WATERWAY

Port of Portland Must Show Why Permanent Order Should Not Be Issued Restraining Lease of Drydock-Many Arguments. htm.

Dramatic was the moment when Raael Citron, accompanied by Deptuy wriff Bird, disturbed the meeting of the Port of Portland subcommittee yes-terday afternoon, long enough for the ter than in inducing Mr. Hopkinson to aheriff to serve an order on the memhere of the committee, temporarily retering into any contract or other agreement for the lease of the drydock to any private company. , The order was issued yesterday by

miding Judge Bronaugh of the state

cfreuit court, on complaint of Captain Albert Crows, through his attorneys, Henry E. McGinn and Raphael Citron drydock for the lessening of the burden to the taxpayers, providing an advantageous lease could be made. For the order cites the defendants to appear before Judge Bronaugh tomorrow last five and one-half years, he said, ould not be permanently restrained out the action that it is alleged in the action that it is alleged in the bonds 000, including interest on the bonds laint they are contemplating. and 5 per cent depreciation per annum. Owing to the fact that business will be

Service of the copies of the restrain-ing order was made while Chairman W. divided between the two docks in the Wheelwright was concluding the statement that so far as the commis- future, whereas the public dock has had ioners were advised they were in favor, no competition heretofore, will make leasing of the plant, and caused the burden much heavier. stir of astonishment in the room. was filled with people who had embled in the Port of Portland ms to hear the discussion of the assembled tion to the leasing of the drydock. Mr. Parkinson set forth that he represent-The committee having the bject under consideration and served ed about 10,000 laboring men of Portwith the restraining order consists of land, all of whom were opposed to the W. D. Wheelwright, J. C. Ainsworth leasing of the Pert of Portland dry-W. D. Wheelwright, J. C. Ainsworth and C. F. Adams.

Sets Forth Combine.

The complaint filed by Captain Crowe briefly, a history of the formation of the Port of Portland and gives in the hands of a private interest there the process by which the dock was built n 1903 at an expense of about \$365,000. The complaint then refers to the benefits resulting from the operation of the drydock by the Port of Postland to the port, after which it alleges that an property be leased, the Port of Port-attempt is being made to organize a land would find itself unable to retain attempt is being made to organize a land would find itself unable to retain combine of the drydocks of the Pacific the control and regulation of the propdock in this city in the only step neces-sary to its completion. The complaint tenies that the members of the port would eventually suffer. as that the members of the Port clared that the drydock was built for of Portland commission have any au-thority to enter into any contract or agreement for the leasing of the dry-dock. It recites that the contemplated was never intended as a money-making action by the commissioners is "foreign to the rights and privileges of difference what the limitations thrown aid commissioners and an open violation of the trust reposed in them."

Feels Right to Lease.

Scarcely heeding the interruption which leased it would get what they caused by the service of the restrain-, want at the expense of the people, while ing order, Chairman Wheelwright con-tinued his remarks, saying that he and plaint by the taxpayers about the exthe two other commissioners composing pense of running the dock. committee were satisfied that they had a right to lease the drydock to prirests providing that they im-

TICKET AT KENNEWICK

(Special Dispatch to The Journal.) Rennewick, Wash, Nov. 39.-In an open caucus held here Saturday even-ing a citizens' ticket for the annual city

stion December 7 was placed in the field. Three councilmen and a city treasurer are to be elected. Councilmen A. H. Richards and Christ Kruss were nominated to succeed thomselves, and J. J. Reed chosen to succeed Councilman James Crowell. The name of Carl Hayion was placed on the ticket for city trensures

Interest in the coming election, which has been at a low ebb, was aroused last importance, thereby adding to the ge night, and before the meeting was called to order it was evident that the balloting would be close, with the maloons and the North Coast franchise as the leading issues. The saloonmen were out in force, and unless an opposition ticket is launched, the next council will be "wet."

"Jackies" Giving Up the Weed.

Washington, Nov. 30 .- Foes of "My Lady Nicotine" will be giad to learn that, while cigarette smoking is on the increase among the boys of Uncle Sam's navy, the habit of tobacco chewing at least is on the decline. Bids for the purchase of 70,000 pounds of chewing tobacco were opened at the navy department today. This amount repre-sents a year's supply for the bluejackets and marines, and is a decline of about two-thirds in the amounts used in previous years.

Ducks and Geese Plentiful.

Shelburn, Or., Nov. 30 .- Since the recent rainstorm, wild geese and ducks are beginning to make their appearance in the swamps and sloughs of this sec-tion in goodly numbers.
