DOUBLE HEADER DIVIDED SUNDAY

Carson Wins While Garrett Loses Against Senatorial Ball Tossers.

Portland and Sacramento broke even in the double header yesterday, Carson winning and Garret losing his game. The fair ground was kept clear of spectators and as a result Johnson and Fisher secured a double and a triple, respectively, without the question being raised that caused so much adverse comment in the Sunday game against Oakland the previous week.

Carson was way to the good against the senators. Ote Johnson's foozle gave the capitalists their only run in the first game.

Garret pitched good ball, but lost mainly because Olson failed to stop a grounder that rolled through him to deep field and Ort stood nonchalantly by and gazed at a ball that dropped out of his hands instead of picking it up and throwing a runner out at the plate. Scores:

IRISHMEN SHATTER WORLD'S RECORDS

New York, Oct. 11.—Five world's athletic records were shattered yesterday during the annual Irish-American championship games at Celtic park.

Elilio Lunghi, the Italian, ran two thirds of a mile in 2:45 3-5, clipping the old record from 2:48 1-5.

Martin Sheridan heaved the discus 142 feet 10½ inches, breaking his own record of 140 feet and 5 inches. Sheridan also put the 42 pound weight 27 feet 9 inches, breaking John Mitchell's American record of 26 feet 8½ inches.

With an unlimited run John J. Flannagan threw the 16 pound shot 180 feet and 1 inch, the previous record being 154 feet 1½ inches.

The four-mile relay team composed of Collins, Riley, Bromilow and Kiviat, clipped 1 1-5 seconds off the world's record held by the University of Michigan.

The three-legged scratch race at 220 yards was won by S. C. Northridge and C. S. P. Cassass in 27 1-5 seconds. Zust and Puffer's world record was 33 seconds.

ALUMNI PLAYS AGGIE ELEVEN TO STANDSTILL

(Special Dispatch to The Journal.)

Oregon Agricultural College, Corvallis, Oct. 11.—In a game characterized by many fumbles and misplays, O. A. C. and the alumni played to a tie on the new athletic field Saturday, the score being 0 to 0.

The old stars showed the youngsters a pretty fine article of ball at times and when the whistle ended the first half they had the ball on the varsity 10-yard line.

Some of the men in the alumni team were among the most famous in their day on northwest gridiron. Bert Pilkington played at his old position as fullback. "Rube" Williams and Rod Nash played at halves, while Bat Rhinehart held down the quarterback job.

Among others were Brod Bundy, Harding, Steiwer, Darby, Rumbough, Cronise and Dobbins.

Captain Evenden played his usual good game at tackle while the only other feature of merit was Keck's punting. The varsity backfield played poorly and lacked coordination. The lineup:

O. A. C.	Position.	Alumni.
Dunn	center	Steiwer
Davis	guard	Bundy
Hawley	guard	Clark
Evenden	tackle	Darby
Dingee	tackle	Cronise
Darling	end	Lounsbery
Pugh	end	Rumbough
Sitton-Brodie	end	Dobbins
Keck-Gilbert	quarter	Rhinehart
Enberg	half	Williams
Bergman	half	Nash
Wolfe-Keck	full	Pilkington

Walsh Beats Realbach.

Chicago, Oct. 11.—Ed Walsh of the White Sox won the first game from the Cubs for the city championship yesterday, 2 to 1. The series now stands two won for the Cubs and one for the Sox. Score:

	R.	H.	E.
Nationals	1	6	2
Americans	2	9	0

Batteries—Realbach and Archer; Walsh and Sullivan.

MAC BOOMS LANGE FOR PRESIDENT

By Hiland Baggerly.

San Francisco, Oct. 11.—When Walter McCredie was here last he called upon Bill Lange twice and urged him to become a candidate for the office now held by Cal Ewing.

Lange is at the head of a large real estate business and baseball has engaged very little of his attention since he retired from the Chicago club.

Outside of some scouting for a few of the major league clubs, Lange has not been identified with the sport.

After McCredie proposed him for president it made others take notice. Why wouldn't Bill be the ideal president? If he would unite the different factions of the Coast league, and get things working in harmony, why he is just the man.

But since Nephew McCredie started Lange's boom a dash of cold water has been thrown on it by Uncle McCredie, the congressman to be. A correspondent from Portland says that uncle says he has no knowledge of Lange's qualifications aside from the fact that he once played with Chicago, and now lives in California. Living in California was meant for a slam.

Evidently uncle wants a president who is not a "Native Son." Nephew may be able to convince uncle that Lange would make a fair and impartial executive before the annual meeting of the league is held. Lange would be acceptable to the Californians.

Happy Bill Hogan of the Oaks did some great batting last week. In fact, he hung up a record for the season. In the seven games he connected with the ball safely 15 times. This is the best showing any player has made in the Coast league this year. Other players have knocked out a dozen bingles a number of times, but no one has equaled Hogan's record, and the beauty of his batting was that it was timely. He scored run after run by hitting. Twice he slammed the pellet over the fence.

All the Vernon pitchers looked alike to him. How the scouts came to miss Oakland's third sacker when they were touring the coast is a mystery to the California fans.

TWO GAMES BRING THOUSANDS TO MEN

Pittsburg, Oct. 11.—The attendance at the world's series for the two days at Forbes field in the sale of tickets aggregated 64,571, which in cash brought in $82,156. Of this amount the national commission will receive $8215.60; the players' share will be $44,364.24 and the two clubs will divide $29,576.16.

Second day's summary:

Tickets for game sold, 31,114; attendance shown by turnstiles, 30,915. Total receipts, $41,884.50; national commissioners' share, $4188.45; players' share, $22,637.63; club owners' share, $15,078.52.

SIX TICKET SCALPERS ARE ARRESTED

(Hearst News by Longest Leased Wire.)

Chicago, Oct. 11.—Six ticket scalpers were arrested during the Cubs-Sox city championship game Saturday evening as a result of the efforts of the baseball commission to prevent the sale of tickets for reserved seats outside of the box office.

Indignant fans pointed out to Lieutenant Sullivan the six men who were standing near the gate offering tickets at fancy prices to persons who were unable to buy them at the box office. The scalpers were taken into custody.

SOUTH PORTLAND WINS GAME FROM ALLIANCE

The South Portland football team won their second game this season when they defeated the Alliance club, 20 to 0. The South Portland team scored two touchdowns in each half.

The features of the game were the 40 yard run for a touchdown by Twitchell, who played left half for the South Portland, and his 25 yard run for the second touchdown in the first half. In the second half on a fumbled ball, Amacher made a long run and scored the third touchdown. The last touchdown was scored by a rush through tackle, the ball being in the hands of Prideaux.

Many of the South Portland players were injured and had to retire from the game. Only one of the Alliance club was injured bad enough to leave the ga—

PACIFIC ELEVEN SHOWS PROMISE

Injured Players Fast Recovering and Taking Places on Varsity Team.

(Special Dispatch to The Journal.)

Pacific University, Forest Grove, Or., Oct. 9.—With the close of the first two weeks of regular practice under Coach H. I. Sherman, the prospects for a formidable football eleven are more promisnig than ever. The hardness of the field has made it necessary to cut down the scrimmage work to a few minutes each evening, which has retarded to a certain extent the development of the team. Since the squad is composed of men who work at outside occupations during summer vacation, the players are in good physical condition at the opening of school, consequently the lack of scrimmage work does not work the hardship it otherwise would.

The injured players are recovering rapidly and will be out in suits in a short time. Ward, right end, who has been suffering with a bad shoulder sprain, turned out for light signal practice late last week and will be back in the game next week. Silverman and R. Mills have discarded their crutches, although the condition of their ankles will not permit of their playing for several weeks. The remainder of the team will be in good condition for the game with Oregon Agricultural college at Corvallis next Saturday.

A. Mills, last year's center, will probably play fullback. He is heavy, uses his head, and shows promise of developing into a strong player. Captain Ferrin, Taylor, Bratzel and Ward, are filling the halfback positions. Ferrin played in last year's back field, while Ward held down right end and Bratzel tackle. Alex Robinson, the varsity miler and half of the past two seasons, will turn out next week. During the summer, Robinson cut a bad gash in his right knee while working with a surveying crew, which has kept him on the sidelines during the preliminary practice. He will prove a strong addition to the team.

Gwynn, last season's field general, is playing his old position at quarter. Wiist, a player from the Tillamook High school, is also showing up well behind the center. Mayfield and McCoy, both players of several years' experience, will occupy the tackle positions. Mayfield is the varsity weight man and holder of the college record in the discus. Mobley and Lawrence have been doing good work at center. Leonard, a freshman from Portland academy and an all-scholastic guard of last year, will play left guard, while Bryant, a member of the team for the past two seasons, will play the other side of the center.

Coach H. I. Sherman played for four years at the University of Indiana, holding down the positions of quarter and fullback. He is a thorough student of the game, and the team is developing rapidly under his leadership. The Indiana style of play differs to a considerable extent from the Michigan form, under which the team has been coached for two seasons by Archie Hahn, which has necessitated a considerable amount of preliminary work.

The contracts for games are as follows: October 16, Oregon Agricultural college, at Corvallis; November 3, Columbia university at Forest Grove; November 25, Willamette university at Salem. Negotiations are pending for games with Whitman college, University of Puget Sound, Whitworth college, Chemawa Indians, and the Columbias of The Dalles.

HATS OFF GENTS! BRICK IS COMING

Baseball Comedian Will Play with Vernon Here This Week.

Remember Brick Devereaux, the Arlie Latham of the Pacific coast? Well, the old Red Dog will be with us again tomorrow as a member of the Vernon club. Brick was last here with Oakland. He is absolutely the funniest man in western baseball and hardly a minute goes by but he is not jollying somebody.

Remember when the comedian was here last in 1907. It was the first appearance of Oakland for the season and rain had interfered with the games to some extent. A big crowd was on hand Sunday though the day was threatening. Brick was in a jovial mood. He had been cutting didoes all day.

Once when Heine Heitmuller was at bat, the Teuton ticked a foul that hit within an inch of a bewhiskered Yamhiller of uncertain age. Quick as a flash Brick yells: "Get out from behind the brush."

Rain stopped the game in the third inning and while the umpire was waiting the regulation half hour, Brick entertained the crowd.

"I'll fight any one in the lot," was the facetious challenge, Brick hurled at the crowd. "Is Abe Attell in the grandstand?"

Two minutes before the game was finally called off, the red dog swept majestically out in front of the grandstand, bowed low and piped, "Good-bye fellers, I'll see you next year."

Well we didn't see Brick next year, for he turned outlaw and managed one of the California teams and we thought we had lost him for sure. We were tickled to death when we learned Happy Hogan, a near wit, had signed Brick and the bunch is bound to give him a big send off when he steps on the diamond tomorrow.
