

Thanksgiving Sale

Three Days of Special Value Giving

We are thankful for a phenomenal year's business and fully realize that the magnificent volume of trade which has passed through our doors this past twelve months has been made possible only by the continued good will of the people of this city and vicinity. Though we have strained every nerve and used every honorable means at our command to build up this business, its growth has resulted wholly and solely from the generous support of the good people of the favored community.

As evidence of continued effort, we herewith publish a list of some of the strongest values we have ever offered to the trading public of this community—real bargains which you will be thankful for and which we are sure will provide us with a crowded store right up to Wednesday eve, for which we will be thankful. Read carefully each item and come expecting all these as well as many more. We'll have a new list for each day and every day will be a money-saving day—but remember to do your Thanksgiving trading.
