

WILLIE'S AVIATION PLAN ENDS LIKE AN AVALANCHE

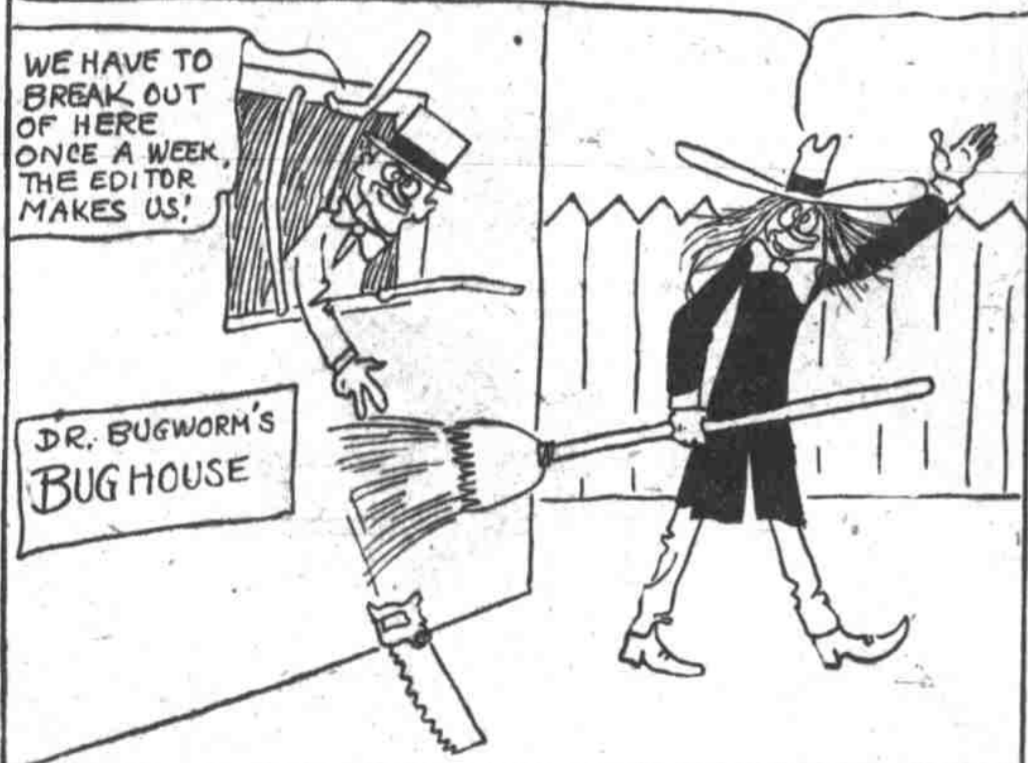

DEAR TOMMY: This is how my new flying machine will look when I get it built. I made a model of two mattresses treated with varnish and inflated with gas. I flew all right until the wind buckled up the machine. Then I came down right on top of Papa!

Yours, etc.,
WILLIE.

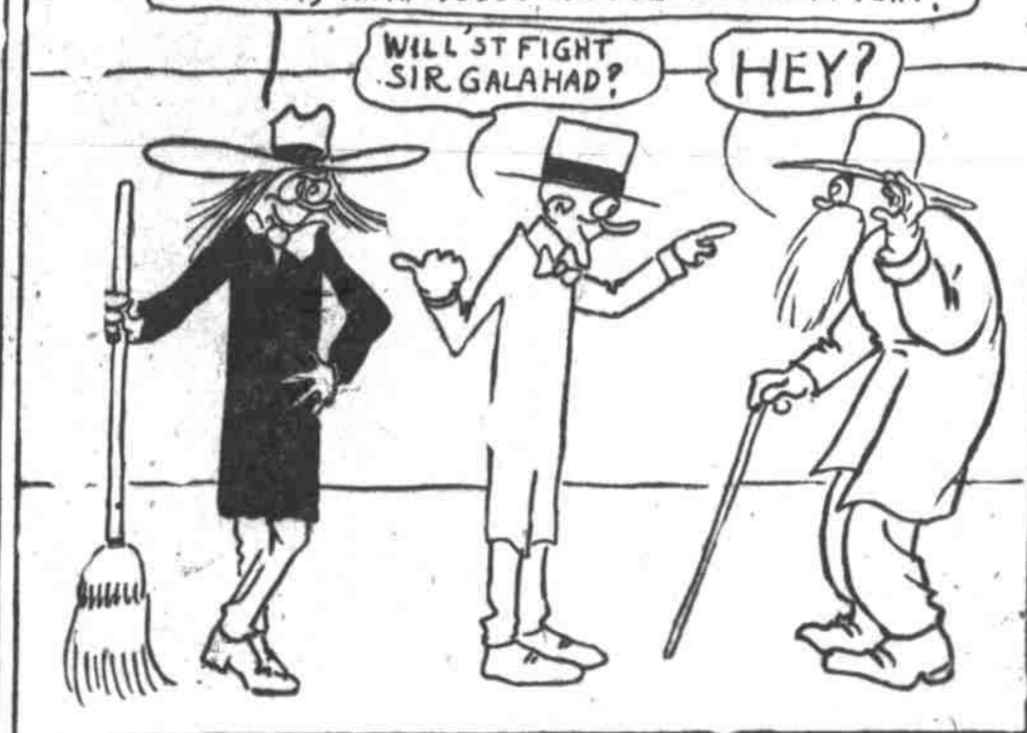

JINGLING JOHNSON RIPS OFF A FEW RHYMES ON CHIVALRY

IT WAS IN THE DAYS OF CHIVALRY WHEN MEN WENT SEEKING TROUBLE FOR CHIVALRY IN THOSE DAYS WAS AN EFFERVESCENT BUBBLE. MEN CRAWLED INSIDE STOVE PIPES AND THINGS AND CARRIED CHIPS ON SHOULDERS, AND IF THEY BROKE THEIR SPEARS, AT ONCE THEY'D FIGHT IT OUT WITH BOULDERS

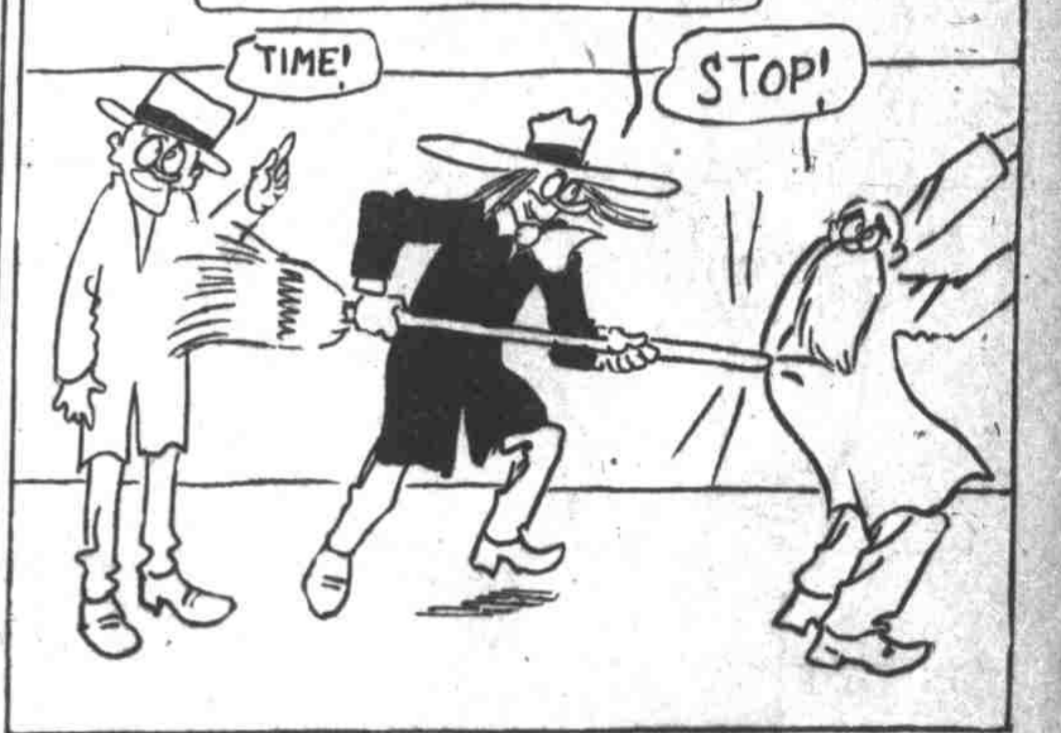

SIR GALAHAD, A NOBLE KNIGHT, ONCE CHALLENGED DON QUIXOTE. (HE LOANED HIM \$20 DOLLARS AND HE MADE HIM SIGN A NOTE.) IN MANNER MOST USURIOUS AND VOICE WITH VENOM THROATY, HE SAID IF YOU DON'T PAY THIS, I WILL SUE YOU, DON QUIX-O-TE!

MY GOSH, THAT WOULD AN OLD WOMAN FIGHT!

THE BATTLE WAGED BOTH FIERCE AND LONG, WITH CRIES FOR HELP, ASSISTANCE, SIR GALAHAD HAD DON WHERE HE COULD OFFER NO RESISTANCE, AND THAT'S THE WAY IT GOES, DEAR FRIENDS, WITH KNIGHTS IN MORTAL COMBAT, DEFEAT IS BOUND TO HIT ONE KNIGHT LIKE BOO JACK HITS A TOMCAT!

IT'S AWFUL TO BE A TOMCAT!

ONCE MORE THE CRY OF COMBAT SOUNDS, THE KNIGHTS RUSH ON TO BATTLE! WHILE ARMS OF STEEL AND SHIELDS OF TIN AND STOVE PIPES RUSTY RATTLE. LAY ON MAC DUFF, OH THAT'S THE STUFF AND HEED NO CRY FOR MERCY, I KNEW A MAN NAMED CALLAHAN, BUT HIS FIRST NAME WAS PERCY, BUT HE COULDN'T HELP IT!

SUPPOSING FLIES WEIGHED 15 POUNDS AND DOODLE BUGS WEIGHED 10? WHAT WOULD A POOR BAREFOOTED BOY OR BALD HEAD MAN DO THEN? THE FLIES WOULD LAND UPON HIS HEAD AND CRUSH HIS SKULL LIKE DOUGH, EACH DOODLEBUG WOULD GRAB A BOY AND BREAKFAST ON A TOE!

OH MY!

THE THUNDER ROARED AND THE LIGHTNING FLASHED - TIN PANS FELL WITH A CLATTER, THEN GRANNY IN A PEEVISH VOICE CRIED OUT - "NOW WHAT'S THE MATTER!"
