Great Sale and Demonstration of Prof. Munter's "Nulife" Braces

Great sale and demonstration of Prof. Munter's celebrated "Nulife" Shoulder Brace for women, men and children. The best article of its kind ever placed on the market. A trial will convince. See demonstration of "Nulife" on main floor.

"Nulife" is the latest scientific invention, substituting for old methods of physical and medical treatment a simple garment which immediately improves the wearer and brings him or her back to perfect health. "Nulife" is not a cure-all, or a secret of eternal youth or a miracle, but it is an aid to Nature, compelling you to breathe as you were born to breathe and as you should breathe. "Nulife" compels proper deep breathing, and every physician in the world will tell you that proper deep breathing is necessary for the preservation of health. "Nulife" is not a brace, made of steel, buckles and rubber, but a light-weight, washable garment that is pleasant to wear, and so simple that any child can put it on without assistance. "Nulife" cultivates and permanently maintains a strong, vigorous body, and the natural effect of wearing it is to become buoyant in spirit, muscular in body, active in brain, pleasant in manners, with the step of youth, the figure of health, the curves of beauty and everything that goes with health and makes for happiness. This is an opportunity you should not miss. Main floor.

Demonstration "Gossard" Corsets by Mrs. M. A. Miller

An expert corsetiere, trained in the Gossard "new school" of corset design, will be in attendance, to show the superior features of Gossard front-laced corsets. We extend a cordial invitation to every woman in this vicinity who is interested in the corset styles for Fall to meet Mrs. M. A. Miller and discuss the corset question with her. If in the past you have had any doubts as to the corset which would do the most for your figure, a fitting with one of the Gossard models will put them to rest. There is a model for YOU. Exactly right for YOU. Be fitted to it and you will be delighted with the results. Gossard Corsets give the supple figure and the long, lithe lines demanded by the season's fashions. They support instead of depressing the abdominal organs, that is why physicians recommend them. They impart the classic, sculptured back. Anyone who knows the Gossard Corset can tell the Gossard wearer by the back, at a glance. The front-lacing is convenient and sensible. You can stand before your mirror and adjust your corset while you are putting it on. Gossard Corsets are made of the finest materials. Every detail is as nearly perfect as human ingenuity will permit. The materials are selected with great care for their textile strength, and the Gossard Corset will outwear two or three ordinary corsets. See them.
