WOMAN'S RIFLE BOBCAT'S FINISH

Unerring Aim of Mrs. Swan Lays Low Jungle Beast at First Shot.

(Special Dispatch to The Journal.)

White Salmon, Wash., Sept. 21.—Mrs. W. W. Swan, who lives near this place, last week proved herself a heroine as well as a fine markswoman by bringing down a large bobcat at the first shot. Her children had started to school and discovered the cat crouching on a limb overhanging the path. One of them stayed to watch it from a distance and the other returned to the house for help. Mrs. Swan, being alone, took a rifle and went with the child. The animal was still dozing, and the brave woman dispatched him with one bullet.

DEER FIGHTS TWO MEN; THEY MAY DIE

(United Press Leased Wire.)

San Bernardino, Cal., Sept. 21.—As the result of a half hour's desperate battle with a wounded buck, Charles Grimes and Jacob Wilson of this city are near to death at their camp at Fawnskin Flat. Late yesterday the hunters surprised two deer, and after dropping the smaller, were attacked savagely by a five-point buck. Grimes endeavored to save himself from the infuriated animal's attack by seizing it about the neck. He was terribly cut by the buck's sharp hoofs.

Wilson rushed to his companion's assistance and was knocked down and gored. After a battle lasting more than half an hour, Wilson dispatched the buck with a knife thrust. Medical attendance was secured by neighboring campers, but the recovery of the men is doubtful.

Death Roll of the Northwest

Perry Hyde.

(Special Dispatch to The Journal.)

Harrisburg, Or., Sept. 20.—Perry Hyde, who was Harrisburg's oldest resident, died at his home here Saturday morning. He was 84 years old. He was born in Laurel county, Kentucky, May 2, 1825. When 19 years old he moved to Illinois with his father's family, from whence they went to Green county, Missouri, two years later. In 1849 he and Miss Eliza Tyler were married. In 1851 they crossed the plains by ox team. They came by the Barlow route and arrived in the Willamette valley September 10. Perry Hyde took up a donation land claim, a part of which he lived on until his death. Part of this claim was platted and made an addition to the town of Harrisburg.

Perry Hyde, Harrisburg's Resident.

Mr. Hyde led an active life. He was in the cattle business during the first period of his residence here and later in the general merchandise business and then the hardware business, up to 1893.

His first business venture was disastrous. The first year in the valley he went to the Columbia river, where the immigrants arrived with their outfits, and bought their exen, which they would sacrifice in order to fit out to travel down the river with rafts. He started home in the fall and before he could get across the mountains the snows and cold weather overtook him and he lost 115 head of oxen and 10 head of horses.

During the 58 years of his married life six children have been born, all of whom, together with his wife, survive. The children are Mary E. Childers, Island City, Or.; John Hyde, Canyon City, Or.; Oliver Hyde, Calexico, Cal.; Francis M. Hyde, America Sherrill and Caroline Bennett, all of Harrisburg, Or.

Adams, who died in a Portland hospital from typhoid fever, aged 37 years, was held Sunday under the auspices of the Washington county grange, with burial in Forestview cemetery. STRENGTH FOR THE STOMACH

Statement of a California Woman Who Owes Her Health to The Modern Tonic Treatment.

The symptoms of stomach trouble vary. Some victims have a ravenous appetite, some loathe the sight of food. Often there is a feeling as of weight on the chest, a full feeling in the throat. Sometimes the gas presses on the heart and leads the sufferer to think he has heart disease.

Some people know that the strength which the weak stomach needs, and for the lack of which the whole body is suffering, can be found surely and quickly in Dr. Williams' Pink Pills. In hundreds of instances these pills have succeeded where every other remedy had failed, and in every case the cure was radical.

Mrs. Ed Hardrath, a nurse, of Watts, Cal., received no permanent relief from stomach trouble until she tried Dr. Williams' Pink Pills. She says:

"I was a sufferer with stomach trouble for over two years and was under a doctor's care for a year or more. He said it was ulceration of the stomach, but he gave me little relief. My stomach didn't seem to digest the food I ate and gas formed, causing pains, bloating, and pressure on the heart. For nearly a year I couldn't eat meat. There were pains through my forehead and down the back of my neck. I was dizzy a great deal and couldn't do my work as I ought to.

"A friend told me about Dr. Williams' Pink Pills and advised me to give them a thorough trial. My improvement was gradual until I was entirely cured. I have had no trouble from indigestion in a long time and recommend Dr. Williams' Pink Pills to everyone who has stomach trouble."

The processes of digestion are controlled by the blood and nerves and medical science has produced no better digestive tonic than Dr. Williams' Pink Pills. While so promptly effective these pills contain no harmful stimulants or opiates. They create no drug habit. Every dyspeptic should read, "What to Eat and How to Eat." Write the Dr. Williams Medicine Co., Schenectady, N. Y., for a free copy.

Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for $2.50.
