

Death Roll of the Northwest

Elizabeth M. Shubam. (Special Dispatch to The Journal.) Dayton, Wash., Sept. 8.—Another pioneer Mrs. Elizabeth M. Shubam, wife of H. G. Shubam, a harness manufacturer of Watsburg, passed away yesterday following an illness of a year, aged 65 years. Death has been a recent one. The funeral was largely attended this morning. The Rev. Mr. Shaw of Walla Walla conducted the services and interment was in the Odd Fellows cemetery at Watsburg.

Mrs. J. T. Bode. (Special Dispatch to The Journal.) North Bend, Or., Sept. 8.—Mrs. J. F. Bode died in the city today after suffering a relapse from typhoid fever. She was the wife of J. F. Bode, a prominent coach and door manufacturer of Spokane, Wash., and was here visiting at the time she was taken ill. Until recently Mrs. Bode was a resident of Portland, having moved there from this city a year ago. A daughter, 13 years of age, and her mother's sister-in-law, the interment will occur at Marshfield, Wednesday afternoon.

AT THE THEATRES

Double Bill at Bungalow Tonight.

The International Grand Opera company will present a grand double bill at the Bungalow theatre tonight. Mascagni's "Cavalleria Rusticana" and Leoncavallo's "I Pagliacci." Tomorrow night the company will present "The Barber of Seville" and "The Merry Widow." The company is now selling at theatre for the entire engagement.

Seat Sale Opens Tomorrow.

Tomorrow morning at 10 o'clock at box office of the Bungalow theatre, the advance seat sale will open for the great American comedy, "A Gentleman from Mississippi," which will be the attraction at the above theatre for four nights, beginning next Sunday, September 12, with a special price matinee Wednesday.

Jewel and Bowles at the Baker.

Despite all weather conditions every performance of "The Lost Boy" and "The Jewel and Bowles" at the Baker this week is greeted with a packed house, which strongly attests the immense popularity of these two clever people in this city. Salome Jane, in which they are making their farewell bows, is a beautiful play of early California furnished by Bert Hart. It will continue all week with a matinee Saturday.

Great Laugh at the Lyric.

There's a great laugh at the Lyric this week with "The Lyric Players" presenting the famous farce comedy, "A Runaway Match." Ask some one who has been fortunate enough to see it. Matinee Saturday; every night this week. You'll like the Lyric.

Clever Stars at Pantages.

Edward Blondell is the headline attraction at Pantages in "The Lost Boy." Miss Dorothy Lamb and company are scoring a distinct hit in "A Night With the Red Men." George Yeoman is one of the best comedians in vaudeville, while the Cohanistic act of Irene Lee and the Candy Kid, featuring the youngest actress in the world, is very entertaining.

Hippodrome Attraction at Pantages.

Direct from the Hippodrome of London, Menetekel, or "The Mystery of Babylon," will appear as the top-line attraction on next week's bill at Pantages. This wonderful illusion has completely baffled all explanation and set Europe agog in the past season. The western engagement is an extremely limited one.

The Oaks.

Big crowds at the Oaks every day is the rule. The many new and startling attractions constantly being provided for the entertainment of visitors are appreciated. Desperate concludes his engagement this week, and anybody who has not seen his marvelous act should take a run out to the park before Sunday.

Nervous, Despondent Men

Let Me Offer You My Certain, Quick Cure at My Own Risk

Nervous Decline, Debility, Failing Power, Weakness and many other familiar terms are used to designate the one condition of an endless number of young and middle-aged men who are nervous wrecks and invariably affected with the same symptoms originating from a source brought about by such a train of evils as youthful errors, resulting in undevelopment, pelvic and private ailments which wreck the nervous systems and impair both body and brain. The man who has disregarded health by folly and later overindulgence, excesses and use of alcoholic liquors, continued exposure, or even close confinement, overwork and worry, may have one or more of such detrimental symptoms as poor memory, nervousness, restless at night, no physical endurance, noticed by shortness of breath and exhaustion during ordinary exercises, weak, aching back, and many other like indications of failing health and weakness. My method is a thorough and scientific course of treatment which acts at once upon the nerve forces, stopping all the bad effects of indiscretion and replacing the worn-out and run-down tissues. It increases the weight with sound, healthy flesh and muscles that give strength, and fills the brain and nerves with fresh vitality, building up the entire system and transforming the sufferer into a type of complete manhood. Of the many "weaklings" who come to me with sunken eyes, weight greatly reduced from loss of flesh and muscle, and drains upon the system, presenting the appearance of a man with one foot in the grave, I find no trouble in curing them, and when they leave my care they go on their journey of life full of hopes for a bright future.

STOMACH CURE

I have been sick with stomach trouble, cramps and fainting spells for a long time. I came to Portland for treatment. One doctor told me that he could cure me in about three months or one year, another said that I needed an operation. Finally I came to Young Ming Medicine Company, 247 Taylor St. After taking four doses of their wonderful remedies from herbs and roots I am well and all right again. MRS. EMMA ENYART. MEN I DON'T Treat Cases I Can't Cure

I treat for real and lasting cures. Every remedy I employ has its part in bringing positive and permanent results. Under my treatment the patient who notes improvement in his condition can feel assured that real benefit and not a temporary drug effect has been obtained, and can continue with confidence that a thorough cure is being accomplished. My success as a specialist is due to the fact that I accept no incurable disease and always treat with a cure in view never resorting to the use of a remedy that brings but temporary encouragement to the patient.

LET ME CURE YOU FIRST Pay After Being Cured

DR. TAYLOR, The Leading Specialist.

Choose the Right Specialist

The most important thing for you to do, if you are an ailing man, is to seek the services of THE RIGHT DOCTOR. Don't go to the first one you see, simply because he happens to be a physician. Choose the physician who makes a specialty of curing the kind of ailments from which YOU suffer. The ordinary medical man really knows but little about curing the diseases peculiar to men. He merely has a general knowledge of such diseases because his practice is spread out over the whole range of diseases to which flesh is heir. He therefore knows a great deal about any. If you should go to him he may conscientiously try to cure you, but not knowing how, he would have to experiment upon you in brief, he is a medical "jack of all trades and master of none. Knowing these facts, would you want to trust your life in his hands? If your watch were to break or get out of order, you wouldn't take it to a machinist to have it repaired. No, you would know better. You would take it to the very best watchmaker. MAKER you could find. Then why should you not use the same kind of good sound judgment when you need a doctor? Your health is certainly as important as your time.

I cure diseases thoroughly, less time than is commonly required to cure even cases partially. Do not endanger your health and power by relying upon patent nostrums or other uncertain measures. Pains in the back, dull, sleepy feeling, dizziness, sleeplessness, and all other ailments are but symptoms of a deeper cause, which must be found and eradicated. I make no charge for consultation, examination, or advice. All afflicted men may feel free to call upon me or write regarding their cases.
