Broadcloths for Fall

Imagine the finest \$3.50 broadcloth you have ever seen, then idealize them with the softness of fur and let them take on the sheen of satin in thirty different shades—richer shades than those that have been so loved this Summer, and you will have a slight idea of what is awaiting you here at \$2.25, \$2.50, \$3.00 and \$3.50. It was last January that we thought of broadcloths. It was then that we decided to make this the place of all places for dressmakers, as well as fashionable women to turn when broadcloths were thought of. And here they are—richer, finer, more lovely than any broadcloths you ever saw. In dress goods you will save money—definite money by coming to this store. Every yard is ready for the needle—sponged and ready to make up, with the original beauty all saved for the gratification of your sense of beauty.

Priestley's Tussah Royal

Paris Fashion enthrones everything that crinkles. There's a mild rage for crepe. TUSSAH ROYAL is one of Priestley's richest weaves—and it's full crepe beauty. You'll think it's all-silk, as you notice its glinting sheen. It is mohair and wool. And every drygoodster will tell you that such a union makes for strength. We show it in thirty Autumn colors.

Ladies' Tailor Suitings

Dame Fashion decrees that women seeking materials for the new strictly-tailored garments use men's fabrics in the making of these suits. We are showing now imported Belgium Tailor Suitings, regular men's suit patterns, in men's sponged and shrunken material. We own these exclusively for the city of Portland, every pattern being reserved especially for our trade. The width of this suiting is 56 inches; medium weight, in grays, tan, stone, brown, navy, olive and green combinations. The assortment of these suitings is beyond doubt the most comprehensive ever shown in this city. They sell at \$2.75 and \$3.50 per yard.

Black Broadcloths

Our stock of Black Broadcloths is now complete and covers every quality, selling from \$1.50 to \$6.00 a yard. It represents the pick of the French, Austrian and American makers. Sponged and shrunken ready for the needle. We guarantee OUR Broadcloth to be spot proof.
