ILLEGAL BALLOT NULLS ELECTION

Columbia County May Be Compelled to Vote Again on Liquor Issue.

(Special Dispatch to The Journal.)
St. Helens, Or., Nov. 5.—Complete returns of the prohibition election here show that the county went wet by 64 plurality. A total of 1622 votes were cast, of which 842 were wet and 779 were dry. Rainier cast an illegal ballot, which will in all probability be thrown out. Since that precinct went wet by 92 votes, this will change the result of the election and put the county dry by about 35 majority.
Rainier used the city ballot box for the city voters, and the legal county ballot box for the voters who vote in the Rainier precinct but who do not live in the limits of the city.
The county authorities are inclined to count only the ballots that were put in the legal ballot box, which was a dry batch by 4 votes. It is thought that another election will be called.

who failed to take part in the flag rush with the freshmen last Friday were today taken by a committee of their classmates to the shores of Lake Union and thoroughly ducked. The men so treated were Arthur Poulsen, Sol Lewis, Frank Brokaw, Thomas Sears and Victor Rabel. Brokaw is a well known broad jumper. Rabel is a basketball player and Lewis is assistant city editor of the University of Washington Daily.

WANT TEST LADDERS PLACED IN DESCHUTES

(Special Dispatch to The Journal.)
Laidlaw, Or., Nov. 5.—Some of the citizens of Laidlaw have stated their intention of making application to the state game authorities for the construction of fish ladders in the Deschutes river, near this place. The purpose is to enable the salmon to get up the river to spawn. If the project is successful next season's combination of fishing near Laidlaw will be unrivaled.—Dolly Vardens, Red Sides and salmon—for nowhere on the river is the fishing better than in the immediate vicinity of Laidlaw.

PURE FOOD AGENT SHUTS OFF MILK

(Continued from Page One.)
dition of a city's food supply, and that he has found the milk very bad. Some of the dealers have been permitted to again furnish milk, but only on condition that they follow closely Mr. Wallis' instructions relative to the care of their plants.
Wallis threatened to close every restaurant in Nampa unless the proprietors cleaned up and started an anti-fly campaign.

Walls made a similar campaign in various towns of the state. He came from Twin Falls recently and there he had one of the hardest campaigns of his experience. An attorney of Twin Falls, N. F. Fellows, formerly of Spokane, has filed a suit against the commissioner for \$10,000 damages for false arrest. Walls claimed that Fellows interfered with him in the discharge of his duties as an officer.

DALLIES RECEIVES FIRST VISIT FROM FOOD COMMISSIONER

(Special Dispatch to The Journal.)
The Dalles, Or., Nov. 5.—Paul V. Maris, a deputy dairy and food commissioner, has been going some effortful work among dairies, meat markets, produce stores and restaurants in this city the past few days. He has made a thorough inspection of the dairies that furnish milk for the city, and has recommended many changes for better sanitation.
Maris caused the arrest of P. H. Ohlenschlager, a dairyman, on a charge of selling impure food. Ohlenschlager was tried in the justice court yesterday and convicted. Maris also caused the arrest of James Maca, proprietor of one of the meat markets of the city, on the charge of putting sulphates in hamburger steak. Mr. Maca pleaded guilty and was fined \$25.
This is the first visit a deputy dairy and food commissioner has made to The Dalles. There are several Chinese restaurants in the city, and Mr. Maris' visit to them caused quite a commotion.

ALLEGED COUPLE MADE FRAUDULENT DEED

(Special Dispatch to The Journal.)
Dayton, Wash., Nov. 5.—To escape the payment of a debt after judgment had been rendered against them, J. O. Edwards and wife, prominent residents of the Tukwon, according to a complaint filed here in the superior court yesterday, by Fred J. Eisensohn, a merchant of Pomeroy, Wash., have recorded a fraudulent deed purporting to convey their ranch valued at \$2000 to a relative, C. F. Edwards. The complaint charges C. F. Edwards with judgment for the sum of \$463 with interest, was rendered last year against the Edwards but that when the sheriffs of Columbia and Garfield counties attempted to attach the property they found it transferred. Eisensohn prays the court here to declare the deed null and void.

Scott's Emulsion

is a wonderful food-medicine for all ages of mankind. It will make the delicate, sickly baby strong and well—will give the pale anemic girl rosy cheeks and rich, red blood. It will put flesh on the bones of the tired, overworked, thin man, and will keep the aged man or woman in condition to resist colds or pneumonia in the winter.

SURVEY FOR PROPOSED EUGENE TROLLEY ROAD

(Special Dispatch to The Journal.)
Eugene, Or., Nov. 5.—Two surveyors are working today between Eugene and Junction City to run a preliminary line for the proposed trolley road between the two cities. It is to be built by the Portland, Eugene & Eastern Railway company. While the company already has a survey and right of way between the two cities, it is desired to make another survey and thereafter decide which is the better and most feasible to build over. Local Manager J. L. Lambirth makes the prediction that construction work will begin within 30 days.
The company has between 75 and 100 men at work on the big electric plant on the McKenzie 20 miles east of Eugene. This plant will furnish power for the company's proposed valley lines.

"WETS" OF HOREB TO CONTEST ELECTION

(Helen Bureau of The Journal.)
Salem, Nov. 5.—The "Wets" of Horeb precinct, beaten in the local option election held there last Tuesday by a vote

of 20 to 25, have started proceedings in the county court of Marion county to contest the election on fraudulent grounds. Carson and Brown, attorneys of this city, have been retained by the liquor interests of the city of Gates to prepare the case and present it to the county court, so no order will be made declaring that liquor shall not be sold in the precinct until the matter has been determined.
Irregularities in conducting the election are alleged, but they have not yet been specifically named. The contest over liquor privileges at Gates has been

BRAKEMAN LOSES FEET UNDER TRAIN

(United Press Special Wire.)
Riverside, Cal., Nov. 5.—While attempting to board a moving Santa Fe freight train early today Charles Knox, a brakeman, fell beneath the wheels. Both feet were completely severed. He was taken to the Santa Fe hospital in San Bernardino.

a hot one for several months, and the end does not yet seem in sight.

S.S.S. NATURE'S CURE FOR RHEUMATISM

In a disease so painful as Rheumatism, medicines containing opiates and nerve-quieting drugs are often used. Such treatment is dangerous not only because it frequently causes the sufferer to become addicted to the drug habit, but medicines of this nature are always injurious to the system. Rheumatism is a disease of the blood, and its cure depends entirely upon a thorough purification of the circulation. As long as the blood remains saturated with uric acid, an inflammatory condition of the nerves, muscles and tendons of the body will exist, and the pains, aches, soreness, and hot, feverish flesh of Rheumatism will continue. The one safe and sure cure for Rheumatism is S.S.S. It is nature's remedy for this disease, made entirely of the healing, cleansing juices and extracts of roots, herbs and barks from the natural forests. S.S.S. does not contain anything that is in the slightest way injurious to the system. It is absolutely and purely vegetable, and free from opiates or sedatives of any kind. S.S.S. cures Rheumatism by removing the uric acid from the circulation. It makes the blood pure, rich and healthy so that instead of depositing sharp, uric impurities into the muscles, nerves, joints and bones, it acquires every portion of the body with natural, healthful properties. Back on Rheumatism and any medical advice free to all who write and request it.
