SEALS SCAMPER OFF WITH GAME

Johnson Tries Hard to Make Up for Chinault's Lapse.

(Special Dispatch to The Journal.)

San Francisco, Aug. 21.—Although Ote Johnson wielded his cleanup bat with terrific effect yesterday, the Beavers just fell short of taking the fourth straight game from San Francisco, 4 to 6. Manager McCredie sent Chinault, the big flinger from the Northwestern league, to the firing line, and the Seals opened on him in the second frame for five hits, which rushed four runs across the plate. The rollers were put under Chinault, and Graney substituted. Before the inning was over another run had been sent across, making five in all.

Errors by Olson and Graney in the third gave San Francisco her sixth run.

With this handicap against them, the Beavers began an uphill fight that brought them a lot of support from the stand. In the fourth inning, with Speas and Ryan on base, Johnson lifted the ball over the fence. It was a mighty swat and set the Seals to thinking. Two innings later Ryan got on and was driven home by Johnson's screaming two-bagger.

There was nothing doing for the Beavers after that, although a close decision on first probably deprived them of a chance to tie the score. Ort by a long slide, seemingly beat out an infield hit, but McCarthy called him out. He raised an awful rumpus and was fined and removed from the game, though not before he informed McGreevy and McCarthy that they ought to be languishing in San Quentin. The score:

AT ALL DRUGGISTS

RED HOT GOSSIP FOR RABID FANS

Stung fore an' aft.

'Twas a hard game to lose.

Armbruster was not on the job—Tomanitis?

Wonder what we'd do if it were not for Ote Johnson.

Gough pitched a beautiful game all the way through and deserved a victory.

Pernoll was a different Pernoll from the fellow who threw the ball away Wednesday.

Fournier is nursing a blue spot, where one of Pernoll's slants landed.

Had Graney been started in the first inning at San Francisco yesterday, instead of Chinault, a different story would have been chronicled of the game.

While it would be wrong to charge Ralph Frary with a touch of Tomanitis, yet that individual was about as raw as they make 'em yesterday. He deliberately robbed Adams of a putout and credit for starting a double play in the fifth, when he touched O'Brien on Moore's grounder and then heaved the ball to second to block Starkell. Frary called Starkell out, but declared O'Brien safe.

That offense was not costly, but the other was. This consisted in calling a ball that Lejeune hit down the right field line safe, when to the eyes of all the stand in range, it dropped foul. Lejeune made three bases on the swat, and scored on Bewer's grounder. Frary isn't any too energetic anyhow in watching hits along the base lines.

Bassey pulled off another of his double plays from the field. It was in the eighth inning, and Swalm tried to score from third on Julie Streib's long fly to Bassey. The Count made a perfect loft to the plate and Fournier had an easy job putting the ball on Swalm.

Portland lost a chance to score in the second inning. Mullin doubled to the right field fence, the ball finding lodgment high up on the boards near the flagpole. Samuels was put in to run for him and Staton laid down a beautiful bunt, but Samuels was so slow that he was caught at third.

Dick Bren accepted all chances nicely, but his head refused to respond on the bases. He was hit by a pitched ball in the first inning, and when Bassey shot a high infield fly to Moore, Bren permitted himself to be doubled out by hovering off second.

Julie Streib was presented with the luckiest hit he ever gathered. In the sixth Julie ducked a pitched ball that struck his bat and dropped just behind second base.

Lejeune has an interesting way of sizing up the Portland batsmen. He changed to widely different portions of center territory for Staton and Bassey, but his judgment was good and he caught their high ones.

Instead of ordering Staton to bunt in the fifth, a long fly, such as he had been hitting during the day, might have scored Adams from third. Pernoll outguessed him, and when the "squeeze" signal was flashed, threw a wide one. Adams was caught off third on the play. This was the best chance the Colts had to score.

Aberdeen had Moore on third in the eighteenth by virtue of being hit and stealing second and third in succession, but Gough used good headwork by passing Swalm for Lejeune. The Frenchman popped out. There was considerable trembling on the part of the fans, for many of them remembered the time Samuels passed Swalm to get Lejeune, filling the bases, when Shel slammed the ball over left field fence and won the game.

Gough was hot clear through when Casey ordered him to walk Campbell in the nineteenth. He wanted to pitch to Campbell, and believed he could get him. Events proved that Gough was right, for Pernoll connected for the hit that won the game.

While Portland was losing a 19-inning game to Aberdeen, 3 to 1, Seattle was losing to Vancouver by the same score in the eighteenth. The long drawn out contests reminded us of the 18-inning Sacramento-Portland game and the 24-inning San Francisco-Oakland game on the same day, some weeks back. They seem to run in doublets.

A double header will be played between the Portland and Aberdeen teams tomorrow afternoon, the first game starting at 2 o'clock. This is the Northwestern league's first double header on the home grounds this season, and a big crowd will no doubt be out to see the teams in action in two games for the price of one.

GRESHAM-ST. JOHNS GAME FOR $100 SIDE

The best ball game of the season on the St. Johns grounds is promised the fans who journey to St. Johns Sunday afternoon, when the fast Gresham team and the St. Johns Apostles play for a $100 side bet. Both teams finished second in their respective leagues, St. Johns in the Tri-City league and Gresham in the Interurban league, which was composed of towns up the valley. Last Sunday Gresham defeated St. Johns 5 to 4 in 10 innings, in the first of a series of three games.

The Gresham team will run an excursion to St. Johns for the benefit of the Gresham fans.

Seattle, Aug. 21.—Vancouver made two runs in the eighteenth inning yesterday, and won from Seattle, 3 to 1. COLTS LOSERS IN NINETEENTH

Pernoll Wins Own Game by Slamming Hit With Men on Bases.

When Buddy Pernoll slammed out the hit that shoved Tay Streib across the plate in the nineteenth inning yesterday with what proved to be the winning run of the game, Portland dropped the longest contest of the season on the home grounds. Gough, who heaved them up for the locals, was in grand form until the last inning, when he weakened and allowed Streib a three bagger that placed him in good position to score along with Campbell, who was sent in to bat for O'Brien. The score was 2 to 1.

Both clubs played grand ball, none of the errors made in the game figuring in the outcome. It was ladies' day, and a large number of fans were at the grounds to see the rival teams reel off inning after inning without a score.

Aberdeen scored first in the second inning on Lejeune's three bagger and Bewer's grounder to Staton, that the latter returned to the plate but not in time to catch the big Frenchman.

The Colts tied up the score in the sixth, when Breen walked, stole second and registered on Bassey's hit across second base.

From then on it was a battle royal between the slabsters. Portland succeeded in getting three men on in the eighth, when Pernoll was trotted out to take Starkell's place.

Pernoll had everything on the ball, although Mullin, the first man who faced him, secured a single, but Gough, who tried to score from second, was out on the play.

Portland had an excellent chance of scoring in the sixteenth, but Pernoll got out of the hole by whiffing Mullin and causing Staton to ground to Streib, Adams, who was on third, having been caught off the base when Staton failed to bunt on a squeeze play signal.

The game was by far the best of the series, and most of the big crowd remained until the finish. Score:

San Francisco, Aug. 21.—Some of the world's greatest athletes will compete this afternoon in the field and track events at the Park stadium, which, it is expected, will be crowded to its capacity when the first event is called.

Three clubs, New York, Chicago and Olympic, will be well represented, while two independents—Harry McLean, the marvelous Indian runner from Arizona, and Joe Ballard, the one mile champion from Boston—will strive for honors. Six champions are in the lists.

They are Dawborn, 220 yards; Lindberg, 440 yards; Ballard, one mile; McLean, five miles; Irons, broad jump and hop step and jump; Rose, shot put, javelin throw and discus.

To the program arranged earlier in the week a relay race, in which four men on each team will run a quarter of a mile each, has been added. The teams are composed of the following:

Olympic—Miller, Glarner, Cheek and Gerhart.

New York—Hillman, Dawborn, Gissing and McEntee.

Chicago—Lindberg, Waller, Hamilton and May.

Reliance club, Oakland—McAuley, Davony, Smith and Weiss.

REASSURING WORDS FROM SAMMY BERGER

(United Press Leased Wire.)

San Francisco, Aug. 21.—Sam Berger, manager of James J. Jeffries, is in San Francisco today for the purpose of seeking odds for the proposed fight between Jack Johnson and Jeffries.

Berger has not yet had time to get in touch with the fight promoters, but will meet Coffroth and other managers today.

"All this dope about Jeffries never intending to battle with Johnson is bunk," said Berger. "Jim wants to fight right here in San Francisco, and if a suitable purse is offered this most certainly will be the battling ground for the two fighters.

"Jeffries is rounding into grand form. When he settles down to the last few weeks of hard work he will be as fit as he ever was, and there is no doubt in my mind but that he will put Johnson to sleep in short order.

"Of course, all details for the match have not been arranged. It's a little too early for this, and they will be settled upon as soon as the club with the money has come forward and signed up. Just take it from me, Jeffries is going to fight, and will win back the championship for the white man."

OKLAHOMA RANCHER OFFERS FIGHT PURSE

(United Press Leased Wire.)

New York, Aug. 21.—Joseph C. Miller, the millionaire ranchman, wants James J. Jeffries and Jack Johnson to battle for the world's heavyweight championship on his ranch, near Bliss, Okla.

With this idea in view Miller, who owns the famous 101 ranch of 100,000 acres, today offers a purse of $75,000 for the mill to come off the second week in April, and offers to post a $25,000 deposit as a guarantee of good faith in any bank that the fighters may name. With his 100,000 acres, Miller expressed the opinion that he can accommodate all of the sports who may want to see the fight.

If this offer looks good to the fighters, Miller says that he will post the balance of the $75,000 the minute the details of the fight articles are signed. Miller's offer is believed here to have been made in good faith, and few fight authorities doubt that he will post the money if the fighters say the word.

LARGE CROWD AT FRISCO'S FIGHT

Frayne Beats Dick Hyland and Attell Cops Percy Cove.

(United Press Leased Wire.)

San Francisco, Aug. 21.—The biggest popular-price crowd that ever crushed its way into a local fight pavilion saw Monte Attell beat Percy Cove in 10 rounds, while Johnny Frayne took a 20-round decision from Dick Hyland at the Coliseum last night. The receipts were $9300. 50 per cent of which Hyland and Frayne divided at 60 and 40. Frayne's bit is $2760 and Hyland's $1840. Attell fought for a guarantee of $750, while the unfortunate but plucky Cove received $50, all that he had demanded for the opportunity to show San Francisco fight fans what he could do.

Hyland put up his usual mill, plugging away like a draught horse, ever trying to get in close for a rap on the stomach or kidneys.

In the breast-to-breast work he showed up slightly better than his opponent, but he failed to do any great amount of damage, Frayne keeping his head well covered and blocking most of Hyland's endeavors. It was in the open that Frayne showed his superiority, while his neat left hooks and right uppercuts more than once made sturdy Dick think he was looking through the Lick telescope.

Hyland was aggressive throughout, but Frayne's cleverness was too much for him. Johnny showed improved ringmanship, but he failed to flash anything that resembled a knockout. The best round of the fight was the twelfth. Frayne started out like a whirlwind, and with a shower of rights and lefts had Hyland backing all around the ring.

Hyland Puts One Over.

Hyland came near copping in the nineteenth, when just before the bell he slipped over a hard one to the jaw. The minute's rest sent Frayne up as strong as ever in the final round, and he had Hyland holding on before they had gone very far. Referee Smith's decision in favor of Frayne was well received.

The Cove-Attell battle went just as Harry Foley, Attell's manager, figured it would. He expected Cove to have an advantage in the earlier rounds on account of his superior height and reach, so that when Cove began slamming the little champion all around the ring and putting him on his back in the second, he was not surprised.

In the third, Monte banged a beauty into Cove's larder and from that time until Smith stopped the unequal contest in the beginning of the tenth, it was duck soup for Attell.

AILING MEN

You Need Not Pay Any Doctor An Exorbitant or Fancy Price for Treatment When I Offer You a Thorough and Permanent CURE for a Moderate Fee.

DR. TAYLOR, The Leading Specialist

PAY WHEN CURED

I have a quick and absolutely certain system of treating the cases I undertake which positively insures the cure in less than half the time called for by methods used in ordinary practice.

Those in any trouble suffering from VARICOSE VEINS, HYDROCELE, BLOOD POISON or any other disease tending to destroy and disfigure and to render happiness impossible are urged to call upon me without delay. Those wasting valuable time dissipating their money and aggravating their ailment by submitting to indirect, ineffectual, unscientific treatment that never did and never can cure, are invited to visit me and investigate my successful system. I positively refuse to accept any other class if for any reason it is too late to guarantee a cure.

DON'T DELAY TREATMENT

Many a man suffering right on the verge of nervous ruin, attempts to cure himself with some patent medicine, and advertised "Tonic," or a private formula he has heard about. Ofttimes he tries a drugstore treatment, or he experiments with such worthless devices as electric belts, or some other electric device which almost invariably tear down instead of building up.

HEED MY WARNING

My heart is filled with compassion for the man who is thus misled until his ailment has progressed beyond the limits of medical aid. Thousands of men are thus rendered hopeless wrecks who, IF THEY HAD COME TO ME IN THE FIRST PLACE, would today be strong, hearty men. I want this warning to ring in the ears of every ailing man. STOMACH-DRUGGING WILL NOT CURE YOU! ELECTRIC BELTS ARE DANGEROUS MAKESHIFTS. ORDINARY MEDICAL PRACTICE IS OF NO AVAIL. Only individual treatment of soothing, healing medicines, applied to the seat of the disease by a direct method that takes into account your entire physical condition and that provides for any complication that may exist, can ever cure you and permanently restore to you the vigor and buoyancy of perfect health. Such a treatment I have.

EXAMINATION FREE

I offer not only FREE consultation and advice, but of every case that comes to me I will make a careful examination and diagnosis without charge. No ailing man should neglect this opportunity to get expert opinion about his trouble.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1.

NATURE'S MEDICINE

Most people believe that the only way to cure disorders, chronic disorders or pain of any kind is to swallow a lot of drugs.

When you find yourself ailing in any way you run to the drug store and get a bottle of some patent medicine or have your doctor write out a prescription for probably the same stuff under another name. What good does it do to you? Just stimulates, like whiskey. Couldn't do more than that, for recent exposures have proven that nearly all the drugs you buy are a combination of a lot of alcohol and a little poison. You know alcohol is what makes whisky such a stimulant. The other poisons that you get in drugs are too numerous to mention. The poisons that are used most frequently are morphine, cocaine, mercury, arsenic and potash. They wreck the nerves and stomach and cause liver, kidney and bowel troubles.

Drugs will kill pain all right by stupefying the nerves, but wait until the effect has passed off; the pain returns worse than ever. Then you have to take the drugs again and continue to take it until nature is kind enough to remove the cause of the pain.

The only way to cure pain or disease is to help nature. Drugs don't do that. Nature will cure the disease if she has the power. I give her that power; that's why I am so successful.

If you are sick or ailing in any way it is because of the failure or breaking down of some vital organ. The reason any organ fails to do its work is because it lacks electricity.

When it is doing its work right the stomach generates electricity for the support of the body and itself. When it is not able to generate this needed force it must have aid. This aid is electricity, artificial electricity, as applied by Electro-Vigor.

Electro-Vigor is a relief from the old system of drugging. It does by natural means what you expect drugs to do by unnatural means. Instead of swallowing a lot of poisonous drugs, which wreck the nerves, apply Electro-Vigor about your body and feel the soothing, glowing force of electricity penetrating your vitals, giving health and strength to every part.

Electro-Vigor is not an electric belt. It is a dry cell body battery and makes its own power.

"I want to tell you that I am perfectly satisfied wih your Electro-Vigor treatment. I have now used it just thirty days and I have been relieved of all the pains and aches which troubled me greatly; I am gaining strength and feel better in every respect. In view of the fact that I am seventy-three years of age, I consider that this improvement realized in such a short time is something remarkable. Yours truly, GEORGE W. COX, Roseburg, Oregon."
