Make Money! Out of Articles You Don't Need

Have You Anything You Don't Need—That You Would Trade for Something Somebody Else Has and You Could Use?

Every household contains some useless article that can be traded off for an article that is useful. Look over the garret or basement. Lots of people would wear second-hand clothes if the garments were in good condition.

Have you a Gun, Watch, Bicycle, Trunk, Suitcase, Overcoat, Summer Suit, Rocking Chair, High Chair, Go-Cart, Perambulator, Ice Chest, or any of several other miscellaneous articles?

THE JOURNAL will find someone who has something that you can use and will trade for the article that you advertise. **See The Journal's "Exchange" or "swap" columns.**
