as has Fisher here, and the two of them will make a great pair to take care of work against the Coast league teams.

Breen, who has been covering the second base for the Coasters all season, has never manifested any fine idea of the game, though in some series he has shone brilliantly. His fielding is good, but his base running is far from what it might be. He will cover second base for the Coasters, but he is not a good base runner. Cooney, the little speed marvel who has set the Northwest league afire with his speed, has been a real find for the Coast league. He is a good base runner and a good hitter. He is a good base runner and a good hitter. He is a good base runner and a good hitter.

McCredie invaded the south yesterday with a large force of players, and has as he has taken from here. With him went 16 men all tried and true, and the coast team is in a question. The coast team is in a question. The coast team is in a question.

YACHT SPARROW
WINS O. Y. C. CUP

Meyer's Sturdy Craft Easy Winner in Contest for Handicap Championship.

Defeating her nearest rival by seven minutes, designed, built and sailed by Max Meyer, won the silver cup given by the Oregon Yacht club for the handicap races yesterday. Yesterday's victory gives the Sparrow the cup, having won a walk away for the Jewell. The cup of what was to have been a three out of five race. The fifth race was unnecessary.

A spanking breeze sprang up in the latter part of the afternoon, helping out what had been a mere drifting match. Aided by this wind the Sparrow pitched away from her competitors and won the race handily, in doing so she not only won the cup but also retained ownership of the Jewell trophy, which the Fore'n'art and Jewel's Sal were trying to wrest from her.

A contest between the Jewel and the Gertrude for the class A challenge cup was a walk away for the Jewel. The Jewel proved all around than the Gertrude and won handily. A return match between these two boats has been arranged for August 29.

It has been a great season in the minor leagues for knocking umpires. Those south-paw pitchers of the Athletics are enough to discourage the best of opposing teams.

Nap Rucker of Brooklyn has a record of 134 strikes out in 24 games. Some twisting that.

Jack Knight has been doing classy work at first base for the Highlanders since Hal Chase was injured.

Messrs. Mathewson, Krause, Willis and other star twirlers will please stay in the clubhouse and keep the clubhouse clean.

It is said that Charlie Comiskey is trying to sign Hugh Duffy, owner and manager of the Providence team, to pilot the White Sox.

If it is hard luck, as Jimmy McAlear declares, that has kept the St. Louis Browns down the chute, all is well. It was feared that the team wasn't a winner.

Ned Hanlon says all you have to do to obtain a major league winning team is to get out in the bushes and gather a bunch of hustling young players. But Baltimore isn't a major league town, so what's the use?

The treatment accorded the Detroit Tigers by the Philadelphia, New York and Boston teams was outrageous. The idea of each one of those teams taking three out of four games from the champions. They ought to be blacklisted for life.

From all accounts, Johnny Kling, Chicago's stubborn child, will be busier than a chicken picker next season. Besides managing the Cincinnati, Philadelphia, Boston, Brooklyn and Kansas City clubs he will play with the proposed American association team of Chicago.

Woodlawn Wins Another.

Woodlawn team added to its credit another game last Sunday by defeating the Eagle Creek team on the Eagle Creek grounds by the score of 4 to 3. The game was played fast, with Woodlawn in the lead from start to finish. Both teams were evenly matched. Since Woodlawn has made its change in players they have lost only one game out of seven played. Any in and out of town teams wishing games with Woodlawn call up Woodlawn 1676 or write to Charles Rapp, Woodlawn.

Phil Cooney, who will guard second base for Beavers from now on.

POLK AND JANSING
FROM HOGANHappy's Crew Before Hark-
ness and Carson—Beav-
ers Hit Hard.

Two victories from Vernon, while the Angeles were breaking even with the Seals yesterday again landed the Port-land team a tie with Los Angeles. The scores here were 2-0 and 1-0.

Perfect pitching by Carson and Harkness backed up by perfect fielding on the part of their teammates in both games did the work. It was a great day for the two Northwest leaguers for Carson held the Vernon team to four scattered hits and allowed but one of them to get to third base, while Harkness held the Angeles to a no-hit-no-run game for the six innings.

Besides pitching great ball, Carson was the man who started Portland on the road to victory, as he was the first man up in the third inning and led off with a pretty single to center. Specs then made the score grow with a wicked liner to left which after hitting in front of Martinke bounced high over his head to the left field fence. Specs got clear to third on the hit and scored a moment later on Ryan's single. It was timely hitting, three to a row, and at the right time. Carson got the only other hit, a single to right, on which he did try to make two bases.

For Vernon in this game there was but little to tell about. They played perfect ball in the field as did the Portland team, too, but the Vernons could not hit Carson when they needed the hit to make the run. Stovall got to third once but that was all for he got hit. The second game was lived by the hardest hitting the Portland team has done but that was all for he got hit. Jack Graney led in the hitting with two solid triples, a single and a base on balls in four trips to the plate. Specs was next with three hits, one of which he made the circuit, but on which, owing to the ground rules in use he was forced to go back to second.

Graney's hitting was great. He had struck out three times in the first game and not much was expected of him. With Ryan on base in the first inning of the second game and Specs already over the plate by means of his near home run and Ryan's single, Jack landed on one which sailed straight over Harkness' head and to the right field fence. It hit within two feet of the top and he again landed at third base. Fisher's single scored the run. Then in the fifth, with the infield and outfield playing deep for him, he dropped down a pretty bouncer and a safe. He was safe after throwing the ball away and Jack again getting to third. His last trip to the plate resulted in a base on hit.

So badly beaten was the Vernon team in this last game that Happy Hogan was ready and willing for the bell calling time to be rung. It had been agreed that the game should be stopped at 6 o'clock in the afternoon and the team might catch the 6 o'clock train for San Francisco and at five minutes of 6 Happy surrendered and the bell was rung.
